# MODERN VIDYA NIKETAN KINDERGARTEN ARAVALI HILLS NEWSLETTER

EDITION – II – JULY – SEPTEMBER 2024

*KINDERGARTEN AIMS TO PROVIDE A FOUNDATION FOR LEARNING, NOT TO TEACH CHILDREN EVERYTHING THEY NEED TO KNOW. IT IS A TIME WHEN KIDS LEARN ABOUT THE WORLD AROUND THEM, THE BUILDING BLOCKS OF THE UNIVERSE INCLUDING PLANTS AND ANIMALS. THE AIM IS TO MAKE THE TINY TOTS LEARN BASIC ACADEMIC AND SOCIAL SKILLS. THE MONTHS OF JULY, AUGUST AND SEPTEMBER SAW THE CHILDREN BECOME MORE AWARE AND CONFIDENT THROUGH PARTICIPATION IN A VARIETY OF EXTRA CURRICULAR ACTIVITIES. THE QUARTER SAW THE CHILDREN DEVELOP THEIR EMOTIONAL AND SOCIAL SKILLS.*

"Back to School" after the rollicking summer break  
was a reason for joy, merriment & happiness !!

The school corridors were once again filled with happy feet and laughing faces.

The children were given a warm welcome and they were super excited to share their summer stories with their teachers and friends. They created beautiful "Bus themed" crafts using shapes and colours !

# AQUA FUN LAND

The newly opened Aqua Fun Land in our school was a thrilling experience for the students! The sparkling blue waters beckoned them to dive in and splash around. The pool's fountains and water slide added an extra layer of fun. The kids laughed and played, splashing and shouting with joy, completely carefree. It serves as a refreshing break from their daily routine, and they can't wait to come back again to experience the fun once more.

# Kindergarten Celebration

India celebrates Van Mahotsava , a week-long festival every year in July. It encourages citizens to plant trees and protect our green cover amid growing deforestation and urbanization. Our little kindergarteners learned about the vital role trees play in our ecosystem. The children enthusiastically participated in a 'Scavenger Hunt Activity' - collecting twigs, pebbles, grass, leaves, and feathers. They also enjoyed a leaf-pasting activity, which sparked their creativity and commitment to planting trees. By engaging in these activities, the children not only celebrated Van Mahotsava but also took a collective step towards a greener future.

## **50 Days of School : A Milestone of Learning and Growth!**

We are thrilled to announce that our kindergarteners have reached an exciting milestone: the 50<sup>th</sup> day of school! The significant achievement marks a period of tremendous growth, learning, and fun for our students. To honour this milestone, a day full of fun and learning was planned. We are proud of our students' achievements and look forward to continuing this journey together.

**Hariyali Teej, a Hindu festival that celebrates the union of Lord Shiva & Goddess Parvati and the arrival of the monsoon season was celebrated with enthusiasm and gaiety ! Children dressed up in green attire and applied henna on their hands, relishing a feast of ghevar.**

Independence Day celebrates the unity of our nation, bringing together people from different cultures and backgrounds. It is a reminder of the sacrifices made by our forefathers for the freedom we enjoy today. Kids made beautiful crafts with full zeal. They learnt about National symbols and made beautiful cards. They decorated kites and medals by pasting of tri colour cutouts. Kids enjoyed the activity and celebrated this day to the fullest both in school and at home. They shared their special moments of HAR GHAR TIRANGA campaign initiated by the government of India.

# Raksha Bandhan

- Rakshabandhan, is a celebration of the unique bond between brothers and sisters. On this day, sisters tie a sacred thread, called Rakhi, around their brother's wrist, symbolizing love, protection and lifelong commitment. In return, brothers promise to stand by their sisters and offer them a token of affection. It's a day filled with joy and cherished memories, highlighting the essence of family unity and the beauty of sibling relationships.
- The little kindergarteners of MVN made a beautiful handcrafted rakhis filled with love for their siblings. They made a lovely wall hanging of Raksha Bandhan which they flaunted and carried home.

**HAPPY  
JANMASHTAMI**

The celebration of Janmashtami in our school was a vibrant and joyful event. The children eagerly decorated matkis, with cotton, mirrors and colourful beads, transforming it into a colourful and shimmering masterpiece. The importance of the festival was discussed with the children, helping them understand the significance of Lord Krishna's birth and the values he embodies - wisdom, courage and compassion. Our children, immersed in singing hymns, formed a deep spiritual connection, fostering a sense of humility and gratitude in their tender hearts.

# HATHI, GHODA, PALKI ~ JAI KANHAIYA LAL KI ~

☐ National Sports Day☐ is observed on August 29th each year. It honours the birth anniversary of Major Dhyan Chand, one of the country's most legendary hockey players. Dhyan Chand, often referred to as "The Wizard," led India to Olympics gold medals in field hockey. The day is marked by various sporting events, award ceremonies and activities aimed at encouraging young people to take up sports and stay physically active. On this day, the President of India traditionally presents the National Sports Awards to honour athletes and coaches for their outstanding contributions to Indian sports. The day serves as a reminder of the importance of physical fitness and sports in daily life. The kindergarteners celebrated the day with an engaging☐ ROLE PLAY☐ activity. It was great to see them all dressed up as☐ Virat Kohli,☐ Rohit Sharma,☐ Manu Bhaker,☐ Sania Mirza,☐ Cristiano Ronaldo,☐ Lionel Messi,☐ Vijender Singh,☐ ♀☐ Mary Kom, Saina Nehwal☐ among many others. They spoke loudly and confidently about their favourite sport and sports person and enjoyed posing for pictures and videos. Through the activity children learnt values such as teamwork, discipline, and perseverance. The activity highlighted the role of sports in building a healthy society.☐ ☐

The Grandparents' Day Event was a resounding success, filled with joy and excitement. The nursery children performed a lively dance that left the grandparents beaming with pride and they could not but help tap their feet along to the rhythm. The Music department presented mesmerizing melodies of yesteryears ~ 60s, 70s and 80s. It was endearing to see the faces of all in the audience light up with smiles as they reminisced about their young days as they sang along. They participated in various games such as Petals Bingo, Roll the Hat. The atmosphere was electric filled with warmth, excitement, cheer and gaiety. As a token of appreciation they were presented a photo frame which captured a beautiful memory with their grandchild.

“Reading is to the mind,  
What exercise is for the body.”

To spread the message about the importance of literacy among the little learners, Literacy Day was celebrated with great zeal and enthusiasm. It was fun to see them appreciate that regular classroom learning of concepts serves as a base for their future. The children made beautiful pencil bookmarks. They carried the bookmark home as a reminder of the Literacy Day Pledge that they took with their teachers “I will read a new book every week !” It was a fun and easy way to inculcate good reading habits.

**“The more that you read, the more things you will know. The more that you learn, the more places you'll go.”**

The kindergarteners celebrated the 10- day long festival of Ganesh Chaturthi - the birthday of Lord Ganesh by presenting a Special Assembly for their peers. The event began with the kindergartners chanting the Ganesh Mantra. The kindergarteners showcased their excitement about welcoming and bidding goodbye to Lord Ganesh with beautiful chants ! The children further learnt about Lord Ganesh's parents- Lord Shiva and Mata Parvati and about his fun escapades with his brother Kartikeya. They also learnt about why he is called the Remover of Obstacles and the God of New beginnings. The session was followed with them watching an animated story about the birth of Lord Ganesh. The students performed beautiful dances on their favourite songs - "**Shankarji ka damru baaje**" and "**Deva ! Shri Ganesh Deva!** " in the most exuberant and colourful attire. The celebration concluded with positive vibes all around and loud Chants of "**GANPATI BAPPA MORYA !!**"

## "Celebrate Hindi, Celebrate Unity!"

Celebrating HINDI DIWAS is a way of embracing Language and Culture. The day is about honouring the language but also encouraging its usage in everyday life, work and education. On 14th September, the Hindi language was adopted as one of the official languages of the Republic of India. The Pre School children had a wonderful storytelling session where they enjoyed listening to Panchatantra stories. The children were made aware of the importance of Hindi and how it is one of the popular languages in the world. They recited popular Hindi rhymes for children like - ' बंदर मामा ', ' तितली रानी ', ' हाथी राजा ' with voice modulations and expression. The children enjoyed "My favourite Vyanjan Activity" where they drew vocabulary words with the beginning sound of the Hindi letters beautifully, thereby enhancing their vocabulary and coming up with great examples for the Vyanjans learnt. It was a delight to see the kindergarteners play I Spy- where they related the letters learnt to objects they found around them. It was fun to see them look around for examples in the classroom, play area and the corridors. Children were asked to interact and engage with all at home on 14th September in Hindi and wish everyone with a Namaste 🙏 🙏 instead of Hello for a day !

# World Peace Day

21 September

International Peace Day is observed around the world on 21st September every year. Peace is all about living in harmony and not fighting with others. Children were made aware that peace cannot be kept by force, it can only be achieved by understanding. They learnt that it is important to remember to be kind to one another, to share, to care and to be friends. The kids actively participated in making colourful peace symbol and enjoyed playing with colours while doing cotton dabbing, ear bud printing and cotton balls pasting. These activities instilled in them the life skills of collaboration, cooperation, and teamwork. The students were also made aware of the importance of International Peace Day and were encouraged to express their thoughts and feelings about peace.

# ~ SPINDLE BOX ACTIVITY ~

Visually identify a written number and match a loose quantity of spindles to that particular number !

Spindle box activity was conducted for our toddlers wherein the kids developed a concrete understanding of numbers and engaged themselves with math using their hands. The activity taught them quantity and its symbolic representation and numerical order and encouraged independent learning. This activity helped the kids to gain a muscular impression of quantity, promoted listening skills and develop the concept of numerical sets. The activity was thoroughly enjoyed by the kindergarteners as they were completely engrossed in it.

# COLOUR SORTING ACTIVITY

# FRUIT CHAAT PARTY

# **CORN SALAD ACTIVITY**

**"Learning how to cook for yourself is a beautiful expression of self care".**

Little chefs of Kindergarten engaged themselves enthusiastically in 'c' Corn salad Activity.

The little chefs looked adorable in their chef caps and aprons. They learnt the nutritional benefits of healthy eating. Children brought boiled corn kernels, chopped tomatoes, cucumber and onions from home and prepared delicious corn salad with the help of their teachers. The presentation was mouth watering. The kids enjoyed eating the salad with their peers and were pleasantly amazed to see how easily such a tasty and colourful dish could be made with the simple ingredients they had brought. This activity helped students to develop healthy eating habits and work together as a team.

# Learning Numbers using Number train and number puzzles

“Everything around you is mathematics. Everything around you is numbers.”

An interesting activity on numbers was conducted for our little ones to reinforce the concept of counting. Little hands had fun arranging deck of cards and enjoyed counting of dots and matching it to the related number. They also enjoyed doing number train activity by putting the numbers in order further enhancing their recognition skills.

It helped the little ones in developing concepts of numerical sets further practicing each number with its real quantity and also engaging their senses including tactile, visual, muscular and kinesthetic skills.

# RHYME RECITATION

Rainy season is associated with festivals and rituals. It is a season that connects people to Earth and to each other, fostering deep appreciation for the natural world. It's a time of reflection and renewal, where nature reminds us of its power and beauty.

To celebrate this season a RHYME RECITATION SESSION was held where in kids recited rhymes related to this season with beautiful props. The children beautifully sang "I hear Thunder", " Rain Rain Go Away", " Pitter Patter Rain Drops" and the crowd favourite "It's raining! It's Pouring !"

# COSMIC STORY TELLING ACTIVITY

It was a day well spent as our kindergarteners embarked in a journey filled with wonder and joy. Storytelling session ignited their imagination, sparked creativity and enhanced their confidence. Children presented their stories with various props, charts, pictures, creative gestures and facial expressions. Eager faces and sparkling eyes reflected their boundless love for space.

The "SPEAK ON SESSION" was a heartwarming event. Children were thrilled to share all about themselves during the " I CAN SPEAK" session. With beaming smiles on their faces, the little ones took turns sharing their names, ages and their favourite things like toys, animal and fruits. Each child spoke with such enthusiasm and confidence, revealing their unique personalities. The session was a wonderful opportunity for our toddlers to develop their communication skills and make them feel proud of who they are.

Congratulations!
