EDITION – III

OCTOBER – DECEMBER 2025

Dear Students

School is a place where lessons go beyond textbooks and learning happens in countless meaningful ways. It is where you grow not only academically but also personally—building friendships, shaping your character and discovering the unique talents that make you who you are. Each day at school offers a fresh opportunity to learn something new, not just from your teachers but from your classmates, your experiences and even the challenges you encounter. Remember, learning is a lifelong journey, and every small effort you make adds value to your growth.

It is important to understand that success is not defined solely by marks or grades. True success lies in your effort, perseverance and willingness to keep trying, even when things feel difficult. Challenges and mistakes are a natural part of learning. They are not signs of failure but stepping stones to improvement. Every time you learn from a mistake and try again, you build resilience, confidence, and determination—qualities that will guide you well beyond your school years.

Being a student also means learning how to be a kind and responsible individual. Showing respect, helping a classmate in need, listening attentively and expressing gratitude toward teachers and peers all contribute to a positive and caring school environment. Small acts of kindness have the power to brighten someone's day, and together, they help create a school where everyone feels safe, valued and included.

Curiosity is one of your greatest strengths. Ask questions, explore new ideas, and never hesitate to think differently. The world is full of possibilities waiting to be discovered.

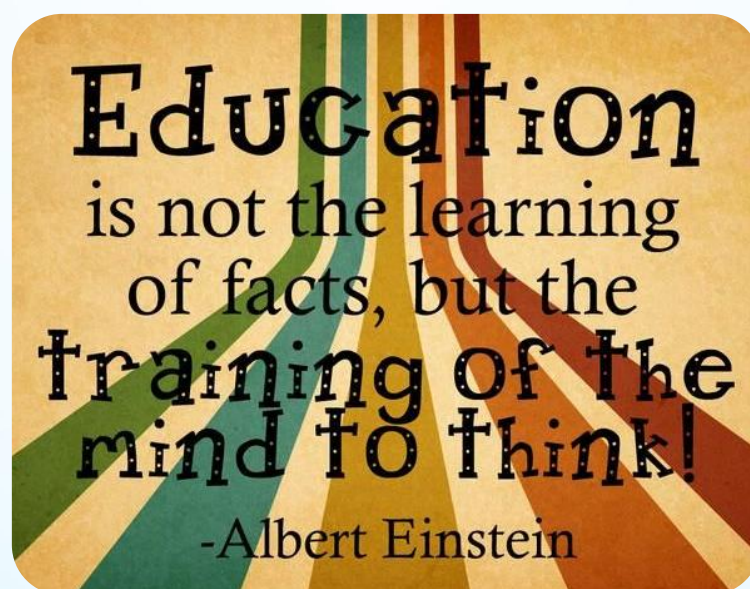

The knowledge and skills you gain in school lay the foundation for your future. Whether you are learning a new subject, discovering a hidden talent or participating in sports and activities, every experience plays an important role in shaping the person you are becoming.

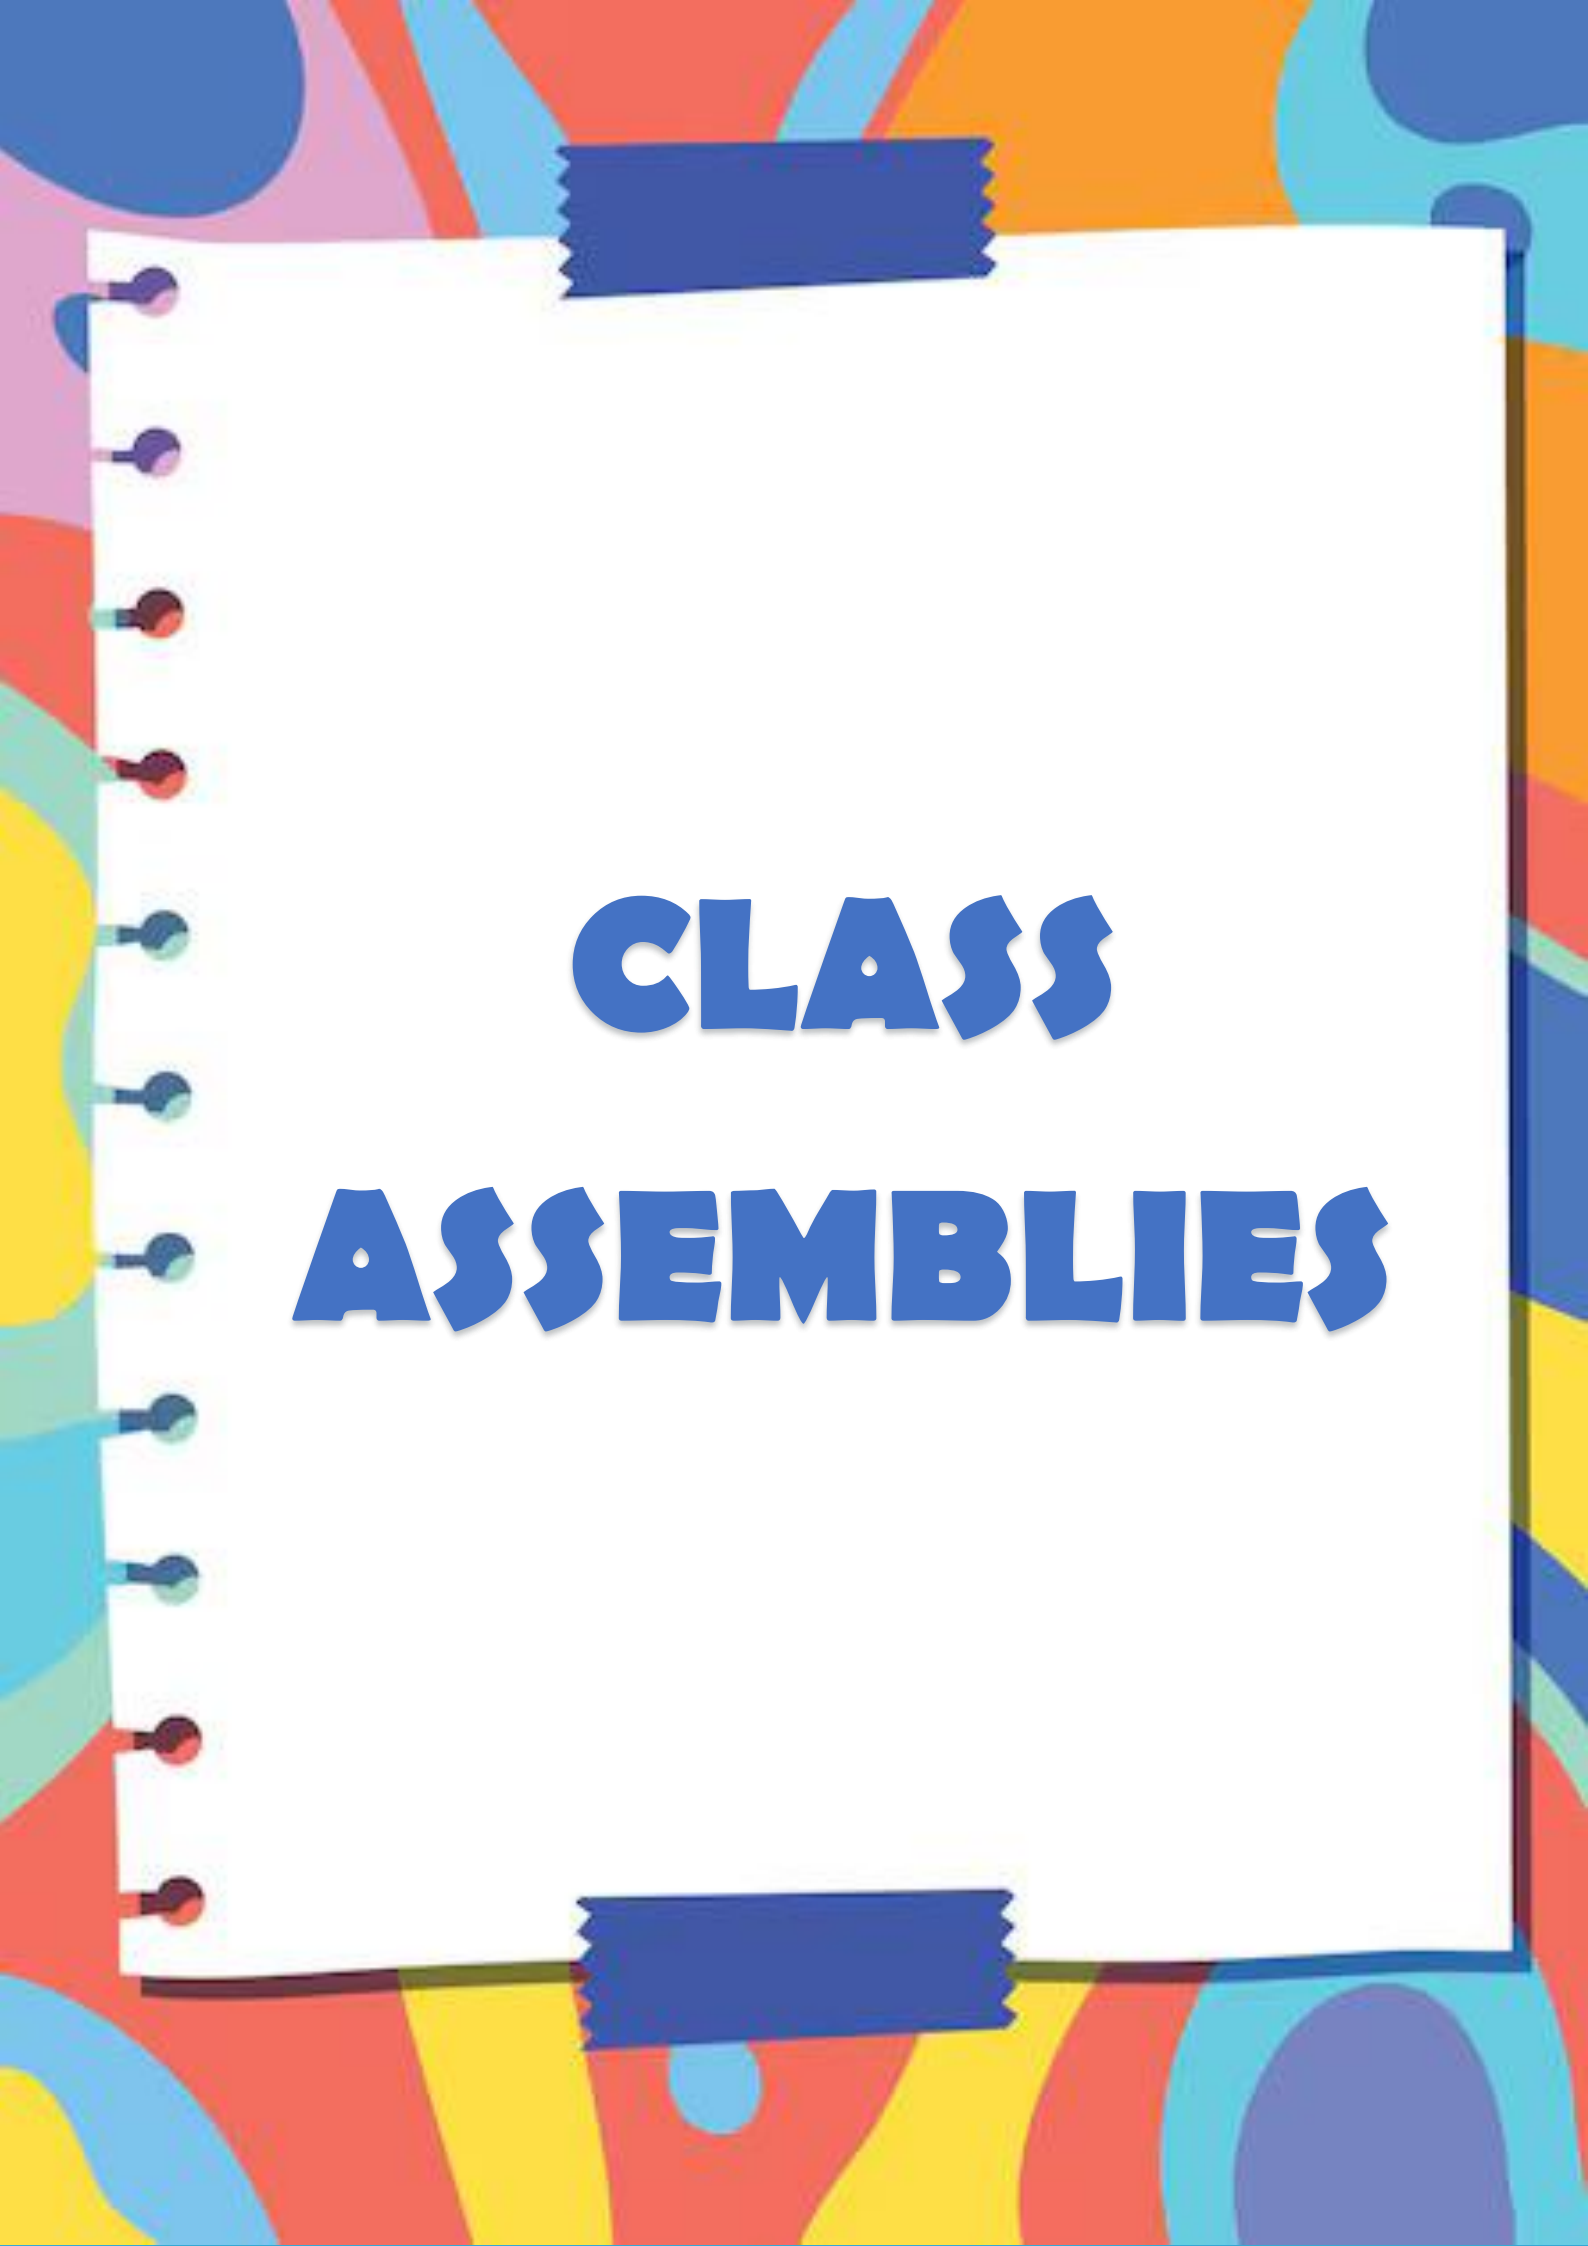

Above all, believe in yourself. Self-belief is the key to achieving your dreams. Trust your abilities, value your ideas and know that your efforts truly matter. Celebrate your achievements, no matter how small and view every challenge as an opportunity to grow stronger and wiser.

As we move forward in this school year, let us all promise to give our best, support one another, and make our school a place where learning is joyful and inspiring. Each new day brings a chance to shine—embrace it with enthusiasm, curiosity and kindness. Together, we can make this year memorable with learning, friendship and success.

Ms. Stuti Aggarwal

Educator

CLASS ASSEMBLIES

INTERNATIONAL DAY OF THE GIRL CHILD

"Empowered girls empower the world."

International Day of the Girl Child, observed on 11th October, heralds a global commitment to recognizing the boundless potential, resilience and rights of every girl. Our Grade IV Aster students commemorated this occasion with a vibrant and enlightening class assembly, celebrating girlhood, education and empowerment in all its luminous forms.

The assembly commenced with a soulful Saraswati Vandana, venerating Shakti, the eternal divine energy, followed by a mesmerizing dance-drama that addressed societal stigmas while championing the pivotal role of education in shaping empowered girls. Students eloquently recited thought-provoking quotes and evocative poems, highlighting the profound significance of this global observance and an enactment underscored the transformative influence of educated women in dismantling social evils and fostering societal progress.

A truly inspiring and heartening celebration of empowerment, awareness and hope, reaffirming that when girls rise, society flourishes.

SHUBH DEEPAWALI

The students of Grade V Camellia presented a vibrant and heartwarming assembly on the joyous festival of Diwali. The celebration began with the invocation of the Almighty through a soulful bhajan, filling the atmosphere with divine energy. This was followed by beautiful poem recitations that highlighted the spirit of light and togetherness.

A thought-provoking speech enlightened the audience about the significance of Diwali and the ways it is celebrated across the country. The centre of attraction was a captivating skit depicting the homecoming of Lord Rama, Lakshmana and Sita after 14 years of exile, which left everyone spellbound. The students, through an interactive session, highlighted a significant message—embracing an eco-friendly Diwali and nurturing love, harmony and care for the environment. The event concluded with a mesmerizing dance performance that filled the atmosphere with festive cheer and vibrant energy.

HARYANA DAY

The students of Class IV Bluebells presented a special assembly celebrating Haryana Day with enthusiasm and pride. The program featured a soulful Ganesh Vandana, thought of the day, news headlines and an engaging presentation on Haryana's history, culture and achievements.

The highlights included a poem on Haryana, glimpses of famous places and traditional cuisine and tributes to state icons like Rao Tula Ram, Kalpana Chawla, Geeta and Babita Phogat, Neeraj Chopra and Kapil Dev. The celebration concluded with a vibrant dance performance, showcasing the true spirit of Haryana.

EVERY CHILD IS SPECIAL

“Children are like buds in a garden and should be carefully and lovingly nurtured, as they are the future of the nation.”

— Pandit Jawaharlal Nehru

Grade III Bluebells students brightened the morning with a joyful and heartwarming Children’s Day Assembly celebrating the theme “Every Child is Special.”

The assembly began with an inspiring thought of the day, reminding everyone that every child carries a light within them, full of dreams, hope and magic. This was followed by a beautiful poem recitation by our young learner, who expressed their innocence, joy and gratitude through their charming voice and expression.

The highlight of the program was the delightful skit titled “The Magic Classroom – Every Child is Special!” Our talented students brought the stage alive with humour, energy and emotion — showcasing painters, dancers, scientists, singers, kind-hearted helpers and even the class joker!

The skit delivered a powerful message: ✨ Every child shines in his own unique way.

Adding more excitement, a fun and lively quiz on cartoon characters was also conducted. The children were thrilled to answer questions about their favourite animated heroes!

To conclude the assembly, students presented a vibrant and cheerful dance performance, filling the atmosphere with excitement and celebration. Their enthusiasm and teamwork truly made the stage come alive.

THE MAGICAL SEASON OF WINTER

"Winter teaches us that even in the coldest moments of life, a little warmth from the heart can make everything bright."

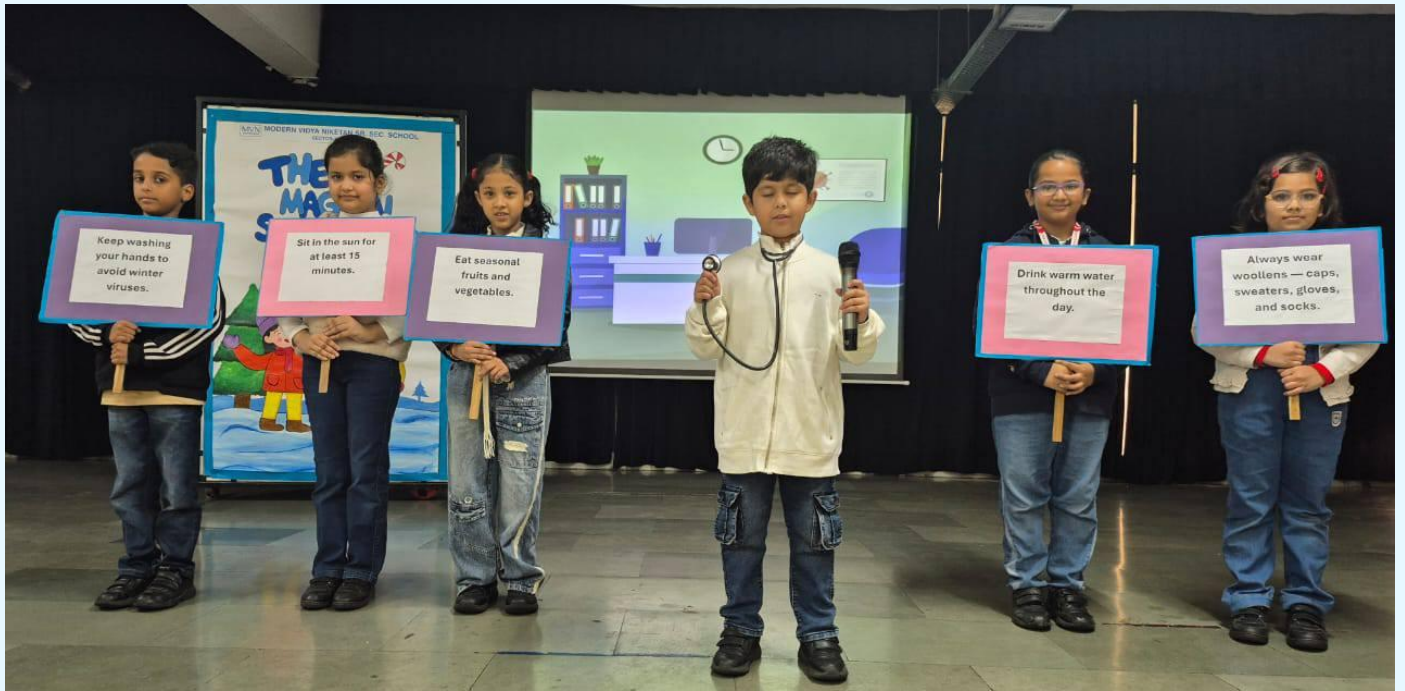

The talented students of Grade III Camellia presented a delightful assembly on "The Magical Season of Winter."

The morning began with a soulful prayer, followed by Thought of the Day that set the tone for the celebration.

Students beautifully presented a poem on 'Winter', a speech on the significance of winter and shared interesting insights about the season. The highlight of the assembly was the engaging skit, where children showcased winter habits, seasonal changes and simple ways to stay warm and healthy. Their expressions, confidence and teamwork filled the stage with joy and winter magic.

The performance was a perfect blend of learning, creativity and seasonal cheer—warming every heart just like a bright winter sun.

THANKSGIVING DAY

The students of Grade II Aster conducted a warm and meaningful assembly on the theme 'Thanksgiving Day', celebrating the values of gratitude, kindness and appreciation. The programme began with a thoughtful introduction that highlighted the origins of Thanksgiving as a harvest festival and its transformation into a celebration of acknowledging life's blessings. Thought-provoking quotes on gratitude and a brief news update set a positive and informative tone for the morning.

A short skit titled "The Lost Thank You" added charm and depth to the assembly. Through simple classroom scenes, the skit conveyed how easily we forget to use kind words in our daily lives and how gratitude returns when we pause to appreciate the people and things around us. A gentle and expressive poem on thankfulness further enriched the presentation, followed by a short explanation of Thanksgiving traditions. A joyful dance performance and a melodious thanksgiving prayer brought the programme to a heartfelt close.

Overall, the assembly beautifully reminded everyone that thankfulness is not limited to a festival or a single day. It encouraged students and teachers alike to adopt gratitude as a daily habit, recognizing that even a small "Thank you" has the power to brighten someone's day and make the world a kinder place.

SHARING IS CARING

The students of Grade II Bluebells conducted a thoughtful and heart-warming morning assembly on the theme “Sharing is Caring.” The assembly aimed to help young learners understand the value of sharing, kindness and empathy in their daily lives.

The programme began with a warm welcome followed by the thought of the day, which highlighted how sharing not only helps others but also brings joy and satisfaction to the one who shares. This was followed by the news headlines, where students confidently presented national, international and school news.

A delightful poem on sharing was recited by the children, expressing how simple acts of giving can brighten someone’s day. The highlight of the assembly was a short and meaningful skit, where students enacted a classroom situation showing how sharing crayons and helping one another can turn a sad moment into a happy one. The skit beautifully conveyed that sharing builds friendships and spreads happiness.

The assembly also included a pledge, where students promised to be kind, helpful, and considerate in their everyday interactions. The session concluded with the takeaway message:

“When we share, we care. And when we care, we create a happier world.”

Overall, the assembly was engaging, inspiring, and full of smiles. The students showcased confidence and conveyed an important life lesson—that sharing is a simple but powerful act that connects hearts and strengthens community bonds.

SAVE WATER

Our talented students of Grade I Aster presented an impactful assembly on the theme Save Water – Jal Hai To Kal Hai.

The highlight of the assembly was the powerful nukkad natak, where children confidently spread the message of water conservation.

The wonderful dance performance left the audience truly mesmerized.

Through their presentations, the students shared simple yet meaningful ways to save water and reminded everyone why conserving it is essential for our future.

DISCIPLINE

Our young learners of Grade I Bluebells presented a meaningful and inspiring Class Assembly on Discipline, showcasing how small daily habits build strong character and success.

Our students shared powerful thoughts reminding us that discipline is choosing what matters most, helping us stay focused, responsible and motivated.

With confidence and clarity, the speakers explained how discipline helps us manage time, respect rules and work towards our dreams. They beautifully connected discipline with real-life examples that every child could relate to.

Our budding poets presented wonderful poems filled with rhythm and positivity. Their verses highlighted how discipline helps us wake up on time, finish work neatly, be kind and make wise choices every day.

The assembly came alive with a graceful dance that symbolized balance, harmony, teamwork and self-control. The performers expressed through movement how discipline brings order and beauty into our lives.

MERRY CHRISTMAS & HAPPY NEW YEAR

Christmas is a festival of joy, love and sharing. It reminds us of the birth of Lord Jesus Christ, who taught the values of kindness, forgiveness and compassion. Christmas fills our hearts with hope and happiness and encourages us to spread love and peace all around. It is like a beautiful reminder to be kind and caring towards everyone. God bless you all on this joyful occasion of Christmas.

A Special Assembly on Christmas Day was hosted by the students of Grade I Camellia. The students presented a colourful and heart-warming assembly.. The assembly began with a prayer followed by a melodious Christmas carol. The children beautifully presented a speech, poems, a skit on the birth of Jesus Christ, Christmas message and a lively group dance that filled the atmosphere with festive cheer.

Christmas teaches us the importance of love, sharing and helping others. Let us celebrate this festival by spreading smiles, kindness and goodwill. May this Christmas bring peace, happiness and prosperity to everyone!

Classroom Activities

GANDHI JAYANTI

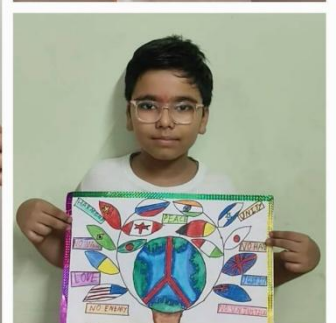

On 2nd October, the students of Primary Wing celebrated the birthdays of Mahatma Gandhi and Lal Bahadur Shastri.

The students of Grade II planted saplings and decorated plant pots to spread the message of green living. Students of Grade III made Gandhi ji's glasses and paper caps and prepared small write-ups about his life and values. A Poster Making Activity was conducted by Grade IV students, where they drew posters highlighting truth, non-violence and harmony.

Teachers shared with students the importance of Mahatma Gandhi's principles of Ahimsa and Satyagraha and Lal Bahadur Shastri's inspiring slogan 'Jai Jawan, Jai Kisan'.

With the celebration everyone took a pledge to follow the path of truth, peace and simplicity in their lives.

DIWALI CELEBRATION

A Sparkling Diwali with Creative Little Hands!

Our school corridors shone extra bright as our Primary Wing students turned into little artisans, crafting delightful Diwali take-homes for their parents!

Each grade poured their heart and creativity into making something truly special:

Grade 1 – Glittery Lanterns that twinkled with joy

Grade 2 – Beautifully Decorated Diyas spreading warmth and love

Grade 3 – Colourful Paper Lanterns lighting up smiles

Grade 4 – Artistic Candle Holders glowing with creativity

Grade 5 – Vibrant Bandarwars adding festive charm to every home

The little MVNites celebrated the true spirit of Diwali — sharing happiness, expressing love and spreading light!

GRATITUDE GIFT ACTIVITY

On the joyous occasion of Diwali, our students celebrated the festival in a truly meaningful way.

To instill the spirit of sharing, caring and gratitude, our young MVNites brought small gifts from home, lovingly packed them on their own and presented them to the support staff who work tirelessly every day to help the school work smoothly.

The smiles on everyone's faces reflected the true essence of Diwali — the joy of giving and thanking those who make our lives brighter.

GURUPURAB

On the occasion of Gurupurab, the students of the primary wing participated in various activities.

- Grade 1 – Story Session

Little learners enjoyed a beautiful storytelling session about Guru Nanak Dev Ji, learning lessons of kindness and honesty through simple inspiring tales.

- Grade 2 – Gurupurab Reflections

Children shared heartfelt reflections on Guru Nanak's teachings and how they can follow them in their daily lives.

- Grade 3 – Speak on Gurupurab

Confident voices spoke about the significance of Gurupurab, spreading the message of peace and unity.

- Grade 4 – Story Session

Students listened to inspiring stories that highlighted Guru Nanak Dev Ji's message of equality and humility.

- Grade 5 – Shabad Singing

Our young singers created a soulful atmosphere with beautiful Shabad recitations, filling everyone's hearts with devotion.

The day was filled with learning, gratitude and spiritual joy as children celebrated the legacy of Guru Nanak Dev Ji.

CHILDREN'S DAY CELEBRATION

“Every child is a different kind of flower, and all together, they make this world a beautiful garden.”

The Primary Wing celebrated Children's Day with great enthusiasm and joy. The day was filled with laughter, music and exciting activities planned especially for the young learners. To make the celebration memorable, the teachers presented a delightful musical performance by singing songs for the students, which the children thoroughly enjoyed.

A variety of fun-filled games and activities were organized to keep the students engaged and entertained. Children participated enthusiastically in games such as Flip and Trap the Ball, Fish It Out, Forming Compound Words Using Pictures, Basket the Ball, Arrange the Indian States, Tic Tac Toe and many more. Each activity brought out their creativity, teamwork and competitive spirit.

Adding sweetness to the celebration, the students were also given chocolates, which brought bright smiles to their faces.

The celebration created a cheerful and vibrant atmosphere, making the day truly special for every child. It was a wonderful reminder of the joy, innocence and energy that children bring to our lives.

“Children are the heartbeat of a nation, the hope of tomorrow and the joy of today.”

FITNESS ACTIVITIES

"Physical activity is not only one of the most important keys to a healthy body, it is the basis of dynamic and creative intellectual activity."

– John F. Kennedy

At MVN, we believe that when children move, explore and express themselves, their minds open to endless possibilities. Every action, every stretch, every rhythm, every breath adds to their confidence and nurtures their inner spark. Physical expression becomes their language of joy, discipline and discovery.

Our cheerful Tuesday Activity Hour once again turned the Primary Wing into a hub of energy and excitement.

- Grade I lit up the stage with their delightful Solo Dance Competition, twirling with innocence and confidence as music brought out their brightest smiles.
- Grade II transformed the arena into a zone of fitness and fun, performing Aerobics with striking coordination and unstoppable enthusiasm.
- Grade III explored calmness and strength through Yoga, learning how breathing, balance and mindfulness create harmony between the mind and body.
- Grade IV built their power and posture with a vibrant Dumbbell activity, showing remarkable discipline and teamwork.
- Grade V raised the energy even higher with their dynamic Aerobics session, combining stamina, rhythm and joyful expression.

The day was filled with laughter, learning and lively performances. Students not only enjoyed the activities but also carried home memories that inspire confidence, creativity and a love for staying active.

CONSTITUTION DAY

To commemorate the Constitution Day, a series of meaningful and engaging activities were organized for students from Grade I to Grade V. Each activity was designed to help children understand the spirit of the Indian Constitution, its values and the contributions of Dr. B. R. Ambedkar.

- Grade I – “Know Your Duties”

Students of Grade I were introduced to the basic Fundamental Duties in a simple and child-friendly manner. Through stories, pictures and short discussions, they learned the importance of being responsible citizens. The activity helped them understand everyday duties such as respecting others, keeping the environment clean and being kind and helpful.

- Grade II – “Pledge”

Grade II students enthusiastically participated in reciting the Indian Constitution Day Pledge. With confidence and clarity, they promised to uphold the values of equality, justice and fraternity. This activity aimed to instill a sense of national pride and responsibility from a young age.

- Grade III – “Quiz on the Life of Dr. B. R. Ambedkar”

To honour the Architect of our Constitution, Grade III students took part in an interactive quiz on the life and contributions of Dr. B. R. Ambedkar. The quiz encouraged curiosity and helped students understand his struggles, achievements and vision for an inclusive India.

- Grade IV – “Preamble Song & Dance on Constitution of India”

Grade IV showcased their creativity through a Preamble Song followed by a vibrant dance performance highlighting the values enshrined in the Constitution. The rhythmic presentation helped children connect emotionally with the ideals of justice, liberty, equality and fraternity.

- Grade V – “Speak on Fundamental Rights and Duties”

Students of Grade V actively participated in an oral presentation on Fundamental Rights and Duties. They spoke confidently about their significance in maintaining harmony and democracy in our nation. The activity enhanced their public speaking skills while deepening their understanding of constitutional values.

These activities collectively fostered awareness, respect, and pride in the Indian Constitution among young learners.

SPEAK ON ACTIVITY

Our Primary Wing students successfully conducted an engaging and confidence-building Speak-On Activity for students of Grades I to V. The event aimed at enhancing speaking skills, self-expression, vocabulary development and stage confidence among young learners. Each grade was given an age-appropriate theme that encouraged creativity, observation and clear communication.

Grade I – Describe the things that you are carrying.

The students of Grade I enthusiastically participated by describing the items they had brought with them. They spoke about their school bags, water bottles, favourite stationery and storybooks. The activity helped them build simple sentences and express their thoughts with clarity and excitement.

Grade II – Describe a place like your home, school or a park.

Grade II students confidently described familiar places such as their home, classroom and nearby parks. They shared details about their favourite spots, daily routines and the things they enjoy doing at these places. The activity encouraged observation skills and the use of descriptive vocabulary.

Grade III – Describe the person you like the most.

The students of Grade III expressed their feelings by describing a person they admire the most—parents, grandparents, teachers, siblings or friends. They spoke about the qualities they appreciate and the special bond they share. This helped them articulate personal emotions and practice organized speaking.

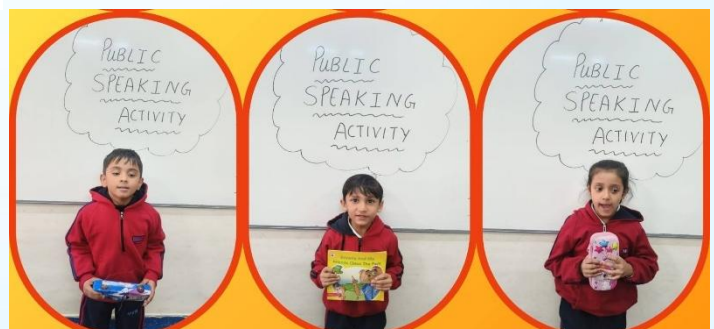

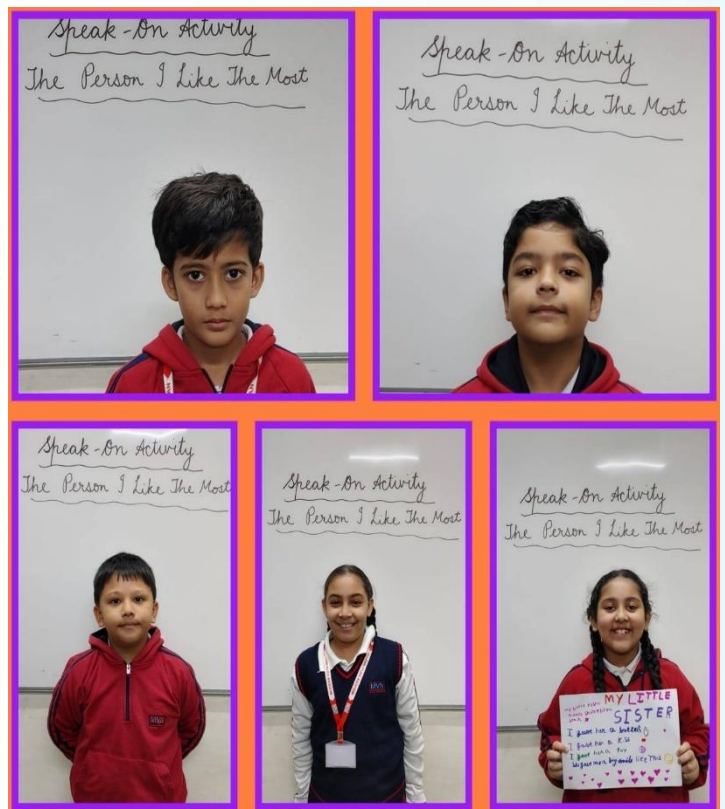

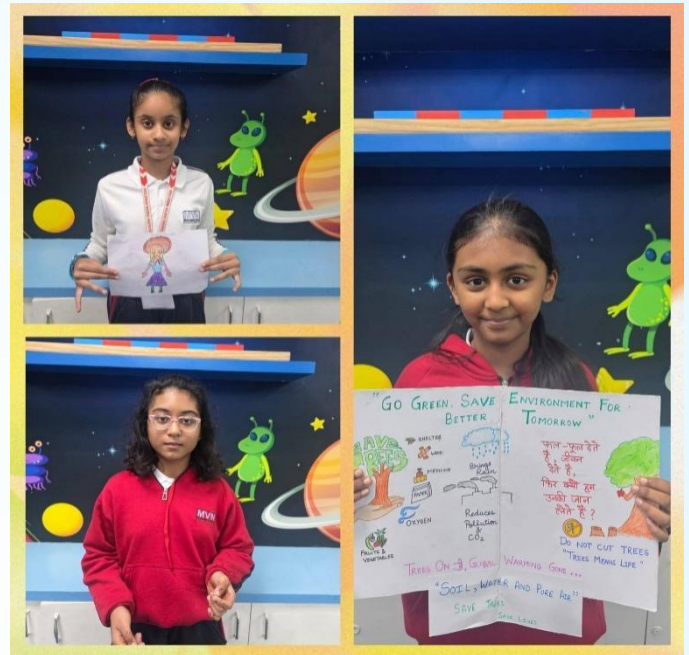

Grade IV – Describe your trip or a visit to a place.

Grade IV students shared memorable experiences from their trips and outings. Whether it was a visit to a hill station, a zoo or a historical monument, students vividly narrated their adventures and learning. This activity strengthened their narrative skills and encouraged them to speak confidently in sequence.

Grade V – Describe a character from your textbook.

The students of Grade V showcased their understanding of literature by describing characters from their textbooks. They spoke about traits, actions and the roles played by various characters, reflecting both comprehension and creativity. This exercise enhanced their analytical thinking and expressive skills.

Overall, the Speak-On Activity proved to be a valuable platform for young learners to develop fluency, confidence and effective communication. The enthusiasm and active participation of the students made the event a great success.

5 WAYS TO WELL-BEING

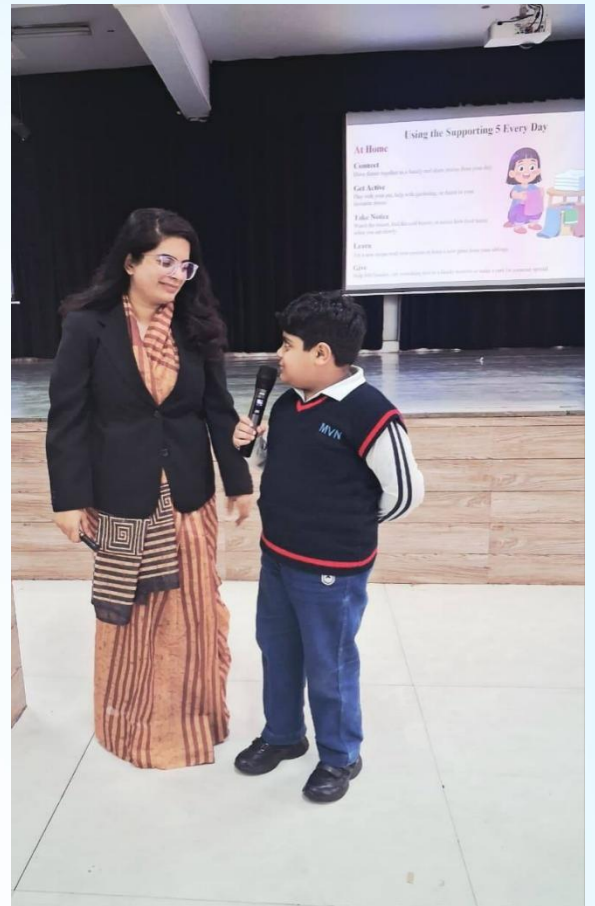

"Well-being grows when small daily habits turn into joyful routines."

The school counsellor Ms. Sreshti Chaturvedi conducted an engaging workshop for the students of Classes IV and V on the theme "5 Ways to Well-Being." The session began with an energising introduction, helping students understand how simple, everyday actions can make them feel happier, calmer and more connected. Each of the five ways - 'Connect, Get Active, Take Notice, Learn and Give' were explained in simple, child-friendly language to help them relate to real-life situations.

Students learnt that 'Connect' means spending happy moments with family and friends, Get Active encourages movement for a stronger body, 'Take Notice' helps them stay mindful of the world around them, 'Learn' inspires curiosity and new skills and 'Give' reminds them to be kind and helpful. To make the session interactive, an activity was introduced where each student selected their favourite way of well-being and shared how they would follow it both at home and in school.

The workshop concluded with lively discussions and enthusiastic sharing, showing how eager the students were to bring these practices into their daily routines. The counsellor appreciated their participation and encouraged them to turn these five simple actions into lifelong habits for a happier and healthier self.

WINGS OF WORDS: EMPOWERING EXPRESSION

To enhance communication skills, a variety of interactive and enriching activities were organised for the Primary Wing students. The school was filled with enthusiasm, creativity and joyful learning.

👧 Grade I delighted everyone with lively Action Rhymes, expressing themselves through rhythm and movement.

👦 Grade II showcased their speaking skills during Show & Tell, sharing their thoughts with confidence and excitement.

🧐 Grade III challenged minds with fun Riddles and Tongue Twisters, enhancing thinking and pronunciation skills.

🎵 Grade IV mesmerized the audience with a melodious English Song, spreading joy through music.

🗣️ Grade V impressed all with Everyday Life Conversations, demonstrating practical communication skills with confidence.

These activities provided a wonderful platform for our young learners to express themselves, build language skills and enjoy learning beyond the classroom.

CHRISTMAS CELEBRATION

“Christmas waves a magic wand over this world and behold, everything is softer and more beautiful.”

– Norman Vincent Peale

🌟 Christmas Creativity in Full Bloom! 🌲

The joyous spirit of Christmas illuminated our campus as students from Grades I to V immersed themselves in a series of thoughtfully curated, age-appropriate creative activities. Each class expressed the essence of the season through imagination, artistry and boundless enthusiasm.

🌟 Grade I joyfully crafted Santa Faces using paper plates, transforming simple materials into delightful symbols of cheer and innocence.

🌟 Grade II showcased their festive flair by creating vibrant Christmas Trees, beautifully reflecting the colours and warmth of the season.

🌟 Grade III designed elegant Christmas Bookmarks, blending creativity with a love for reading—an artful keepsake to cherish.

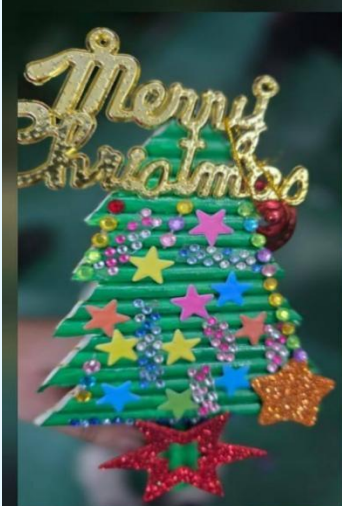

🌟 Grade IV explored aesthetics and precision through a Gift Wrapping Activity, learning the subtle art of presentation and thoughtful giving.

🌟 Grade V demonstrated remarkable originality in Mask Making, bringing festive characters to life with creativity and confidence.

These activities not only nurtured artistic skills but also fostered collaboration, fine motor development and an appreciation for the joy of giving. The classrooms resonated with laughter, creativity and the timeless magic of Christmas—making the celebration truly unforgettable.

🌟 A

EVENTS

SANKALP INTERACT CLUB

Our Interact Club - Sankalp visited Delhi to meet Filipino families currently in India for liver transplants. As part of our outreach initiative, we extended support by providing essential groceries to ease their difficult journey. The visit sought to offer comfort, empathy and encouragement during an incredibly challenging time. Through this heartfelt interaction, our members experienced the true power of compassion and service. The experience deepened our commitment to supporting those in need and reflected the values of kindness, humanity and responsibility that our club strives to uphold.

SANKALP INTERACT CLUB

Acts of Kindness Matter

AN EDUCATIONAL VISIT TO GOONJ NGO

Our school students visited Goonj NGO as part of an educational initiative aimed at enhancing social awareness. The visit began with an introduction session where the team introduced the organisation's objectives, operational model and nationwide impact. This provided students with a clear understanding of Goonj's role in addressing social challenges through responsible resource utilisation.

During the tour, students observed the systematic process of sorting, segregating, and packaging donated materials. They were introduced to key initiatives such as Rahat, which supports disaster-affected regions, and Green by Goonj, which promotes sustainability and mindful waste management. The detailed demonstration helped students understand how organised efforts can transform contributions into meaningful support for communities.

A significant highlight of the visit was Goonj's emphasis on preserving the dignity of individuals receiving aid. Rather than treating donations as charity, the organisation encourages community involvement and respectful engagement. This perspective left a strong impact on the students, making the visit both informative and insightful and fostering a deeper sense of social responsibility.

SAMRIDDHI: ONE FAMILY • ONE PLANET • ONE FUTURE

The Primary Wing hosted its resplendent Annual Function, “Samriddhi: One Family • One Planet • One Future,” on November 1, 2025 — a grand celebration that radiated the spirit of unity, sustainability, and shared prosperity.

The event stood as a vibrant embodiment of the United Nations Sustainable Development Goals (SDGs), reflecting the school’s unwavering commitment to nurturing environmentally conscious, socially responsible, and globally aware learners. Through a kaleidoscope of vibrant performances, our young MVNites brought to life the five symbolic planets — Planet Harit, Planet Ekta, Planet Shakti, Planet Udaan, and Planet Shiksha — each representing a vital pillar of growth and harmony. Planet Harit spread awareness about environmental conservation and climate action. Planet Ekta celebrated unity, compassion, and coexistence among all living beings. Planet Shakti highlighted women empowerment and Gender equality as the foundations of strength. Planet Udaan inspired innovation, imagination, and purposeful progress. Planet Shiksha underscored the transformative power of education that enlightens both heart and mind.

The performances — rich with colour, rhythm, and meaning — not only captivated the audience but also carried powerful messages about caring for nature, embracing diversity, and valuing education as a lifelong journey. Each act echoed the belief that true Samriddhi lies in collective well-being — when every individual, every species, and every element of nature thrives together in harmony.

The event’s success was a reflection of the teamwork, dedication, and enthusiasm of our students, teachers, and parents — each contributing to an evening that beautifully merged creativity with conscience.

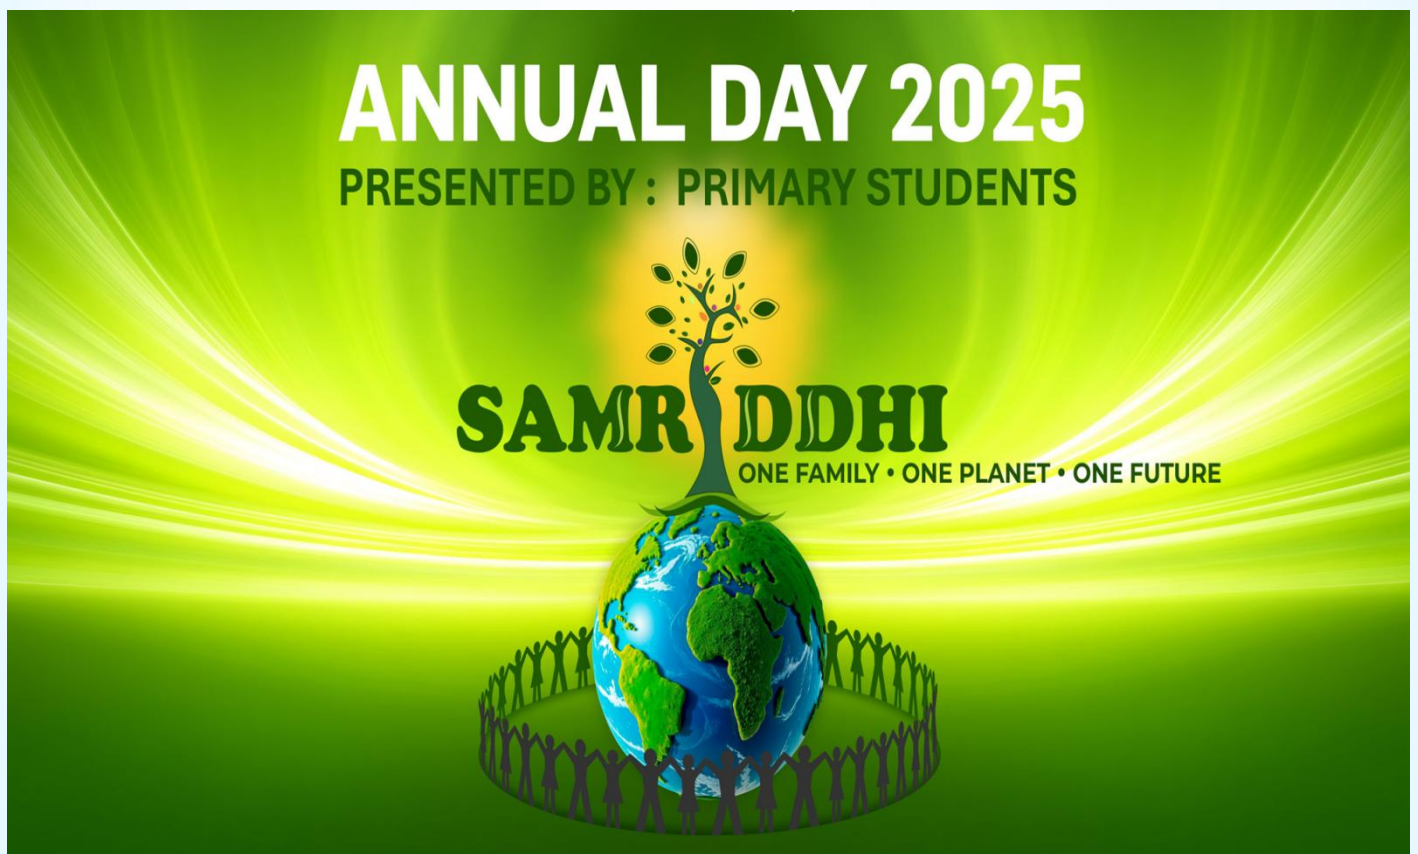

Echoing the spirit of the theme, Director Academics, Dr. Neeta Bali, expressed her visionary perspective: “Samriddhi is not just a celebration; it is a movement towards a sustainable future. We aim to empower our students to be the changemakers of tomorrow.”

She added that true education equips learners not only with knowledge but also with the courage to innovate, to care, and to act — preparing them to meet the challenges of the 21st century with creativity and conscience.

Addressing the gathering, Principal Ms. Agalya Venkatesh shared an inspiring message. “Let us harness the power of unity and sustainability to create a better world, where every individual can thrive and reach their full potential.” She further emphasized that education must go beyond academics — cultivating empathy, respect, and a sense of global responsibility in every child. Her words inspired all present to recognize that our collective future depends on how we nurture both minds and morals.

As the curtains fell on this magnificent evening, the message of Samriddhi continued to resonate — a call to action for every young MVNite to live responsibly, think compassionately, and dream courageously.

With this spirit, Modern Vidya Niketan School reaffirms its commitment to excellence — inspiring its learners to grow as compassionate leaders, creative innovators, and conscientious global citizens who will shape a brighter, sustainable future for all.

SHRADDHANJALI DIWAS – UPHOLDING A TIMELESS VISION

Shraddhanjali Diwas was observed with deep reverence and gratitude as the MVN Family gathered to honour the timeless vision of Respected Shri Gopal Sharma Sir, Founder Principal of Modern Vidya Niketan—an educationist whose ideals continue to guide the institution and inspire generations of learners.

The observance began with a reverential offering of flowers by the dignitaries, including Honourable Mr. Varun Sharma, President, MVN Society, Mr. J. P. Gaur, Director; Dr Neeta Bali, Director Academics; Mr Prem Singh, Director Academics; and Ms. Agalya Venkatesh, Principal, MVN 17. Their quiet gesture of respect set a solemn and reflective tone for the programme. This was followed by a prayer, seeking strength, wisdom, and the resolve to uphold the values that Shri Gopal Sharma Sir stood for throughout his life.

The gathering was then addressed through a thoughtful speech by the Head Boy, Dhruv Sharma, who spoke of Shri Gopal Sharma Sir as a visionary guide and a true Karma Yogi. His words reflected the Founder Principal's belief that education is meant to nurture character, discipline, and resilience, enabling students to face life with confidence and purpose.

The atmosphere deepened as the Karma song, so close to Shri Gopal Sharma Sir's heart, was rendered, echoing the philosophy of selfless action and duty that shaped his journey. This was followed by a Prerna song inspired by his life, capturing his ideals, perseverance, and unwavering commitment to education. The tribute continued with a lyrical enactment, sensitively portraying his philosophy of perseverance and his abiding message of never giving up.

Carrying this vision forward, Respected Mr. Varun Sharma, President, addressed the gathering, drawing a meaningful connection between Shri Gopal Sharma Sir's farsighted thinking and the present times. He emphasised that being truly future-ready lies not merely in keeping pace with emerging technologies, but in developing the ability to observe, understand, and respond thoughtfully to change—supported by a strong foundation in Mathematics, Science, and holistic learning.

Ms. Agalya Venkatesh, Principal, MVN17 in her insightful address spoke about the values that lie at the heart of meaningful success—values that echo the educational philosophy of Respected Shri Gopal Sharma Sir. Highlighting Hard Work, Honesty, and Humility, she shared a simple yet powerful story of balloons of different colours, reminding students that it is not outward appearance but inner strength and character that enable one to rise and succeed.

The programme progressed towards its conclusion with a collective pledge by the students, reaffirming their commitment to values, responsibility, and service to parents, teachers, society, and the nation. In a closing gesture of respect and gratitude, coordinators, teachers, and students offered their Shraddhanjali, expressing reverence through floral offerings and silent reflection.

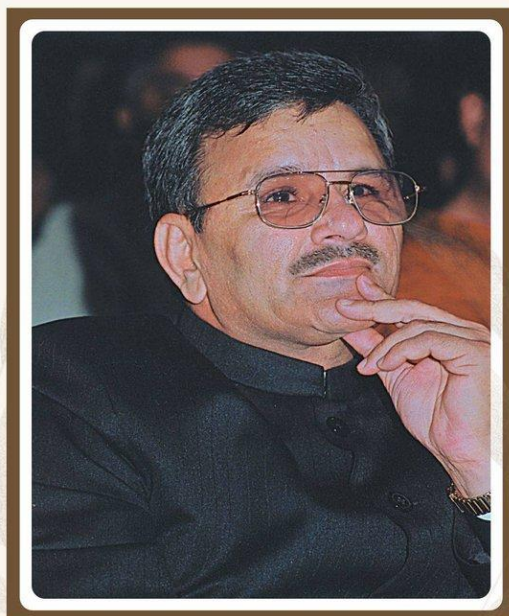

The observance concluded in an atmosphere of quiet dignity, reaffirming the MVN family's commitment to walk steadfastly on the path illuminated by its Founder Principal.

“A vision rooted in values continues to guide, inspire, and shape generations.”

A LIFE SUBLIME, A LEGACY EVERLASTING

SHRI GOPAL SHARMA
FOUNDER - MODERN VIDYA NIKETAN

(23/02/1952 – 19/12/2004)

*In the hallowed precincts of learning, your vision still breathes.
You, the harbinger and the maestro planted the seeds of knowledge,
Shaped tender hearts to soar ever higher.
Sir, you remain our eternal guiding light.*

*What you built is far more than an institution;
It is a sanctuary of thought,
A citadel of aspiration where countless dreams take flight.
Sir, you are, and will always be, our beacon of inspiration.*

*Your legacy of unwavering perseverance calls out to us each day
In the earnest striving of every student, In the steadfast commitment of every educator,
Who carries forward the torch you once kindled,
Sir, you are the enduring spirit that binds us as a community.*

*Your legacy transcends the past;
It is the living heartbeat of our present,
The steadfast compass illuminating our future.
Sir, you are the eternal flame that keeps the MVN spirit alive.*

READ • RESEARCH • REFLECT

Library as a Learning Hub: Read • Research • Reflect Program

An inspiring journey of young readers becoming thoughtful researchers and confident presenters!

Our library transformed into an engaging learning hub as students participated in the Read • Research • Reflect program, working enthusiastically in different teams. Each team explored books, researched their topics, reflected on their learning and presented their ideas creatively through PPTs, props, skits and poems.

The presentation round was a delightful blend of knowledge, creativity, teamwork and expression, showcasing students' confidence, critical thinking, and communication skills. This enriching experience truly highlighted how libraries nurture curious minds and joyful learners beyond textbooks.

It was a wonderful celebration of collaborative learning and young voices!

LIBRARY AS A LEARNING HUB - READ-RESEARCH-REFLECT PROGRAM

“Where curiosity meets creativity and every student becomes a lifelong learner.”

AN EXCITING DAY AT KIDZANIA

The students of Grades I to III had a wonderful and memorable time during their visit to KidZania, Noida. The trip was filled with joy, learning, and endless fun as our young learners enthusiastically participated in various engaging activities.

The children enjoyed exploring different roles such as working in the Kinder Joy Factory, becoming brave firefighters, experiencing the Pizza Factory, Parle-G Biscuit Factory, Baby Care Centre, and the Hospital. The lively DJ dance session added extra excitement and energy to the day.

They also relished the delicious food served there, which added to their happiness. The beautiful Christmas decorations created a festive atmosphere and made the experience even more special.

Overall, it was a joyful day full of smiles, learning, and unforgettable memories for our little ones.

AN EDUCATIONAL TRIP TO AKSHARDHAM TEMPLE

“When we learn good values, we grow into better human beings.”

The Akshardham Temple is a famous spiritual and cultural place located in New Delhi. It is known for its beautiful carvings, peaceful surroundings and strong message of Indian culture and values. The word Akshardham means the eternal home of God.

An educational trip to the Akshardham Temple was organised for the students of Grades IV - VII on 23rd December, 2025. The students were very excited as it was a day full of learning and enjoyment.

During the visit, the children watched an interesting show that depicted the life and teachings of Shri Swaminarayan. They also enjoyed a wonderful boat ride, which took them through India's rich history, traditions and achievements. The boat ride was the most exciting part of the visit and left the students amazed.

The students were mesmerised by the grand architecture of the temple and the beautiful displays of animals, plants and figures that taught lessons of kindness, honesty and respect. The calm and clean environment helped the children understand the importance of peace and good values.

The trip was both educational and enjoyable. The students returned with happy memories, new knowledge and a deeper respect for India's culture and heritage. It was truly an enriching and memorable experience for everyone.

ACHIEVEMENTS

CBSE REGIONAL SCIENCE EXHIBITION 2025

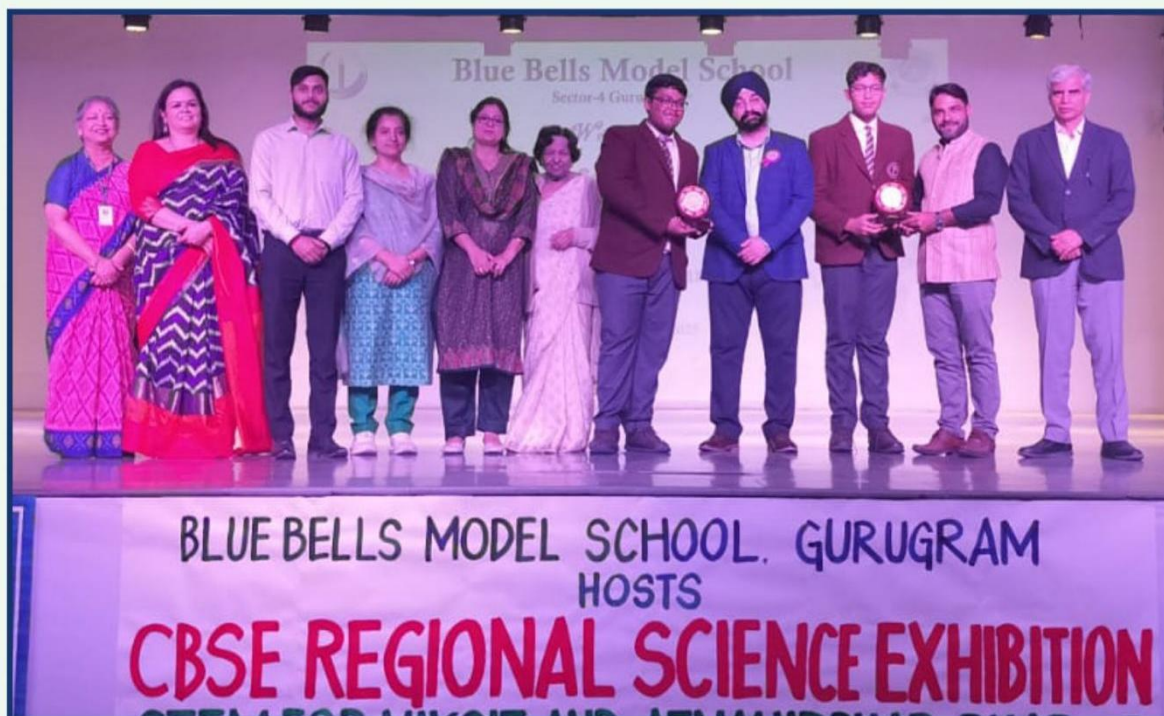

TEAM MVN 17 QUALIFIES FOR NATIONALS IN CBSE REGIONAL SCIENCE EXHIBITION

Our senior-category project, “Waste to Watts,” presented by Class IX students Moksh Sharma and Krishna Thakral, impressed the jury with its creativity, scientific temperament, and sustainable vision. The project earned a well-deserved spot in the national round under the theme “STEM for Viksit & Atmanirbhar Bharat” and the sub-theme “Green Energy.”

This remarkable achievement highlights the dedication, innovation, and problem-solving brilliance of our students and their mentors. Team MVN continues to shine as a hub where ideas grow, minds innovate, and future scientists take shape.

A hearty congratulations to our young achievers—wishing them the very best as they move forward to represent MVN at the national stage!

TEAM MVN 17 SHINES & QUALIFIES FOR NATIONALS IN CBSE REGIONAL SCIENCE EXHIBITION (2025–26)

Heartiest Congratulations ! God Bless !!

CLAT 2025

We proudly celebrate the remarkable success of our students in the CLAT 2025 (Common Law Admission Test).

Heartiest congratulations to our star achievers:

✨Yatika Agrawal (Class XII) – AIR 644

✨Sweta (Class XII) – AIR 1136

Your dedication, perseverance, and academic excellence have brought great honour to the MVN family. This achievement reflects not only your hard work but also the constant guidance of our teachers and the unwavering support of your parents.

We wish you continued success as you step confidently into the world of law and leadership.

Harshit Singh, Class X, showed extraordinary performance in the Indian Association of Physics Teachers' National Standard Examination (NSE) 2025.

Harshit not only scored at the highest standards in Chemistry, Astronomy, Biology, and Physics, but has also qualified for the Indian National Olympiad 2026 in all three subjects—Astronomy, Biology, and Physics. This is a rare and remarkable achievement that showcases his deep curiosity, dedication, and excellence across the full circle of science.

From the microscopic to the galactic, Harshit has truly dominated NSE 2025—and now steps forward to compete at the next level. The entire MVN family is cheering for him as he prepares for the second stage of the Olympiad journey.

MRMUN 2025

MVNites participated in MRMUN, held at the Manav Rachna University campus on 19th and 20th December. The conference provided an enriching platform for students to deliberate upon international agendas and global issues through structured debate and discussion.

We are pleased to announce that:

- Tanvi Chauhan (Class VIII) was awarded High Commendation in the ILC Committee.
- Paavani Bhatnagar (Class VIII) received a Special Mention in the UNICEF Committee.

The objective of sending school delegations to such conferences is to empower students with global exposure while nurturing brainstorming abilities, critical thinking, empathy, collaboration, and diplomatic skills. These experiences play a vital role in shaping socially aware, confident, and responsible global citizens.

The school congratulates the entire delegation, with special appreciation for the awardees, and looks forward to many more such achievements in the future.

ABHIVYAKTI 2025

Ganika Shekhawat and Aarna Sood of Class V brought laurels to MVN School, Sector-17 by securing 3rd position in the inter-school art competition on the theme "Palette on a Coaster", held at DAV Public School, NTPC, Faridabad.

Their artwork stood out for its creativity, refined color palette, and artistic finesse, earning high appreciation from the judges. This achievement reflects the students' dedication and the school's commitment to nurturing artistic excellence.

ROSCOSMOS 2025

Gaurik Verma of Grade V, got the incredible opportunity to present his innovations—a mechanical robotic hand and a robotic bow for deorbiting space debris—at The Russian House, New Delhi.

He showcased his ideas to Mr. Dmitry Bakanov, General Director of Roscosmos, who was in India to speak about space sector development and international cooperation.

His concept was highly appreciated by the Director of the Russian Science Center, the Director of Roscosmos, and the entire audience. To top it all, Russian TV representatives also interviewed him!

So proud of this milestone—may this be the beginning of many more achievements

13TH SHRI HARI INTERSCHOOL SCI-SPECTACLE

Our students delivered remarkable performances at the Inter School event hosted by Vidya Mandir Public School, Sector 15A, where 25 schools and over 300 students competed with great enthusiasm.

First Prize – TED Talk

- Gauri Khatter • Ikshita Gupta

Their compelling ideas and eloquent presentation captivated the audience and set a new benchmark for excellence.

First Prize – Science Quiz

- Gagandeep Jagar • Aashna Khurana • Anjali Singh

This brilliant team showcased exceptional scientific aptitude, quick thinking, and teamwork to secure the top spot. The achievements of these young learners reflect their hard work, confidence, and commitment to growth. Heartiest congratulations to all the winners for this outstanding accomplishment!

STATE LEVEL ABACUS & MENTAL ARITHMETIC COMPETITION 2025

"Victory isn't just about winning a position, it's about proving to yourself that dedication and hard work always pay off."

Rachit Pandey secured the 3rd Runner-Up position in Level 5 at the State Level Abacus & Mental Arithmetic Competition 2025 conducted by Wonder Education.

This achievement reflects his excellent skill, outstanding accuracy, and strong determination.

BAL MAHOTSAV-2025

We are proud to announce the remarkable achievements of our talented students who brought laurels to Modern Vidya Niketan, Sector-17, at the District Level Competition of Children's Day organised by the Haryana State Council for Child Welfare.

🌟 Kritika Gakher secured 2nd position in the Classical Solo Dance category, showcasing grace, discipline, and exceptional dedication to her art.

🌟 Unnati Gupta earned a Consolation Award in the same category, impressing everyone with her elegance and expressive performance.

Both students displayed outstanding talent and confidence, making the school proud with their commitment and passion.

THE QUEEN'S COMMONWEALTH ESSAY COMPETITION 2025

The Queen's Commonwealth Essay Competition, proudly conducted by the Royal Commonwealth Society since 1883, is the world's oldest international writing competition for schools. The 2025 edition, held under the theme "Our Commonwealth Journey," marks the 75th anniversary of the Commonwealth and encourages young writers across member nations to share their ideas, dreams, and experiences through creative expression.

This year, the competition received an astounding 53,434 entries, showcasing the remarkable creativity and diversity of young voices from around the world. It continues to inspire students to explore themes of identity, belonging, unity, and shared humanity across the Commonwealth's rich cultural tapestry.

The outstanding success of our MVNites stands as a true reflection of their creativity, discipline, passion for storytelling, and expressive writing. It also highlights the unwavering guidance of teachers and the wholehearted support of families.

Congratulations to all our award-winning students!

THE COLUMBIAN ACCORD 1.0

Our students showcased exceptional diplomatic skills and confidence at GCIS MUN – The Colombian Accord 1.0, hosted by Grand Columbus International School. Their outstanding performance brought laurels to the school as they bagged multiple awards across committees:

🏆 UNCSW Committee

🌟 Special Mention – Ojas Sharma (8D)

🏆 High Commendation – Riddhi Gupta (10A)

🏆 Best Delegate – Drishana (9A)

🏆 Honourable Mention – Aadya Katyayan (9C) and Sidhi Goel (XI)

🏆 AIPPM

🏆 High Commendation – Kritika Gakher (9A)

🏆 Best School Delegation: MVN Sector 17

The awards were presented by Mr. Pankaj Poojan Rampal, District President, BJP, adding great pride and motivation to the event.

🌟 The participation reflected the students' knowledge, leadership, and eloquence — truly embodying the MVN spirit of excellence and innovation.

TRINITY COLLEGE LONDON

Huge congratulations to Vanya Burman of Class IX for a truly monumental achievement! Vanya's decade-long dedication to music has culminated in securing a Distinction (90%) in her final Grade 8 Trinity Examination in Keyboards (Rock and Pop) from the prestigious Trinity College London! She is now a certified keyboardist!

What makes this even more remarkable is that Vanya consistently scores above 95% in her academics. Her commitment to excellence in both studies and music is incredibly inspiring.

SGFI NATIONAL CHESS CHAMPIONSHIP 2025

Success doesn't happen overnight; it happens move by move.

Our student Dhruv Sharma (Class XI) secured the 2nd Position at the SGFI National Chess Championship 2025 in Agartala!

Representing the Under-17 Team, Dhruv made the school shine on a National platform.

RACKONNECT DISTRICT LEVEL BADMINTON TOURNAMENT 2025

Hardik Yadav of class VIII secured the Second Position in the Doubles (U-15) category at the recently concluded Rackonnect District Level Badminton Tournament held at Ace Academy. His dedication to the sport is commendable.

YONEX – SUNRISE 52ND J&K UT BADMINTON CHAMPIONSHIP 2025

Our Grade IX student, Kanishk Mall shined at the Yonex - Sunrise 52nd J&K UT Badminton Championship 2025.

Displaying exceptional skill and sportsmanship, Kanishk secured top honors:

🏆 Winner: Doubles (U-15)

🥈 Runner Up: Singles & Doubles (U-15)

The biggest cheer, however, is for his selection for the NATIONALS!

This achievement, organised by the Badminton Association of J&K in collaboration with the J&K Sports Council, is a testament to his hard work and dedication.
