I WONDER IF.....

Is it the mistake of
the generations that passed by
but they say it's us,
I think it's a lie.
It's our twin in the blame game
And the next is their's
But for the coming generations,
Is it really fair?
Let's do it for them
Let's cover our mistake
with brown fertile soil
A lush green forest near the Lake
Don't be in a delusion
that we are doing something noble
We had to do this someday.
So let's go green Global
