ASSEMBLIES

***GURU NANAK
JAYANTI 2022***

नानक नाम चढदी कला, तेरे भाणे सरबत दा भला..

Nanak, with your name comes prosperity and with your blessing, peace for everyone

On the joyous festival of Guru Nanak Jayanti, Class VIII students of MVN ARAVALI HILLS presented a special assembly on 09th November, 2022 which marked the 553rd birth anniversary of Guru Nanak Dev ji. Dressed in radiant traditional Punjabi attire, the students presented songs, enactment and dance to bring home the relevance of the festival to the young generation. The assembly commenced with Gurubani. Serenity and peace prevailed in the air as the students sang the shabad. The students depicted glimpses of the sacred life of Guru Nanak Devji through well presented enactment. A presentation enlightened the students about the teachings of the Guru Nanak which reminds us time and again that essence of all religion lies in oneness of God. Students dressed as Panj Pyaras led the Nagar Kirtan which truly brought out the essence of the festival. The assembly concluded with a lively and vibrant dance presentation through which the students showcased their devotion to the Guru. In their closing address, Principal, Ms. Neeta Arora and the Vice Principal, Ms. Mona Dua congratulated the students on their wonderful presentation and also brought home some significant aspects of this festival.

DIWALI

is a festival of lights and one of the most awaited festivals of the year. The festival usually lasts five days and is celebrated during the Hindu lunar month of Kartika (between mid-October and mid-November). One of the most popular festivals of Hinduism, Diwali symbolizes the spiritual "victory of good over evil, light over darkness, and knowledge over ignorance". Students of MVN, Aravali Hills celebrated Diwali and Bhai Dooj 2022 with an enthusiastic assembly, showcasing various facets of the festival- from soulful Bhajans to mesmerizing renditions, every song left the students spellbound. Emphasis was laid on celebrating a green and clean Diwali through an impactful Nukkad Natak. A short play from the life of Lord Rama and a beautiful dance performance culminated the event on a cheerful note.

MERRY
CHRISTMAS

Happy New Year

A New Year means a new chapter and brings with it new hope and new opportunities and that definitely calls for a celebration. Students of class VIII celebrated the joyous festival of Christmas and New Year in a special assembly. The students spread the mirth and euphoria through their various performances. Their musical renditions and rhythmic dance performance left everyone in high spirits. A poem and a skit were also presented to share the values of Christmas.

Happy Lohri

**Happy
Republic Day**

Festivals are a period of celebration and infuse our lives with joy and excitement. The festivals prompt us to be thankful for God's provisions and to celebrate His creations. On 30th January, 2023 Class VIII students of MVN ARAVALI HILLS celebrated two special days the Republic Day and Lohri and brought out the significance of these two festivals through colourful and zestful presentations.

The students took pride in glorifying and celebrating the spirit of unity and brotherhood through a plethora of activities. The patriotic songs, speeches highlighting the significance of the days, dance performances filled the hearts of the audience with patriotic fervour and love for one's culture. It was captivating to see students dressed in tricolours and colourful attire. True to the theme the resplendent dance performance was a fitting finale to the entire presentation.

EVENTS

DAY TRIP FOR CLASS VIII TO NEHRU PLANETARIUM, WAR MEMORIAL AND WASTE TO WONDER PARK

The happiest memories of school life are made on school trips. A day trip is a great way for the students to interact, explore and enrich. The excitement and enthusiasm of the students was palpable when they set off for their day trip on 5th November, 2022. The first destination in their itinerary was Nehru Planetarium in New Delhi. The space has always been an appealing topic and exploring its mystery is always a human endeavour. The show at the planetarium about the outer space, constellations, galaxy etc was a wonderful experience for all and must have set many young minds ticking about the intriguing outer space. From Nehru Planetarium, the group headed for the National War Memorial near India Gate. This memorial is a valuable source of inspiration for our future generation. The Memorial pays tribute to soldiers who laid down their lives defending the country in various wars post independence. After enjoying a sumptuous lunch at the sprawling lawns of Indraprastha Park, the group proceeded to the 'Waste to Wonder Park'. It was an amazing experience for the students to see the marvels created by waste. The park has seven replicas of the seven wonders of the world which are installed in the beautifully landscaped park. It was a fun filled day for the students and they returned with happy faces and heartful of wonderful memories of the day.

"Earth and sky, wood and fields, lakes and rivers, the mountains and the sea are excellent schoolmasters and teach us more than we can ever learn from a book."

A day trip was organised for the students of class IX and X to Vishalgarh Farm. This was definitely a wonderful experience for the students. The day brought in the much needed fun and frolic mixed with adventure and learning. The students basked in winter sun and undertook many fun activities such as Burma bridge, commando net, zip lining, enjoying puppet show, dancing with DJ.

This excursion provided a unique, informal way of learning and helped in building a strong bond between teachers and students.

CO-CURRICULAR ACTIVITIES

**BEST
OUT OF
WASTE**

BEST OUT OF WASTE

"Recycling things is like magic that turns ordinary things into extraordinary"

Creative and imaginative minds came together to create innovative and decorative items from different waste materials as the students of class VIII participated in the 'Best Out of Waste' activity on 03/11/2022 as a part of their weekly activity. Children used reusable and recyclable materials like ice cream sticks, plastic boxes, straws etc to create amazing array of decorative and utility items. The aim of the activity was to make the children aware of preserving the environment by sustainable use of resources. The activity not only honed the artistic fervour among the young participants but also made them better stewards of environment by following the principles of reuse and recycle.

BLACKOUT

'Poetry is the rhythmical creation of beauty in words.'

Edgar Allan Poe

Usually a poem is words and phrases strung together to create a beautiful piece of literary work. Blackout Poetry is all about the words one chooses to obliterate to create a new poetry. MVN Aravali Hills organised 'Blackout Poetry' as a part of the weekly activity on 13th October, 2022 for the students of Class VIII. The theme for the activity was 'War and Peace'. It was a pair activity and students got thirty minutes for preparation and 2 minutes for presenting their poetry. The activity challenged the creative expression of the students and they learned how one can come up with a new piece of literary work by choosing words according to the theme and manipulating text. It is an interesting way to initiate the skill of poetry writing among the amateurs who may later blossom into poets of great merit.

SOFT BOARD DECORATION COMPETITION

Soft boards are a canvas of ideas and imaginations. They give a platform to the students to showcase their creativity. This activity gives an impetus to the students to explore new themes and innovative ways of presenting them on board. Class VIII students presented their boards on the topic 'Managing Exam Stress' and the topic for Class IX was 'Indian Authors'. The House Boards were presented on the topic 'Harvest Festivals'. In a nutshell it was a fun-filled activity that widened the horizons of thinking and encouraged group activity among students.

ANNUAL
FUNCTION

SAMRAT VIKRAMADITYA

*The invincible
Son of Valor*

*"His justice reveals his majesty
His power describes his tenacity
Such is the unconquerable stellar
Vikramaditya was a legendary king
with unmatched valour."*

Indian cultural history is replete with myths and legends. Stories of brave warriors and great rulers mixed with extravagance serve as a perfect blend of history and mythology. King Vikramaditya was one such example. His courage, righteousness and valour were exemplary to the extent that his name itself became a coveted title for any king who achieved a great feat.

With the intention to revive the glory of the great "Samrat Vikramaditya" the students of Classes VI-X put their best foot forward by organising a grand and magnificent Annual Function. The function was resplendent to watch and had mesmerizing performances that left the audience awe struck.

PRERNA- The Light of Inspiration ' is an Annual Event to commemorate the death anniversary of our beloved Founder Principal Shri Gopal Sharma

'Prerna 2022-Punah Srijan-Revival with Resilience' was a part of our continuing commitment to follow Sir's footsteps and rekindle the value of resilience among the students. Many schools participated with zeal and fervor and contributed to make this Annual Inter School Meet a huge success.
