brighter than ever.

Dear Parent,

Welcome to our colourful world of discovery and joy! We are more than halfway through our journey and our classrooms are buzzing with newly acquired skills, growing confidence and playful smiles.

"The greatest gifts you can give your children are the roots of responsibility and the wings of independence."

~ Denis Waitley

CELEBRATIONS

The kindergarteners joyfully celebrated the 100th Day of School, marking a special milestone in their learning journey. The day was filled with exciting & age-appropriate activities such as Colouring, Zumba, Storytelling and Physical Games. Children enthusiastically participated in each activity, promoting creativity, coordination, listening skills and teamwork. The celebration encouraged active learning through play and movement, creating a lively and positive atmosphere. It was a memorable day that highlighted the joy of learning, growth and togetherness. The event concluded with happy smiles and a sense of achievement amongst our young learners.

WHERE TRADITION MEETS SUSTAINABILITY

Our kindergarten learners celebrated Diwali with immense joy, enthusiasm and festive spirit. Dressed beautifully as characters from the Ramayana, our little ones confidently spoke a few lines sharing their understanding of the festival. They proudly participated in a parade where senior students showered flower petals on the Ramayana characters, making the moment truly special for the tiny tots. Children painted diyas with vibrant colours and took them home as cherished souvenirs. They also enjoyed a delightful photo shoot and enthusiastically joined the Rangoli Making activity showcasing creativity through colourful patterns. Through these joyful experiences, they learned the values of togetherness, culture and tradition. 🌸 ✨

Celebrated to commemorate the birth anniversary of Pandit Jawaharlal Nehru and to highlight the importance of childhood and children's rights, the day was celebrated with great joy and enthusiasm. Children were warmly welcomed and made to feel special through fun-filled activities, games, performances, singing, dancing, storytelling, and creative craft work that encouraged imagination and confidence. Teachers shared meaningful messages, emphasizing the value of childhood and reminding children that they are the hope and future of the world. Special treats added to the excitement, making the day truly memorable. The celebration concluded on a happy note, with children taking home beautiful memories!

Celebrate
every
tiny
victory.

Team work with fun

Children celebrated the day with great enthusiasm, creating a joyful learning experience for themselves. Classrooms were beautifully decorated with spooky crafts setting a festive mood. Kids enjoyed creative activities like making ghost hangings using handprints and cotton dabbing and designing fun monster faces. A Halloween picture-frame activity boosted their confidence as they happily posed for photos. An interactive "Name the Picture" session enhanced their vocabulary and observatory skills. Energetic dance sessions and a cheerful "Trick or Treat" activity filled the day with laughter, learning and happy memories.

"Gratitude turns what we have into enough."

Our little learners celebrated 'Thanksgiving' with joy, creativity, and heartfelt appreciation. The Early Years children participated in a series of meaningful activities designed to help them understand the value of gratitude in everyday life. As a part of the celebration, the children created a beautiful "Lotus of Gratitude" headgear and Turkey craft. They expressed gratitude for the special people and happy moments in their lives. It was truly heart-warming to see the children proudly wear their creations, express their feelings confidently and celebrate the spirit of Thanksgiving with enthusiasm and joy.

HAPPY THANKSGIVING

Gratitude is very easy

A white background with a dense, scattered pattern of colorful confetti pieces in shades of red, blue, yellow, and pink. A thin brown border frames the central text area.

SPECIAL ASSEMBLIES

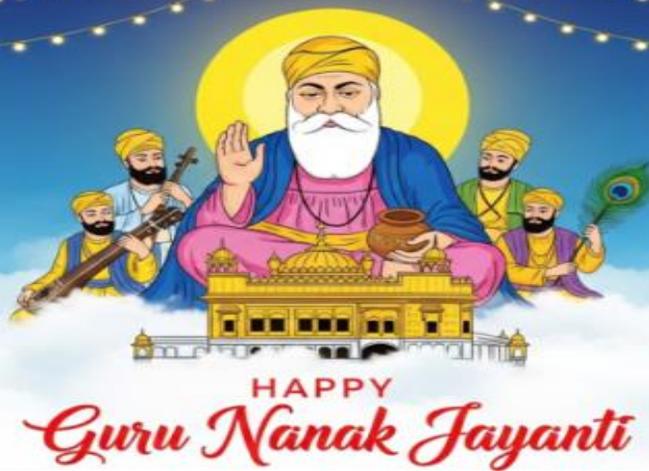

Diwali is a magical time of the year !!

The kindergarteners presented a beautiful assembly on Diwali, highlighting the importance of the five-day celebrations. The assembly began with a prayer followed by a short introduction about why Diwali is called a festival of lights. They learnt that the festival symbolizes the victory of good over evil and light over darkness. The little ones confidently conveyed the message of celebrating a safe and eco-friendly Diwali by avoiding crackers and spreading love and joy. The presentation was truly delightful and enjoyed by all.

Children presented a heartwarming assembly for Guru Nanak Jayanti. They paid tribute to Guru Nanak Dev Ji by learning his core teachings of One God, Equality, Selfless Service, Truthfulness and Honesty. They beautifully recited the Mool Mantra and shared its simple meaning. A soulful Shabad filled the atmosphere with devotion and was followed by a graceful dance highlighting equality and sharing. The assembly concluded with a vibrant Nagar Kirtan, helping children understand how processions celebrate the Guru's life. The audience joyfully joined in chanting 'Satnam Shri Wahe Guru' and 'Waheguru Ji Ka Khalsa, Waheguru Ji Ki Fateh.'

The little stars of LKG presented a joyful Christmas Assembly, bringing the story of the Christmas alive through a beautiful depiction of the manger scene. The children confidently portrayed the roles of Joseph, Mary, Angels and Shepherds spreading the message of love, hope and kindness. The celebration was made more delightful with melodious carols and lively dance performances on popular Christmas songs. Through their performances the children showcased confidence, teamwork, creativity and empathy reflecting the true spirit of Christmas. 🎄 ✨

SCHOOL EXCURSIONS

Happy
guru nanak
Jayanti

A VISIT TO THE GURUDWARA

On the Occasion of Guru Nanak Jayanti, the kindergartners visited the Gurudwara. It was a meaningful and joyful experience. With their heads covered and hearts full of devotion, the children offered fruits brought from home, learning the values of sharing, gratitude, and community service. They listened to the soothing kirtan, participated in prayers, and were gently introduced to the teachings of Guru Nanak Dev Ji—truth, equality and selfless service. The day was filled with peace, happiness and value-based learning.

Merry Christmas

A VISIT TO THE CHURCH

The visit was filled with joy and festive cheer as the children stepped into the beautifully decorated hall, adorned with golden and red stars and sparkling glitter ornaments. Through a short movie, the tiny tots learned about the birth of Jesus Christ in a simple and engaging manner. They joyfully sang popular carols such as "Jingle Bells" and "Go Tell It on the Mountain." The excitement reached its peak with the cheerful arrival of Santa Claus. The children danced, sang, and filled the atmosphere with laughter and happiness. They were delighted to receive sweets and candies from Santa and returned with happy hearts, carrying the message to always "Spread Peace on Earth."

THE IMPORTANCE OF PLAY

Supports brain development

Fosters social and emotional skills

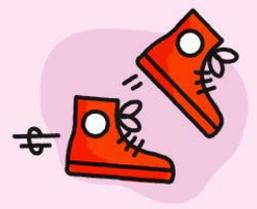

Encourages creativity and imagination

Builds communication and language

Problem-solving and critical thinking

Improves fine and gross motor skills

I AM THANKFUL

Our adorable kindergarteners expressed their Gratitude and Thankfulness in the sweetest way by making a collective Thanksgiving wreath and by getting dressed up as their favourite community helper. Children confidently shared a few heartfelt lines to thank the real-life heroes who make our world safer, cleaner, healthier and happier every day. Their tiny voices carried big messages of thankfulness, reminding us that kindness and gratitude can be nurtured from an early age.

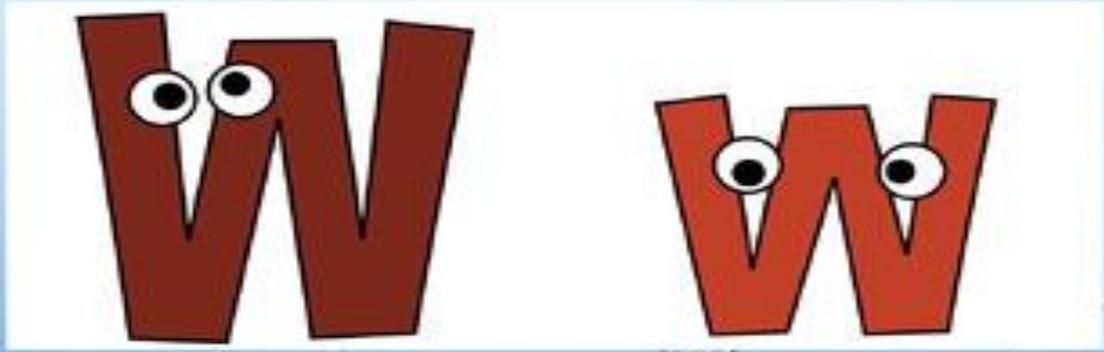

A healthy sandwich and capsicum corn salad, happy faces and a lot of learning! Our kindergartners enjoyed making salad and healthy sandwiches using fresh ingredients like tomato, cucumber, olives and cheese slice while learning the importance of hygiene and nutrition. A perfect blend of creativity, teamwork and healthy eating habits! This hands-on experience helped them understand basic cooking skills, food safety, and the value of healthy eating — all without using fire. A truly enjoyable and educational session

INTRODUCTION TO THE LETTER W

The LKG children joyfully explored the letter 'W' through fun and engaging activities. They began with a find & paste activity, creating colourful 'W' masterpieces, followed by making wearable paper watches to reinforce new vocabulary. An eraser-printing activity added to their creative thinking as children formed a brick-style W-wall using paint-dipped erasers. The learning became even more exciting with a walk-on-the-'W' pathway, where children hopped and balanced across large 'W' cutouts, combining movement with learning. The day was filled with joy, creativity and discovery, making it a truly 'W' -Wonderful adventure.

Introduction of Letter

The day became extra special as children explored 'H' for Hen through a fun handprint activity. Using their tiny palms, they created colourful and cheerful hens, connecting the sound and shape of the letter in an exciting way. This hands-on activity strengthened fine motor skills, boosted imagination and encouraged sensory exploration. Children happily dipped their hands in paint, stamped prints, and added eyes, beaks and feathers. Their laughter filled the classroom, making learning playful and memorable. ✨🐔🧠

The Solar System Adventure

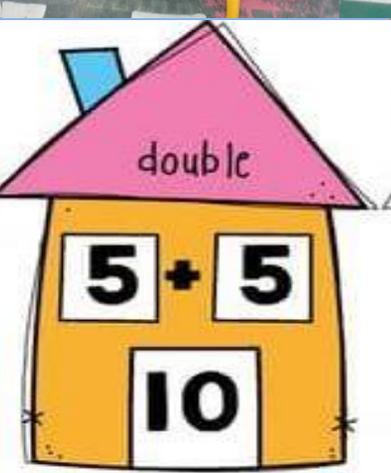

Our LKG children embarked on a joyful journey through the 'Solar System' as part of Understanding the World. Through engaging stories, movement and role play, children became planets, revolving around the Sun in their fixed orbits, learning about discipline and responsibility. They discovered new words like 'basking', learnt interesting facts about planets, the Sun and astronauts, and strengthened their communication and cognitive skills. Earth Day discussions helped the children understand the importance of caring for our planet. The day was filled with curiosity, creativity and experiential learning! 🚀 ✨
