EDITION – IV
JANUARY – MARCH 2025

Dear Students

“The end of the school year is not just a break from the classroom, but a time to reflect on the growth you have inspired and the seed you have sown.”

As we stand at the threshold of a new session, we can look back at the past year with a sense of pride and accomplishment. The memories we have made, the lessons we've learned, and the friendships we have forged will stay with us forever. From the excitement of the first day of school to the bittersweet goodbyes on the last day, this session has been a journey of growth, discovery, and exploration. We recall the eager faces of our students on the first day of school, their eyes shining with excitement and anticipation. We cherish the memories of our students' achievements, whether it was winning a competition, mastering a new skill or simply being their amazing selves.

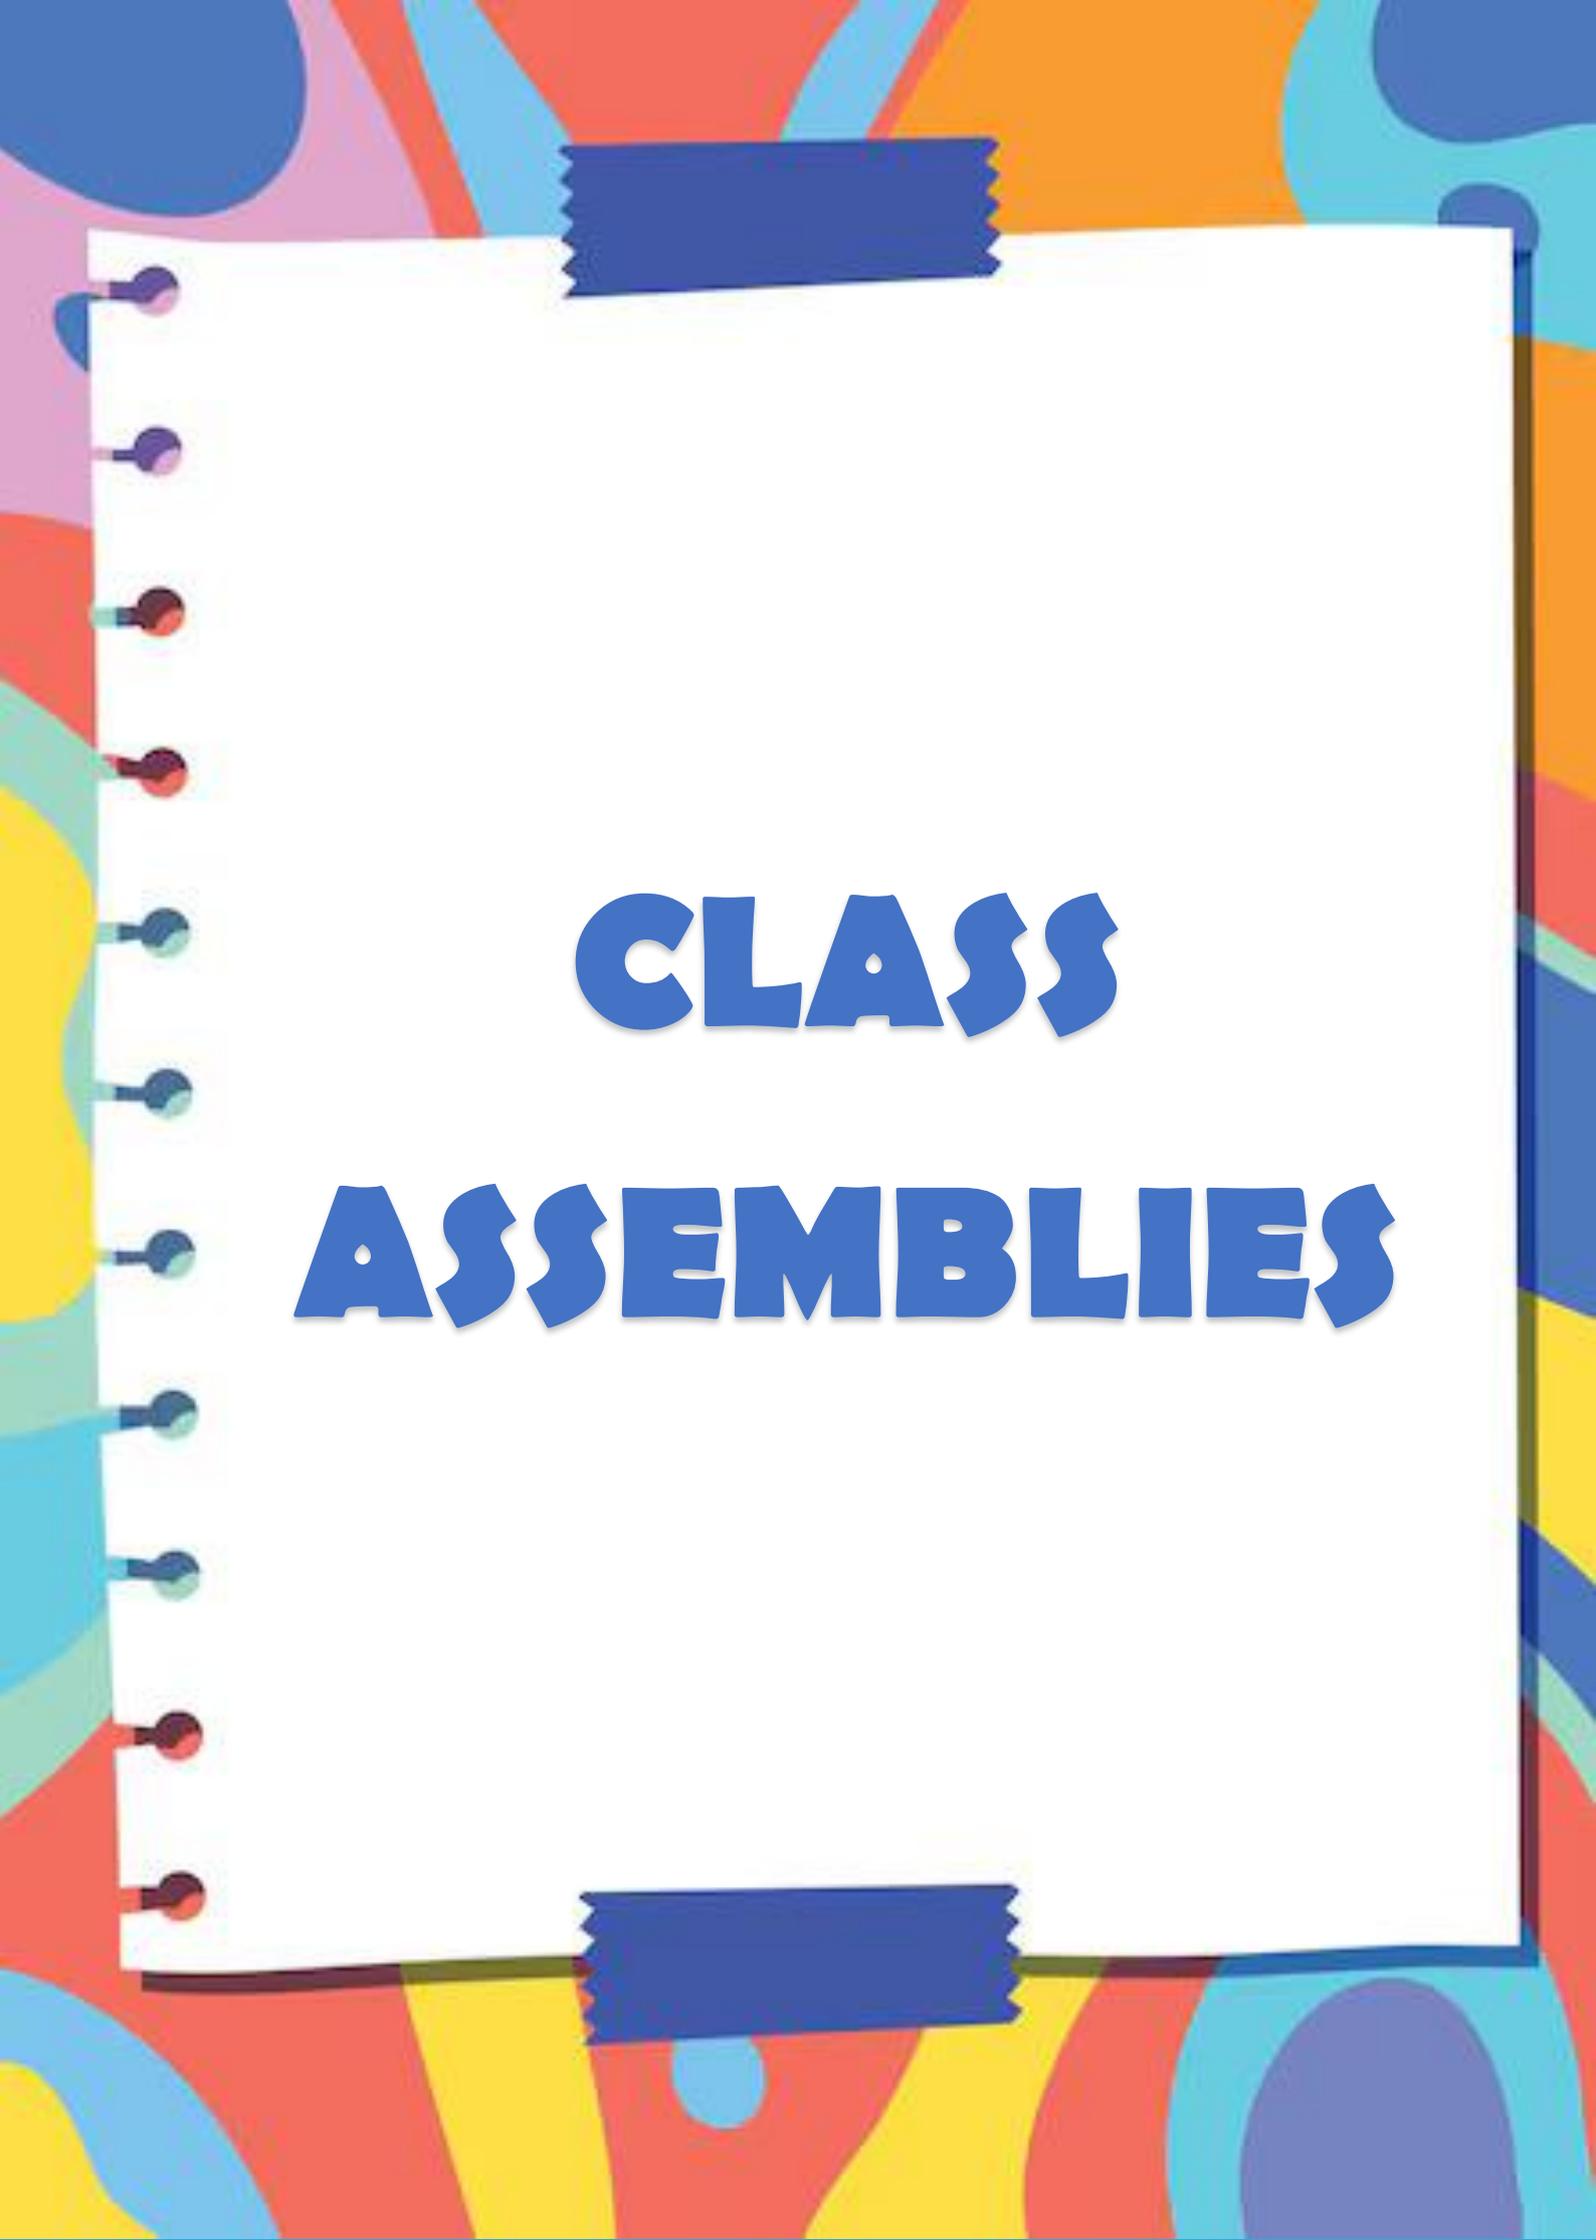

As we step into this fresh chapter, we're filled with hope, excitement, and anticipation for all the amazing things to come. We're grateful for the trust that our parents and community have placed in us, and we're committed to working together to make this session the best one. To ensure we make the most of the upcoming year, here are some guidelines to help you prepare effectively:

- Set Clear Goals and Create a Study Plan
- Organize Your Study Materials
- Review Previous Material
- Engage in Open Communication
- Establish Healthy Routines
- Embrace a Positive Mindset

Remember, a new session is a blank canvas, and you have the power to paint it with your dedication, curiosity, and hard work. So, let's raise our pens and pencils to new beginnings! Let's celebrate the end of one chapter and the beginning of another.

Ms. Mitu Pathania

Educator

**CLASS
ASSEMBLIES**

BELIEVE IN YOURSELF

"Believe you can and you are halfway there"

Having faith in ourselves and our abilities is essential for achieving our goals and fulfilling our dreams.

Students of Grade I Aster presented a spectacular assembly on the theme Self-belief. The assembly began with Saraswati Vandana. They delivered motivational thoughts, inspirational speech and poems and also updated the students with the current happenings in the world. The children learnt to build a positive self image and confidence through this assembly.

The kids also shared the stories of the people who overcame obstacles and believed in themselves and achieved great success in their life.

The assembly was appreciated by everyone.

LOHRI & MAKAR SANKRANTI CELEBRATION

**A new dawn breaks, a new day's birth
A chance to start anew, to find our worth
The past behind, the future's bright
A fresh beginning, a new light"**

India- The land of festivals. From Diwali 's colourful lights to Holi 's vibrant colours, every festival summarises its rich heritage. Among the list of Indian festivals, Lohri is a festival that symbolizes the rich culture of the nation but also highlights the unity in diversity and creates a sense of the warmth of traditions and collective heritage. The students of Grade II Camellia presented the assembly on Lohri and Makar Sankranti. The students expressed their gratitude for the sun and its important role in agriculture. The assembly included dancing on the beats of dhol, folk songs and fun riddles. All the students participated in bhangra during the assembly. Just as the Lohri bonfire burns away the old, symbolizing renewal and rejuvenation, the New Year brings with it a clean slate, inviting us to write new stories, forge new paths, and create new memories.

May this Lohri and New Year's convergence inspire us to embrace change, chase our dreams, and kindle the spark of joy, love, and prosperity in our lives.

REPUBLIC DAY

We celebrate the spirit of unity, diversity, and democracy that defines our great nation, India! On this momentous day in 1950, our country adopted its Constitution, paving the way for a sovereign, democratic republic.

Our primary students at MVN Sector 17, marked this special occasion with a vibrant assembly by Class 5 Bluebells, showcasing the rich cultural heritage of our nation. Dressed in colorful state costumes, they came together to celebrate the spirit of 'Unity in Diversity'.

Through a poignant poem, inspiring speech, and heartfelt message, our young patriots highlighted the significance of Republic Day and the Indian Constitution.

Their mesmerizing dance performance filled the air with patriotism!

Together, they took a pledge to protect our beloved country.

Let's be proud of our differences that bring us together!

BASANT PANCHAMI

As the golden fields sway and the scent of blossoms fills the air, may the wisdom of Goddess Saraswati illuminate our minds and the joy of spring fill our hearts. Wishing everyone a blissful Basant Panchami!"

The vibrant festival of Basant Panchami was brought to life by the young and enthusiastic students of Grade IV Aster in a spectacular class assembly presentation. Dressed in hues of yellow, the students beautifully depicted the essence of this auspicious day through a mesmerizing blend of dance, storytelling, and cultural insights.

The assembly highlights included:

-  Saraswati Vandana – A graceful dance performance invoking the blessings of Goddess Saraswati, the epitome of wisdom and knowledge.
-  Significance of Basant Panchami – Students eloquently explained the cultural and spiritual importance of this festival in India.
-  Basant Panchami Celebrations Across India – A glimpse into how different states celebrate this joyous occasion with unique traditions.
-  The Story of Goddess Saraswati's Origin – An engaging narration of the mythological tale behind the birth of the Goddess of Learning.
-  Welcoming Spring with Dance – A lively performance symbolizing the arrival of spring, spreading happiness and positivity.
-  Different Names of Goddess Saraswati – Enlightening the audience about the various names by which Goddess Saraswati is revered in different regions.

The assembly was a perfect blend of spirituality, culture, and festivity, leaving everyone enriched with knowledge and filled with devotion. Kudos to the students for their remarkable performance and heartfelt expressions!

May Goddess Saraswati bless us all with wisdom and prosperity!

FROM DREAMS TO REALITY: MAKE YOUR EXAM GOALS HAPPEN

The Grade IV Bluebells students conducted an inspiring assembly titled "From Dreams to Reality: Make Your Exam Goals Happen." It began with a thought-provoking quote, setting a positive tone for the session. This was followed by motivational poems that uplifted and energized the audience.

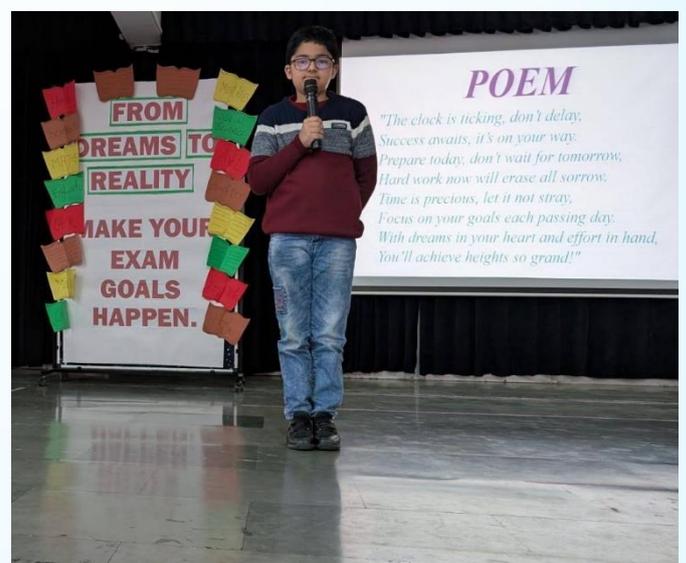

The students shared valuable tips for exam success, emphasizing the importance of planning the day wisely, prioritizing topics, taking regular breaks and maintaining a healthy sleep routine. They also introduced effective study techniques to help students retain and apply knowledge efficiently.

To further inspire their peers, students narrated real-life stories of great personalities like Dr. APJ Abdul Kalam, Malala Yousafzai, Dr. B.R. Ambedkar, Helen Keller, and Kalpana Chawla, showcasing how determination and perseverance can overcome challenges and lead to remarkable achievements.

The highlight of the assembly was a thought-provoking skit that beautifully conveyed the significance of hard work and dedication. A powerful song, combined with an energetic dance performance, enhanced the impact and left the audience feeling motivated.

The assembly served as a motivating force, encouraging students to stay focused, work hard, and turn their exam dreams into reality.

NEW YEAR CELEBRATION

New Year is not just about changing the calendar, it's about embracing the opportunities to change your life."

The New Year symbolises a fresh start and a chance to set new goals. It inspires reflection on past achievements and areas for improvement, offering an opportunity to reset priorities. Various activities were organized for the Primary Wing on the occasion of the New Year 2025.

Grade V students enjoyed a Calendar-Making Activity, which taught them how to plan and organize their tasks. Designing and decorating their calendars fostered creativity and artistic expression. They also learned to use their calendars to set short-term goals, such as completing projects, visualizing upcoming events, and managing their schedules. This activity helped them develop essential organizational skills, like keeping track of important dates such as birthdays and school activities, teaching them how to navigate time effectively and prepare for future events.

Grade IV students participated in a fun and engaging gift-wrapping activity. This hands-on exercise not only taught them the practical skill of wrapping presents but also helped them develop other important abilities, such as fine motor skills and creativity.

These activities provided students within their respective classrooms with opportunities for fun, engagement, and a sense of shared celebration. The children thoroughly enjoyed these activities.

Grade III students of MVN School, Sector recently shared their New Year's resolutions, offering a glimpse into their hopes for the year ahead. From reading more books and practising kindness to learning new skills like playing an instrument or improving their handwriting, the children expressed a variety of personal goals. They spoke with enthusiasm, demonstrating their understanding of setting achievable targets and striving for positive change. This activity encouraged self-reflection and helped them articulate their aspirations for the new year.

Festive Fun for Second and First Graders: Second and first graders enjoyed some exciting classroom activities. Grade II students kicked off the fun with party pops! The exciting bursts of confetti and streamers brought smiles and laughter, creating a memorable experience. Following the excitement, grade one students celebrated with personalized party sashes, adding a touch of festivity to their day. These colourful sashes made each child feel special and created a vibrant atmosphere.

FOCUS BUILDING

"Staying focused can sometimes be challenging, especially with so many exciting things happening around us. However, being able to focus is an important skill that can help the students to learn better, finish their tasks faster and achieve their goals. To meet this challenge, a workshop was organized by Ms. Sreshti Chaturvedi, the counselor in the school Auditorium on 30th Dec'24 for classes I to V.

The session began with a breathing exercise that helped the students to relax and focus their mind. This calming technique helped the students to feel more centered and become aware of their breathing, a great tool for managing stress and distractions. The session proceeded with certain physical movement exercises which helped them to concentrate on the auditory commands of the counselor. They were also guided through a visual - attention activity. The children were shown different pictures with details and asked to identify the odd one out.

The session came to an end with a fun - filled concentration activity that required the children to stay focused for remembering shapes, colours and numbers. It was a fun - filled and interactive session that helped the students to realize that focus is a skill that needs to be worked upon every day and with a bit of practice they could become adept at paying attention to achieve their goals.

REPUBLIC DAY CELEBRATION

January 26th marks a significant day in India's history. On this day in 1950, the Constitution of India came into effect, making India a sovereign republic.

We celebrate this day with great pride and patriotism, honoring the efforts of our freedom fighters and the framers of our Constitution. The day is marked by flag-hoisting ceremonies, parades, and cultural events across the country.

Keeping this in mind, the Primary Wing of MVN School, Sector 17, Faridabad, organized various Republic Day activities to enhance the creative skills of the students.

Grade 1: Speak on Republic Day – Students delivered impressive speeches on the significance of the day, showcasing their confidence and understanding.

Grade 2: Tricolour Badge Making – Students created tri-colour badges, demonstrating their creativity and patriotism.

Grade 3: 3D Tricolour Decoration – Students designed and crafted stunning 3D tricolour decorations, adding to the festive atmosphere.

Grade 4: Craft Activity – Students engaged in making flags, badges, and posters that reflected their patriotic spirit.

Grade 5: Poem on Republic Day & Unity in Diversity – Through this activity, students explored the significance of Republic Day and India's diverse culture. They gained an understanding of how unity in diversity is a strength of our nation.

As we celebrate Republic Day, we reaffirm our commitment to the values enshrined in our Constitution - justice, equality, and liberty. We also pledge to work towards a brighter future for our nation, upholding the principles of democracy and secularism.

EMPOWERING YOUNG MINDS FOR A SUSTAINABLE FUTURE!

The International Day of Clean Energy, observed on 26 January and declared by the General Assembly, serves as a call to raise awareness and mobilize action for a just and inclusive transition to clean energy. The students of the Primary Wing embarked on an exciting journey to explore clean energy and its significance for both people and the planet. We are proud of our young learners for taking their first step toward a sustainable future. Students showcased their creativity and innovation through a variety of engaging activities, highlighting the importance of clean energy in shaping a better tomorrow.

Students of Grade I participated in Fancy Dress competition where our tiny tots dazzled the stage with their creative costumes. Dressed as solar panels, wind turbines, and energy-efficient light bulbs, our little stars spread awareness about the importance of saving energy for a sustainable future. With catchy slogans and confident smiles, they stole our hearts.

Young innovators from Grade II crafted their own windmills, showcasing creativity and learning about renewable energy! This engaging activity taught them how wind energy can generate electricity, promoting sustainability and conservation.

The budding artists from Grade III unleashed their creativity, designing vibrant posters that conveyed powerful messages about energy conservation. Their posters served as a reminder that every small action can make a big difference in protecting our planet. Our young performers from Grade IV took center stage, bringing energy conservation to life through engaging role-plays. This interactive activity not only educated them about sustainable practices but also empowered them to become energy-conscious ambassadors.

Students of Grade V designed and built their own solar ovens, utilizing the power of the sun to cook small items. By using solar energy, they learned how to reduce their carbon footprint and promote eco-friendly practices.

The International Day of Clean Energy served as a global reminder of the importance of clean energy for both people and the planet, inspiring our children to become responsible stewards of the earth.

SPRING SEASON

As the warmth of spring awakens the world, vibrant colours and sweet fragrances fill the air. Flowers bloom, trees regain their lush green leaves, and grasslands transform into a picturesque landscape. Mild temperatures and gentle breezes create the perfect atmosphere, symbolizing a fresh start, renewal, and growth.

Inspired by the beauty and vitality of spring, the students of Primary Wing, participated in various hands-on activities to incorporate the positivity of the season into their lives. These activities enhanced their knowledge and creativity while fostering a deeper appreciation for nature's splendor.

The activities included:

- Grade I: Solving a crossword puzzle based on the spring season
- Grade II: Decorating veenas to reflect the vibrant hues of spring
- Grade III: Crafting a beautiful paper flower bouquet
- Grade IV: Creating a stunning wall hanging that captured the essence of spring
- Grade V: Designing a spring season scene using shapes, showcasing their creativity and imagination

Through these engaging activities, students learned about the cyclical nature of life, where endings mark new beginnings. As they explored the wonders of spring, they developed a deeper understanding of the season's significance and its role in inspiring hope and positivity.

SEASON ENDING CELEBRATIONS: A DAY OF FUN & REFLECTION

As the academic year 2024-25 draws to a close, our school came together to celebrate the end of the season with a day of exciting activities and events. The theme of the day was "Season Ending", and it was a time for students to reflect on the past year, showcase their talents, and have fun with their peers.

For our Grade I students, the day began with "Fun with Steppers", a physical activity that got them moving and grooving. The young learners had a blast as they stepped, jumped, and danced their way through the session.

Meanwhile, our Grade II students took to the stage to showcase their talents in the "Talent Show". From singing and dancing to playing musical instruments, the students wowed the audience with their impressive skills and confidence.

In Grade III, students reflected on the importance of gratitude as they participated in the "Speak On: Paying Gratitude" activity. Through heartfelt speeches, they expressed their appreciation for their friends, maids, guards and teachers, and learned the value of being thankful for the people and experiences in their lives.

Our Grade IV students got creative with "Flower Arrangement", a activity that allowed them to express their artistic side. With colorful flowers and greenery, they crafted beautiful arrangements that were almost too pretty to behold.

Finally, our Grade V students took a trip down memory lane as they spoke about their "Most Memorable Moments of 24-25" in the "Speak On" activity. From field trips and festivals to special events and everyday moments, they shared their favorite experiences and reflected on the lessons they learned and the fun they had.

As the day came to a close, it was clear that the Season Ending Celebrations had been a huge success. Students had fun, learned new things, and reflected on the past year in a meaningful way. As we look forward to the new academic year, we are excited to see what the future holds for our students and our school community.

ADVENTURE IS THE BEST WAY TO LEARN

The school trip to Vishalgarh Farms near Tikli was an unforgettable outdoor adventure filled with excitement, exploration, and joy. Away from the usual classroom setting, students experienced the thrill of the great outdoors, engaging in a variety of fun-filled activities that encouraged teamwork, confidence and a spirit of adventure.

From lively outdoor games to engaging group challenges, every moment was packed with enthusiasm. Students enjoyed traditional rides, participated in obstacle courses, and explored exciting recreational setups designed to enhance their agility and coordination. Laughter echoed as they bonded over exciting tasks, making new memories with their friends and teachers.

The trip was not just about adventure but also about learning beyond books. Through interactive experiences, students developed problem-solving skills, resilience and a deeper appreciation for nature. The fresh air, open spaces and vibrant atmosphere made the day truly special.

Students returned with happy hearts, carrying stories of fun, friendship and adventure. This trip to Vishalgarh Farms was a perfect reminder that learning happens best when combined with exploration and excitement!

EVENTS

BLOOD DONATION CAMP

"Give Blood. Give Hope. Give Life. "

The school organized a Blood Donation Camp on Saturday, 18th January 2025 in the auditorium of the school in collaboration with the Rotary Club of Faridabad East with the school Interact Club SANKALP. This noble initiative aimed to promote awareness about the significance of blood donation and its role in saving lives.

The camp witnessed enthusiastic participation from teachers, parents, and other volunteers. The members of Rotary Club, a team of doctors and members of the Interact Club SANKALP, ensured that the process was carried out smoothly and safely. Necessary precautions, including hygiene and sanitation, were maintained to ensure the safety of donors.

After donating blood, they were provided with refreshments, Medal and a certificate as a token of appreciation. The event was a grand success, with 126 units of blood collected, which will go a long way in supporting patients in need of transfusions.

Through this initiative, the Interact Club not only contributed to a vital cause but also instilled a sense of responsibility and compassion among the students. The camp served as a reminder of how small efforts can make a significant difference in the lives of others.

Ms. Santosh Sharma, Financial Advisor, MVN Society, Mr. Jai Prakash Gaur, Director, MVN Schools, and Ms. Agalya Venkatesh, Principal, MVN School Sector-17, lauded the dedication and efforts of the student members of the Interact Club, SANKALP. Their commitment to this noble cause was deeply appreciated.

The event was graced by esteemed dignitaries, including Rtn. H.L. Bhutani, District Director, Blood Donation, RI District 3011; Rtn. Dr. S.C. Tyagi, Director, Community Service, Rotary Club of Faridabad East; Rtn. N.D. Nagpal, Senior Vice President, Rotary Club of Faridabad East; Rtn. P.P. Pasricha, President, Rotary Blood Bank Trust; and Rtn. Deepak Prashad, representing Rotary Blood Bank Trust. Around 15 other prominent members of the Rotary Club of Faridabad East also attended the camp, showcasing their unwavering support and guidance.

This event not only underscored the importance of community collaboration but also exemplified the values of service and compassion among the younger generation. The school remains committed to organizing such meaningful initiatives that contribute to societal well-being and inspire students to emerge as empathetic leaders of tomorrow.

FOOD DONATION DRIVE

“Happiness doesn’t result from what we get, but from what we give.”

— Ben Carson

' SANKALP ', the INTERACT CLUB of MVN 17, organized a Food Donation Drive as a part of its community outreach programme on 28th January 2025. The initiative aimed at extending support to the underprivileged communities (Labour Chowk) by collecting and distributing fruits and other eatables.

Students and teachers actively participated contributing generously. The event was a great success, reflecting the school’s commitment to compassion and service. The students learnt an important lesson in sharing, caring and bringing smile to faces and a sense of well-being to all those who need it.

HAWAN CEREMONY

सरस्वति महाभागे विद्ये कमललोचने ।

विद्यारूपे विशालाक्षि विद्यां देहि नमोऽस्तु ते

The school reverberated with sacred chants with the lighting of the sacred fire. The school organized a 'Hawan' to invoke the Divine and seek blessings for the MVNites from Classes X and XII as they gear up to perform spectacularly well in the CBSE Board Examinations to be held in February- March, 2025. The profoundly prayerful moment brought the mentors and mentees together in a contemplative and meditative poise. Fragrance of peace wafted in air. Prasad was distributed to all present. The school administration blessed all the examinees and sought wonderful streak for all the students.

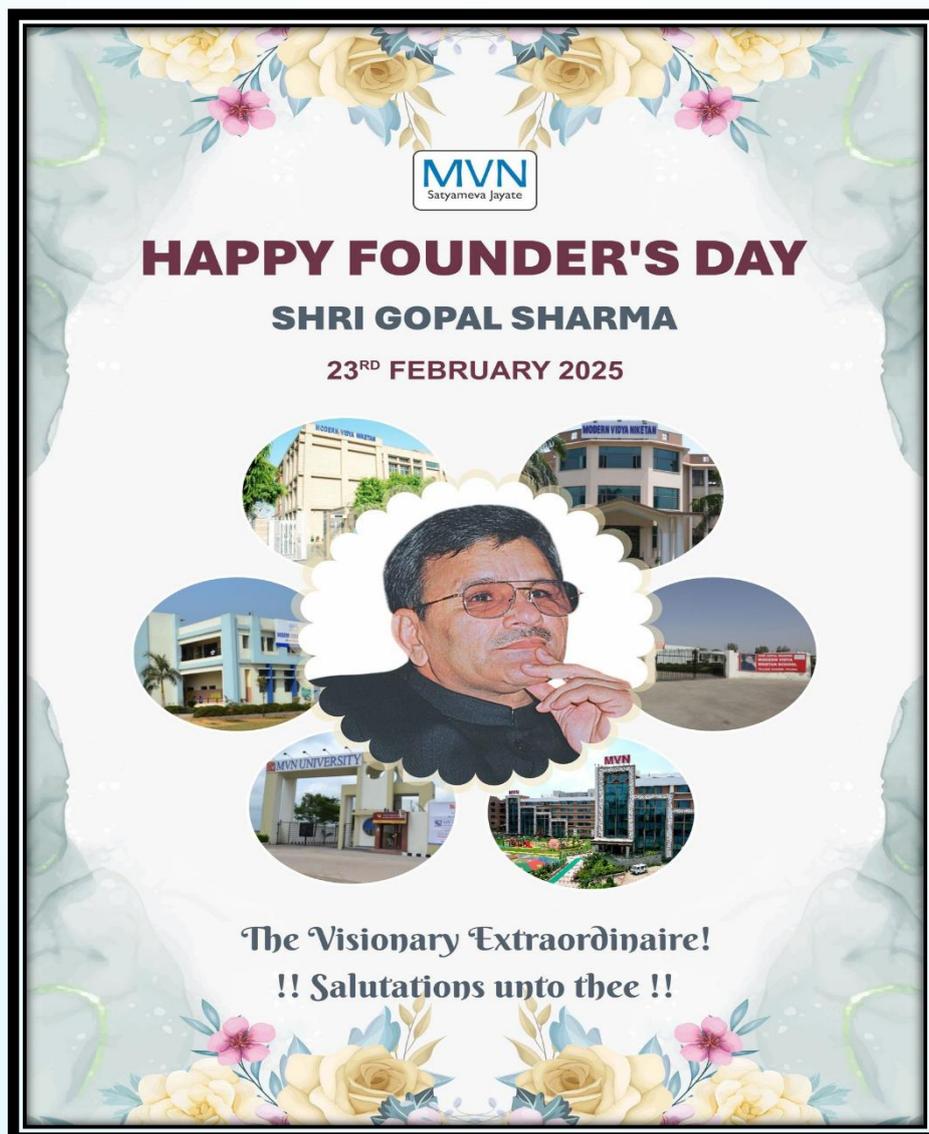

FOUNDER'S DAY

At MVN, Founder's Day is not just a celebration; it is a heartfelt tribute to our beloved Shri Gopal Sharma Sir, whose vision and values continue to inspire us. Every year, we honour his legacy by organizing a langar at school, embodying his teachings of selfless service, humility and compassion.

This sacred tradition reflects Sir's unwavering commitment to kindness and community service, reminding us that true success lies in giving back to society. As we come together to serve and share, we carry forward his ideals, spreading love, unity, and gratitude.

May we always walk the path of righteousness and generosity, just as he envisioned.

ORIENTATION DAY

The Orientation Programme at MVN Senior Secondary School, Sector-17, Faridabad, held on March 21, 2025, was a remarkable event, marking the beginning of an enriching educational journey for new parents and students of the Primary and Middle Wing. It was designed to offer insights into the school's ethos and academic framework, the event reinforced MVN's dedication to holistic learning and excellence. The ceremony commenced with the auspicious lighting of the lamp, symbolizing wisdom and knowledge, followed by a soulful Ganesh Vandana, invoking divine blessings. A melodious welcome song set the stage, fostering an immediate connection between the school and the parents.

The highlight of the event was an inspirational address by the Principal, Ms. Agalya Venkatesh, who elaborated on MVN's educational vision and mission. She gave a detail account of MVN's journey from a home building to four thriving institutions and a charitable school in Khambi which reflects MVN'S social responsibility to quality education and holistic growth. She explained that this expansion is not just about infrastructure but about empowering young minds, fostering innovation, and shaping a brighter future in the path of nation building.

Complementing her insights, Dr. Neeta Bali, Director (Academics), provided an overview of the Early Years Program (Cambridge) and MVN's comprehensive approach to nurturing young minds.

The Coordinator, Ms. Tanu Khatter, then presented a comprehensive PowerPoint presentation that showcased the school's academic objectives. Through the presentation, Ma'am elaborated on the school's pedagogical approaches, highlighting the emphasis on student-centered learning, inquiry-based education, and the integration of technology in the classroom. She also outlined the holistic curriculum and school's strategies for assessing student progress, providing feedback, and fostering a growth mindset.

The Coordinator, Ms. Manika Giridhar, further emphasized the school's administrative structure and the seamless learning experience. She articulated about MVN's unwavering commitment to academic and co-curricular brilliance.

A key segment of the orientation was the staff introduction, allowing parents to meet the passionate educators who will be guiding their children and to meet the facilitators who play a key role in handling front desk operations and handling emergencies. The program progressed with

MVN School Anthem which stands as a solemn promise and a steadfast assurance of dedication to deliver exceptional learning and nurture brilliance. The MVN Anthem, echoes the school's core values of excellence, integrity, and innovation which resonate in the atmosphere, reinforcing a sense of belonging.

As the session concluded, parents left with a sense of assurance and excitement, eager to embark on this educational partnership with MVN. The Orientation Day was not just an introduction but a celebration—of new beginnings, shared aspirations, and the promise of shaping young minds into future leaders.

ACHIEVEMENTS

JEE MAIN 2025

Proud moment for MVN! Kavyam Ranjan Sharma has topped the district in JEE Main, showcasing excellence and dedication. Wishing him great success in his future endeavors!

We are proud to announce the outstanding performance of our students in JEE MAIN 2025! Their hard work, dedication and perseverance have once again proven MVN School's legacy of academic excellence.

A huge congratulations to our toppers and all our achievers who have made us proud with their exceptional scores. The success is a testament to the relentless guidance of our dedicated faculty and the unwavering support of their families.

Wishing all our students the very best for the next steps in their journey toward success!

SOF National Science Olympiad 2024: A Proud Moment for MVN!

We proudly celebrate the outstanding achievements of our students in the SOF National Science Olympiad 2024. Our sharp minds have brought laurels to the school by securing an impressive 55 Gold Medals of Excellence and 5 Gold Medals of Distinction. Congratulations to all the achievers for making us proud and setting a benchmark of excellence!

INDIAN ASSOCIATION OF PHYSICS TEACHERS (IAPT)

Congratulations on joining the Ranks of the Exceptional....

Congratulations to Daksh Dogra of Class XI for his outstanding achievement in the Indian Association of Physics Teachers (IAPT) National Standard Examination in Chemistry (NSEC). His selection for the Indian Chemistry Olympiad (INChO) Orientation-cum-Selection Camp (OCSC) places him among the top 40 chemistry students in India. This intensive camp, organized by the Homi Bhabha Centre for Science Education (HBCSE), serves as the final stage for selecting India's team for the International Chemistry Olympiad (IChO). Daksh's progression through these rigorous stages brings him a step closer to representing India on the global stage. We extend our heartfelt congratulations to Daksh and wish him continued success in his pursuit of excellence in chemistry.

INTERNATIONAL JUNIOR SCIENCE OLYMPIAD (IJSO) 2025

Outstanding Selection of Exceptional Talent....

We are immensely proud to announce that Harshit Singh of Class IX has achieved a remarkable milestone by clearing the Indian National Junior Science Olympiad (INJSO) and qualifying for the prestigious Junior Science OCSC (Orientation-cum-Selection Camp) of the International Junior Science Olympiad (IJSO) 2025! He is one of just 36 students selected nationwide.

INJSO is a highly competitive national-level examination that serves as the gateway for selecting students to represent India at IJSO, a prestigious international science competition. By qualifying for the Junior Science OCSC, Harshit has taken a significant step toward potentially representing India on the global stage.

His dedication, perseverance, and passion for science have led him to this well-deserved success. As he embarks on this next stage of his journey, we extend our best wishes for his performance at OCSC. May he continue to shine and make MVN proud!
