SENIOR

EDITION – III

(OCT-DEC 2025)

*“Learn from yesterday, live for today, hope
for tomorrow.”*

— Albert Einstein

LEARNING WITH PURPOSE

Dear Parent/Student,

As we come to the close of another enriching academic session, it is a wonderful moment to pause, reflect, and look ahead with confidence and hope. The journey of learning this year has been filled with questions, discoveries, friendships, efforts, and growth—both inside and outside the classroom.

With final examinations around the corner, it is natural to feel a little anxious. Remember, exams are not a test of fear but a celebration of what you have learned. Prepare in a calm and stress-free manner—plan your time wisely, revise regularly, take breaks, eat healthy, and get enough rest. Trust your preparation and believe in your abilities.

Always aim for knowledge and understanding. When learning becomes your true goal, marks follow naturally. Education is not about rote learning alone; it is about developing curiosity, clarity of thought, and the confidence to apply what you know in real life.

We live in times that offer a wide variety of career paths—academic, creative, technical, and artistic. Each one of you has unique strengths and talents. I am confident that as you grow, you will discover your own calling and do great things in life. While striving for success, remember that the most meaningful achievement is becoming a good human being.

Be kind to all. Show respect beyond reasons. Love unconditionally. Make the world a better place simply by being good. Seize even the smallest opportunities to bring a smile to someone's face—a kind word, a helping hand, or a moment of understanding. Often, simple gestures create the deepest impact in another person's journey.

As you move ahead, remember that character is shaped by the choices you make every day. Choose empathy over indifference, integrity over convenience, and effort over excuses. Nurture the goodness within you and let it reflect in your thoughts, words, and actions. When you live with sincerity and compassion, you grow not only into successful individuals but also into responsible, caring citizens who make the world brighter just by being themselves.

Ms. Shalini Vaid

(Coordinator)

FROM COUNSELLOR'S DESK

AI & Student Mental Health: Growing Minds in a Smart World

“The smartest technology still cannot replace a caring human connection.”

AI is no longer a future concept, it is already sitting in our classrooms, homes and even in students' pockets. From AI-powered homework help to instant feedback apps, today's students are growing up in a world where answers are immediate and digital voices are always available. This rapid shift brings exciting learning opportunities, but it also raises an important question for parents, teachers and school leaders: How is AI shaping our children's emotional and mental wellbeing?

When used wisely, AI can be a strong learning companion. It supports personalised learning, boosts curiosity and helps students practise skills with confidence. However, concerns arise when technology begins to replace effort, patience or real-life interaction. Some students may turn to AI not just for answers, but for reassurance or validation. This makes it essential to guide them towards balance, where AI supports learning but does not replace thinking, feeling or connecting. As a school counsellor, I encourage students to first try solving a problem on their own, set a clear purpose before using AI and limit its use to learning tasks rather than emotional reassurance.

A practical and student-friendly strategy gaining attention is the “5-Question Pause.” Before depending on AI, students are encouraged to ask themselves: Is

this helping my thinking, my feelings, my relationships, my goals or my values? This simple habit promotes self-awareness, responsibility and digital maturity skills that are just as important as academic achievement in the modern world. Along with this pause, students are advised to take short screen breaks, reflect on what they learned without AI and seek guidance from a teacher or parent or counsellor when they feel confused or emotionally unsettled.

In an age of smart machines, nurturing human connection has never been more important. Classroom discussions, group projects, mentoring and open conversations at home help students build empathy, confidence and emotional strength. Students benefit when they are encouraged to talk about their worries, ask questions openly and share learning experiences with peers instead of relying only on digital tools. Technology may be fast, but meaningful relationships are what truly shape character and resilience.

By embracing AI thoughtfully, we can lead the way in preparing students for the future, without compromising their wellbeing. When parents, teachers and school leaders work together, we can ensure that technology remains a powerful tool, while human values, emotional health and connection remain at the heart of education.

Ms. Sreshti Chaturvedi

ASSEMBLIES

DISTRICT INTERACT LEADERSHIP ASSEMBLY - NAVODAYA

“Real leadership is not about power; it is about purpose — and purpose is the real power.”

These profound words by District Governor Dr. Ravinder Gugnani set the tone for District Interact Leadership Assembly – NAVODAYA, held on 9th October 2025 at Bharat Mandapam. The event, organized by Rotary International District 3011, stood as a grand celebration of youth leadership and service — bringing together over 3,000 Interactors from 120 schools, making it the largest District Interact Assembly ever.

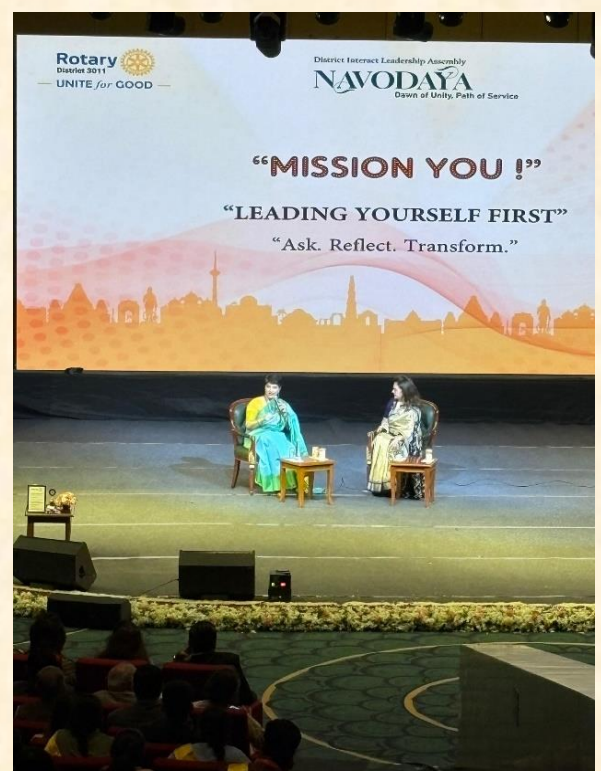

Representing the spirit of the school, the members of the Sankalp Interact Club, 8 Students of Class XI attended this inspiring gathering where past achievements of the Interact clubs across the district were celebrated and the vision for the future was ignited. Various impactful projects were highlighted — from Wheels of Hope and Ignite 2.0 to Project Saathi and Project Jan Chetna — each embodying the ideals of compassion, innovation, and collective responsibility.

The assembly featured remarkable speakers who left a lasting impression on every young mind present. Mr. Anand Kumar, founder of Super 30, shared his two lifelong dreams — to build a world-class school and to create an online platform for free education. His words, “Raat jitni gehri ho rahi hai, andheri ho rahi hai, tum savere ke utne hi kareeb ho,” reminded everyone that the darkest nights often precede the brightest dawns.

Ms. Nandini Gupta, Femina Miss India World 2023, spoke about the art of living and the art of giving, urging Interactors to prove their character through action, not words — a true embodiment of grace with purpose.

The final speaker, Captain Yashika Hatwal Tyagi, a Kargil War Veteran, inspired all with her message to follow one’s heart fearlessly, even when the path seems challenging. Her story of courage and conviction left the audience deeply moved.

The event was a powerful convergence of purpose, leadership and unity, a reminder that service is not merely an act but a way of life by engaging with peers and learning from experts. The Interactors of MVN returned with renewed motivation to carry forward the Rotary motto — “Service Above Self” and to be the dawn of a brighter tomorrow.

DIWALI

“Diwali stands as a reminder that goodness, unity, and wisdom will always prevail.”

The special assembly organised by Class VI B marked a thoughtful and graceful celebration of the festival. The programme began with a devotional Ganesh Vandana and a welcome address emphasising Diwali's core values of kindness and harmony. This was followed by a bhajan, a chaupai recitation from the Ramcharitmanas by Class VIII D, and energetic dance performances that enriched the festive atmosphere. A video presentation further highlighted the cultural significance of Diwali while promoting environmentally conscious celebrations.

A short yet impactful skit conveyed that Diwali extends beyond lights and fireworks, urging everyone to spread joy responsibly and care for the planet. The event concluded with a formal vote of thanks, appreciating the efforts of all contributors. Overall, the assembly successfully reflected the true spirit of Diwali, instilling a sense of positivity and unity among students and staff.

GURUPURAB

"Light of Wisdom: Celebrating Guru Nanak Dev Ji's Gurupurab"

✨ Spreading the message of truth, humility, and service to humanity.

The students of Grade VII presented a beautiful and soul-enriching Special Assembly on the occasion of Gurupurab, celebrating the birth anniversary of Guru Nanak Dev Ji, the founder of Sikhism and a guiding light for all humanity.

The assembly began with the serene recitation of the Mool Mantra, followed by a heartfelt Prayer, an inspiring Thought for the day and news headlines. Students delivered an enlightening Speech on Guru Nanak Dev Ji's life — his simple yet profound way of living, his universal vision of equality, and how his teachings continue to inspire young minds to live with compassion and truth.

The atmosphere was filled with devotion with the presentation of a graceful Solo Dance, melodious Group Shabad, and an energetic Group Dance on "Nanak Aaya Nanak Aaya." A touching Poem and reflections on Guru Nanak Dev Ji's core teachings — Ik Onkar (One God), Vand Chhako (Share with others), Kirat Karo (Earn honestly), and Naam Japo (Meditate on God's name) — reminded everyone of the eternal values of faith, selflessness, and service. The assembly concluded with a message encouraging students to imbibe Guru Nanak Dev Ji's principles in their daily lives — to be kind, truthful, and helpful to all.

The celebration was a perfect blend of devotion, learning, and inspiration, leaving everyone with a heart full of peace and positivity.

CHILDREN'S DAY

The school celebrated Children's Day with great enthusiasm and joy as teachers came together to present a heartfelt assembly dedicated to our wonderful students.

The celebration began with a soulful prayer by teachers, followed by a beautiful poetry recitation by Ms Priyanka that captured the spirit of childhood. The atmosphere lit up with a melodious medley of songs performed by the teachers, and the highlight of the morning was an energetic and delightful dance performance by Mr. Sanjay, which the students thoroughly enjoyed.

Our Senior Coordinator, Ms. Manika Girdhar, addressed the gathering with warm and inspiring words, making the occasion even more special.

To add to the excitement, fun game stalls were put up in the school auditorium, where students participated with great enthusiasm and enjoyed the day to the fullest.

ANNUAL DAY 2025

DARPAN - BE THE CHANGE

The school celebrated its Annual Day 2025 with exceptional grandeur, as students from Classes VI to X presented the compelling thematic showcase, "Darpan: Be The Change." The event was heralded as a grand success, earning widespread admiration for its conceptual clarity, artistic excellence, and impeccable organization.

The ceremony commenced with a dignified welcome, a symbolic illuminated inauguration, and a solemn invocation. Dr. Neeta Bali, Director Academics, delivered an insightful address. She elaborated on the theme, Darpan (Mirror), chosen with the intent to reflect the school's belief that students are the true mirrors of society and the makers of change. Principal Ms. Agalya Venkatesh followed with an inspiring address, centring on three profound ideas - Reflection, eternal wisdom symbolised by the five elements of Nature: Air, Water, Earth, Fire, Space and awakening while reaffirming that the timeless ideals of Founder Principal Shri Gopal Sharma Sir continue to guide the school's vision and ethos.

The cultural programme beautifully launched with the Five Element Ode, the uplifting MVN Anthem, and the vibrant Joyful Beginnings – the Welcome Dance. This was followed by Pratibimb, a reflective interlude inviting the audience to look into the metaphorical darpan and engage in deep self-awareness before the thematic journey unfolded. The evening progressed through five powerful acts, each structured around one of the five elements and delivering a profound call to consciousness: Redemption, portraying the soul's transformative movement from darkness to light; The Champion, a stirring celebration of resilience and the indomitable spirit that rises after every fall; Ganga, a poignant reminder of the sacred river's purity and the collective responsibility we bear towards nature; Women Unbound, honouring the inherent strength

SHRADHANJALI DIWAS – UPHOLDING A TIMELESS VISION

Shraddhanjali Diwas was observed with deep reverence and gratitude as the MVN Family gathered to honour the timeless vision of Respected Shri Gopal Sharma Sir, Founder Principal of Modern Vidya Niketan—an educationist whose ideals continue to guide the institution and inspire generations of learners.

The observance began with a reverential offering of flowers by the dignitaries, including Honourable Mr. Varun Sharma, President, MVN Society, Mr. J. P. Gaur, Director; Dr Neeta Bali, Director Academics; Mr. Prem Singh, Director Academics; and Ms. Agalya Venkatesh, Principal, MVN 17. Their quiet gesture of respect set a solemn and reflective tone for the programme. This was followed by a prayer, seeking strength, wisdom, and the resolve to uphold the values that Shri Gopal Sharma Sir stood for throughout his life.

The gathering was then addressed through a thoughtful speech by the Head Boy, Dhruv Sharma, who spoke of Shri Gopal Sharma Sir as a visionary guide and a true Karma Yogi. His words reflected the Founder Principal's belief that education is meant to nurture character, discipline, and resilience, enabling students to face life with confidence and purpose.

The atmosphere deepened as the Karma song, so close to Shri Gopal Sharma Sir's heart, was rendered, echoing the philosophy of selfless action and duty that shaped his journey. This was followed by a Prerna song inspired by his life, capturing his ideals, perseverance, and unwavering commitment to education. The tribute continued with a lyrical enactment, sensitively portraying his philosophy of perseverance and his abiding message of never giving up.

Carrying this vision forward, Respected Mr. Varun Sharma, President, addressed the gathering, drawing a meaningful connection between Shri Gopal Sharma Sir's farsighted thinking and the present times. He emphasised that being truly future-ready lies not merely in keeping pace with emerging technologies, but in developing the ability to observe, understand, and respond thoughtfully to change—supported by a strong foundation in Mathematics, Science, and holistic learning.

Ms. Agalya Venkatesh, Principal, MVN17 in her insightful address spoke about the values that lie at the heart of meaningful success—values that echo the educational philosophy of Respected Shri Gopal Sharma Sir. Highlighting Hard Work, Honesty, and Humility, she shared a simple yet powerful story of balloons of different colours, reminding students that it is not outward appearance but inner strength and character that enable one to rise and succeed.

The programme progressed towards its conclusion with a collective pledge by the students, reaffirming their commitment to values, responsibility, and service to parents, teachers, society, and the nation. In a closing gesture of respect and gratitude, coordinators, teachers, and students offered their Shraddhanjali, expressing reverence through floral offerings and silent reflection.

The observance concluded in an atmosphere of quiet dignity, reaffirming the MVN family's commitment to walk steadfastly on the path illuminated by its Founder Principal.

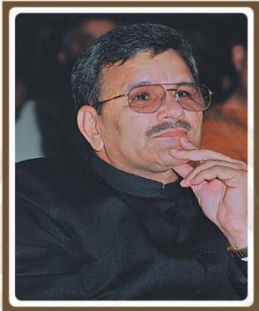

“A vision rooted in values continues to guide, inspire, and shape generations.”

A LIFE SUBLIME, A LEGACY EVERLASTING

SHRI GOPAL SHARMA
FOUNDER - MODERN VIDYA NIKETAN
(23/02/1952 – 19/12/2004)

*In the hallowed precincts of learning, your vision still breathes.
You, the harbinger and the maestro planted the seeds of knowledge,
Shaped tender hearts to soar ever higher.
Sir, you remain our eternal guiding light.*

*What you built is far more than an institution;
It is a sanctuary of thought,
A citadel of aspiration where countless dreams take flight.
Sir, you are, and will always be, our beacon of inspiration.*

*Your legacy of unwavering perseverance calls out to us each day
In the earnest striving of every student, In the steadfast commitment of every educator,
Who carries forward the torch you once kindled,
Sir, you are the enduring spirit that binds us as a community.*

*Your legacy transcends the past;
It is the living heartbeat of our present,
The steadfast compass illuminating our future.
Sir, you are the eternal flame that keeps the MVN spirit alive.*

SUBJECT WEEKS

SOCIAL SCIENCE WEEK

A week dedicated to nurture awareness, creativity, and civic responsibility among students.

The first three days were a wonderful blend of art, innovation, and intellect:

Day 1 - Monday (6th October):

Students enthusiastically participated in Poster Making on the theme “Go Vocal for Local” , students also wrote Slogans on promoting Indian goods and self-reliance. The activity encouraged young learners to appreciate the value of indigenous products and the spirit of Atmanirbhar Bharat (Self-Reliant India).

Day 2 - Tuesday (7th October):

The theme of sustainability came alive through Best Out of Waste and Decorative Craftwork activities. Students used recycled materials to create beautiful festive decorations, spreading the message of environmental consciousness and responsible celebration.

Day 3 - Wednesday (8th October):

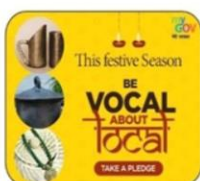

An exciting Quiz Competition tested students’ knowledge of current affairs and Indian culture. The quiz not only enhanced learning but also promoted teamwork, quick thinking, and curiosity about the world around them.

These three days reflected the core essence of Social Science – connecting knowledge with action, and empowering students to become informed, creative, and responsible citizens of tomorrow.

Social Science Week

OCTOBER 06 - 10, 2025

CLASSES VI TO VIII

Day 1 – Monday (6th October)

- **Poster Making:** Theme – “Go Vocal for Local”.
- **Slogan Writing:** On promoting Indian goods and self-reliance.

Day 2 – Tuesday (7th October)

- **Best out of Waste:** Creative “Go Green” activity for the festive season.
- **Decorative Craftwork:** Using recycled materials to prepare creative decorative items for festive celebrations.

Day 3 – Wednesday (8th October)

- **Quiz:** Enhances learning, tests knowledge, encourages critical thinking and makes education engaging and fun. Quiz on current affairs & Indian culture.

Day 4 – Thursday (9th October)

- **Commemoration:** Honouring Param Vir Chakra and Gallantry Award winners through informative presentations.

Day 5 – Friday (10th October)

- **Mock Parliament (Classroom Simulation):** Students will enact parliamentary proceedings to understand the functioning of democracy and the role of youth in nation-building.

Day 4 & Day 5

The Social Studies Department organized SST Week for Classes VI to VIII, with the objective of fostering awareness about national values, patriotism, and civic responsibility among students.

Day Four featured an activity conducted to commemorate the Gallantry Award winners who have shown extraordinary courage and dedication in serving the nation. Students expressed their admiration through poster making and poem writing, honouring the unsung heroes who safeguard the country both on the borders and within.

On Day Five, students enthusiastically participated in a Mock Parliament Session, where they enacted the roles of Lok Sabha members. They debated and discussed various social and national agendas, reflecting on both governmental initiatives and opposition viewpoints. The session provided an engaging platform for learners to experience the functioning of democratic institutions while developing confidence, analytical skills, and public speaking abilities.

At MVN, we not only teach a subject – we nurture responsible citizens of the nation. Our aim is to bring out the best in every student's overall personality, ensuring the holistic development of each child. We pledge to produce responsible human resources while nurturing the future generation with cultural values, national ethos, and humanitarian principles.

These activities collectively aimed to instill values of patriotism, enhance communication and creative expression, and foster appreciation for social responsibility. The SST Week thus successfully achieved its purpose of shaping informed, empathetic, and responsible citizens of tomorrow.

HINDI WEEK

विविधताओं से भरे इस देश में
लगी भाषाओं की फुलवारी है.
इनमें हमको सबसे प्यारी हिंदी
मातृभाषा हमारी है।

The Hindi Week was celebrated with great enthusiasm and creativity by the students of VI - VIII. The objective was to promote love and respect for the Hindi language and to encourage students to express themselves through various literary and cultural activities. Each day of the week was dedicated to a special event that reflected the richness and beauty of Hindi.

Day 1: Word Antakshari

The celebration began with a fun-filled activity of Shabd Antakshari conducted in the classrooms. Students participated actively, taking turns to form words from the last letter of the previous word. The competition created a lively atmosphere while improving vocabulary and quick-thinking skills.

Day 2: Poetry Recitation

On the second day, a Poetry Recitation Competition was organized on themes such as Nature, Patriotism and Childhood. Students presented their poems with confidence and expression. The activity helped enhance their pronunciation, rhythm and emotional delivery.

Day 3: Crossword Puzzle

The third day featured a Hindi Crossword Puzzle which was conducted in the classrooms. This engaging activity tested students' knowledge of Hindi words and language concepts. It also encouraged teamwork and problem-solving abilities.

The first three days of Hindi Week were marked by enthusiastic participation, collaboration and creativity among students. Each activity, from the engaging Word Antakshari to expressive Poetry Recitation and challenging Crossword Puzzle, contributed significantly

to developing linguistic skills, cultural appreciation and confidence in Hindi. The vibrant atmosphere and collective efforts fostered a deeper connection with the language, igniting pride and respect for Hindi among all participants. These activities laid a strong foundation for the week, inspiring students to embrace Hindi with joy and dedication in their everyday lives.

"Hindi is the heart of India; to cherish it is to honour our culture."

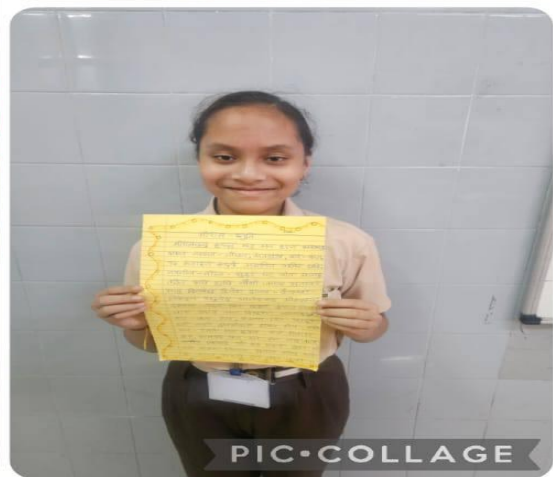

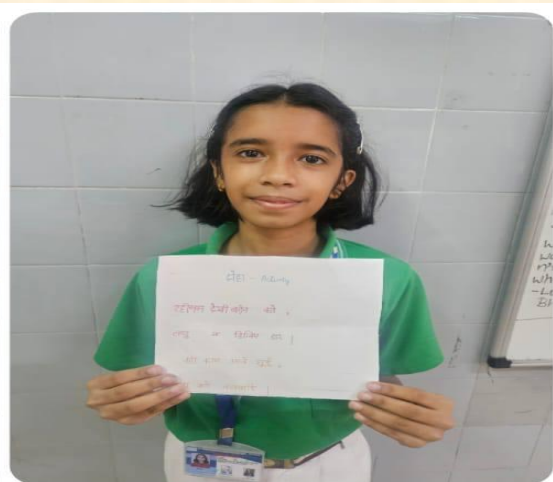

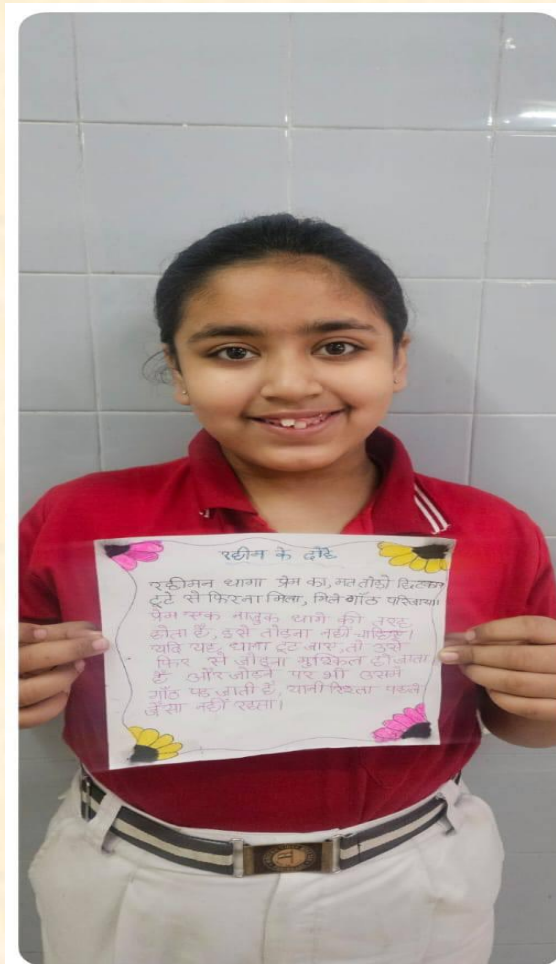

Day 4: Bhajan / Doha / Chaupai Presentation

On the fourth day of the Hindi Week, students showcased their talent by presenting soulful Bhajans, memorable Dohas, and rhythmic Chaupais. Each participant was given the freedom to choose between singing and writing, which encouraged diverse forms of expression. The heartfelt performances filled the school atmosphere with devotion, rhythm, and the poetic beauty of Hindi, reflecting the deep spiritual and cultural roots of India. This occasion reinforced the value of Hindi literature and inspired students to explore traditional poetic forms.

Day 5: Story Writing / Narration

The final day was marked by a creative Self-Composed Story activity, conducted in both oral and written forms. Students enthusiastically shared their original short stories, bringing out their imagination and narrative skills. This activity not only promoted originality and self-expression but also encouraged students to use Hindi confidently in creative genres. Every performance was met with appreciation, further igniting the students' love and pride for the language.

The events of these days successfully fostered an environment of creativity and respect for Hindi, concluding the week with an enriched sense of cultural pride and unity among the students.

MATHEMATICS WEEK

Celebrating the Joy of Maths- Think • Explore • Imagine

Mathematics Week 2025, began with great enthusiasm as students from Classes VI–VIII engaged in a series of exciting and meaningful activities. Day 1 introduced them to the fascinating world of prime numbers through the Sieve of Eratosthenes, helping them explore number patterns and sharpen logical skills. On Day 2, students enjoyed the interactive activity “Help the Caterpillar Reach Its Food,” which made learning decimals fun and application-based. Day 3 further ignited their creativity as they explored and designed 3D mathematical illusions, enhancing their spatial understanding and imagination. The first three days beautifully blended learning with hands-on exploration, setting a vibrant tone for the rest of Mathematics Week.

MATHEMATICS WEEK

CLASSES VI- VIII

DATE : 17 TO 21 NOVEMBER 2025

Mathematics week is being celebrated to enhance creative skills, analytical abilities and logical reasoning of the students

Activities

Day 1

- Sieve of Eratosthenes
- Prime Numbers

Day 2

- Help the Caterpillar to reach its food
- Decimals

Day 3

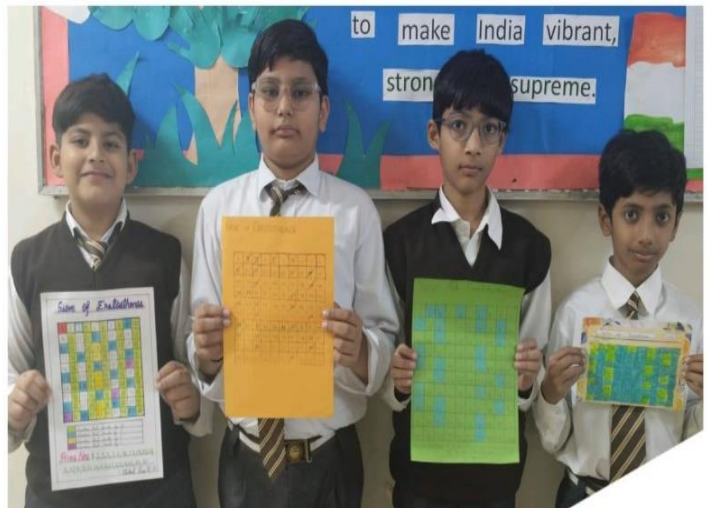

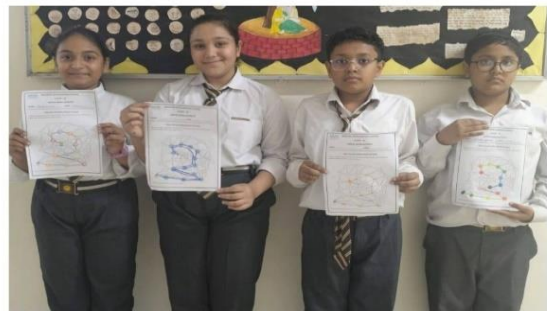

- Exploring and creating 3D Mathematical Illusions

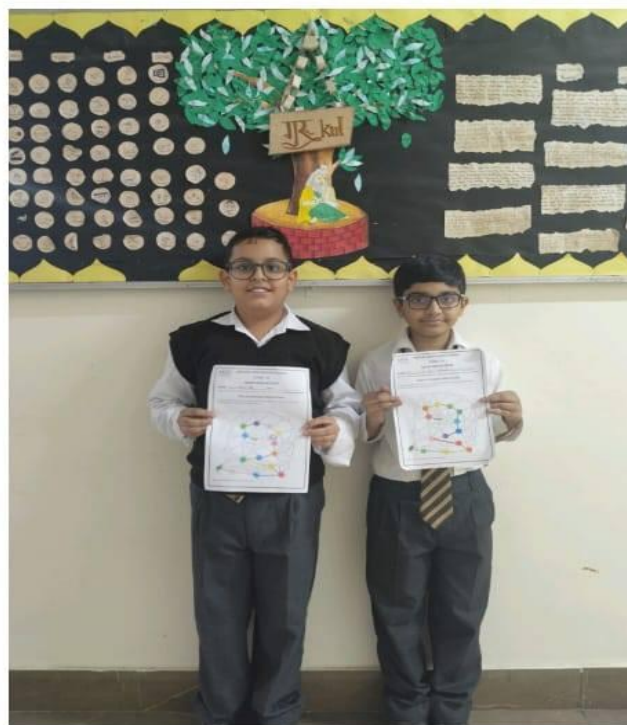

Day 4

- Colour by Solution
- Linear Equations
- Geogenius Creations

Day 5

- Speed smart with Vedic Art

Maths in Motion

Creativity · Logic · Speed

Mathematics Week concluded with two vibrant and enriching days filled with colour, creativity, and sharp mental agility.

On Day 4, students explored maths in a creative way through the activity “Colour by Solution – Linear Equations”, where solving equations led them to reveal hidden patterns and colourful designs. They also showcased their imagination through Geogenius Creations, turning geometric concepts into beautiful artistic models. The day blended logic with art, helping students visualise mathematics in an exciting new form.

Day 5 wrapped up the week with the energetic activity “Speed Smart with Vedic Art”, where students learned quick and efficient Vedic Maths techniques to enhance their calculation speed. The enthusiasm and confidence displayed by the learners reflected how enjoyable and powerful mathematical shortcuts can be.

The last two days truly celebrated the spirit of experiential learning—making mathematics meaningful, creative, and fun!

ROBOTICS WEEK

Our young innovators from Classes VI to VIII successfully completed an exciting Robotics Week, filled with creativity, technology, and hands-on learning! Students worked enthusiastically on real-life automation projects and explored how robotics plays a key role in our everyday life.

Day-wise Achievements:

Day 1: Smart Light Controller – Students learned how lights can turn ON/OFF automatically, saving energy.

Day 2: Mood Light Challenge – They programmed RGB lights to change colors based on different moods.

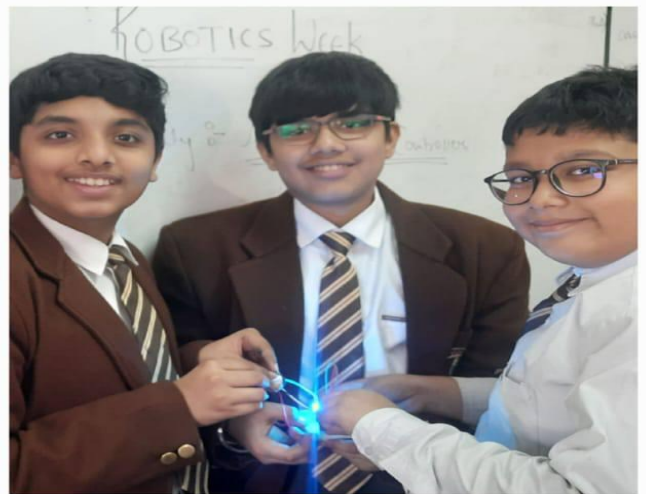

Day 3: Smart Security System – A mini alarm system that activates when LDR detected light.

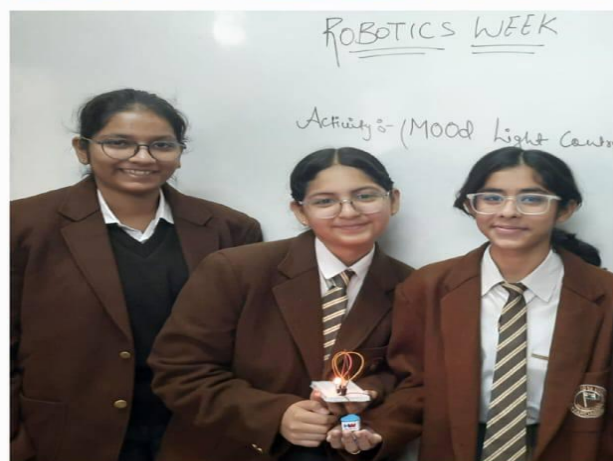

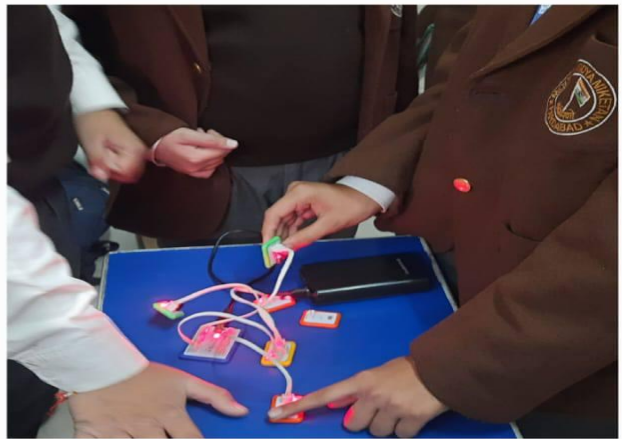

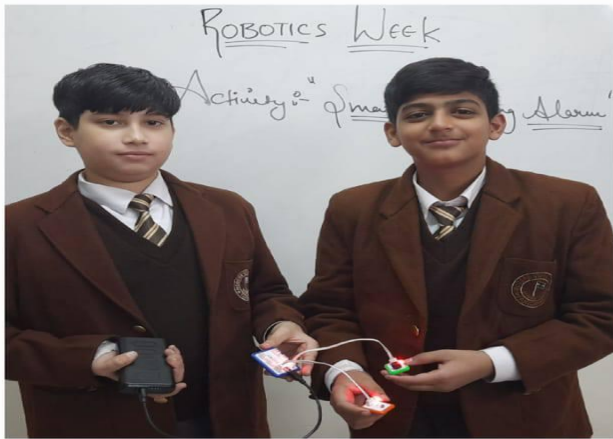

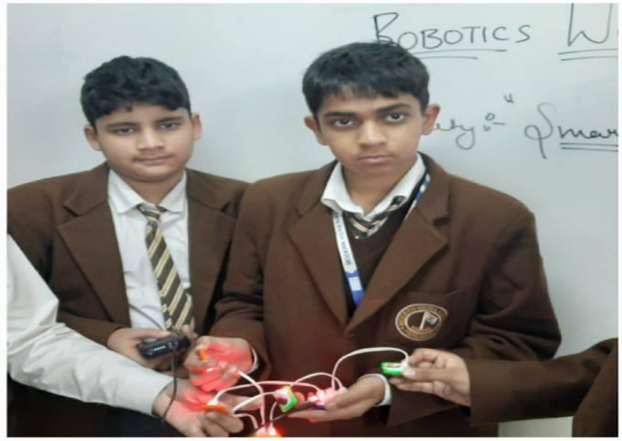

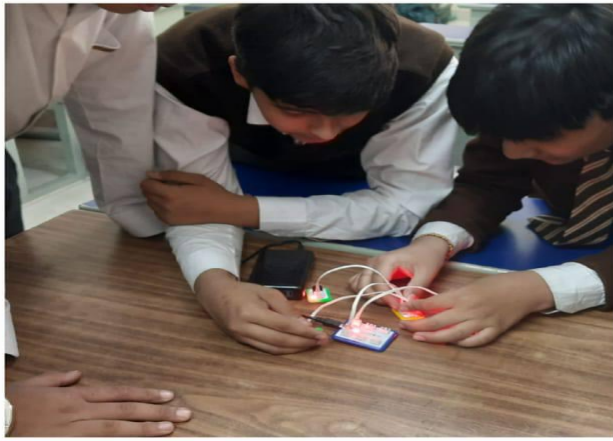

Day 4: Street Light 2.0 – An upgraded light system that glows only when needed to conserve power.

Day 5: Automatic Doorbell Simulation – A smart entry alert system for homes and buildings.

Throughout the week, students developed skills in electronics, coding, automation, and problem-solving, preparing themselves for the future of technology!

READ | RESEARCH | REFLECT PROGRAM

Library as a Learning Hub – Read | Research | Reflect Program

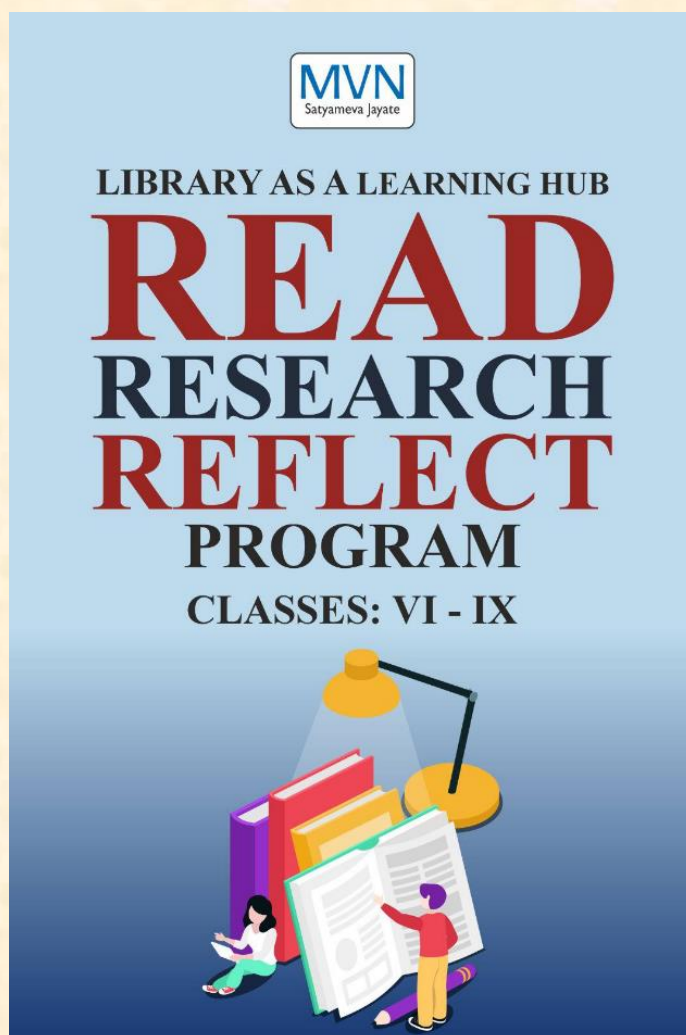

Classes: VI – IX

Our library came alive with learning and creativity as students participated in the Read, Research, Reflect Program through a team-based activity.

Students worked collaboratively to present their chosen books in innovative ways. Each team showcased their understanding through PowerPoint presentations, role plays, speeches, and group discussions, making the learning process engaging and interactive.

This activity helped students enhance their reading habits, research skills, communication abilities, teamwork, and critical thinking. It was wonderful to see young learners confidently expressing their ideas and reflecting on what they read.

The library truly proved to be a learning hub, inspiring curiosity, creativity, and collaborative learning among students.

ACTIVITIES

BRITISH COUNCIL'S LEARNING SECTORS PROGRAM

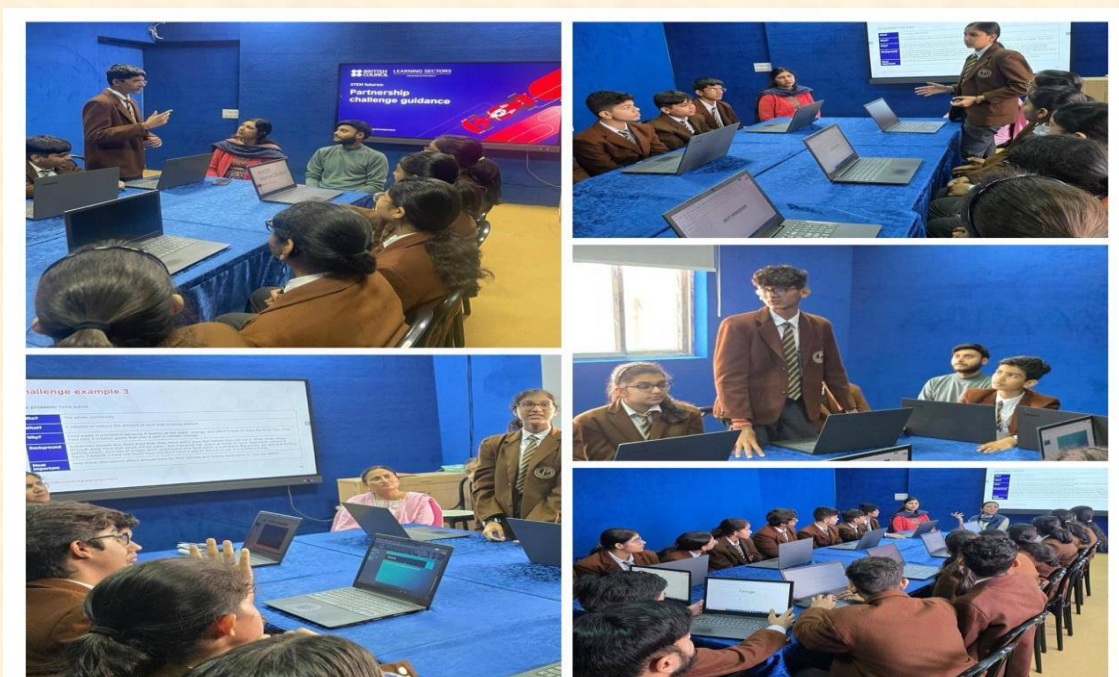

“British Council Learning Sectors Program” – A Global, Student-Led Journey Begins!

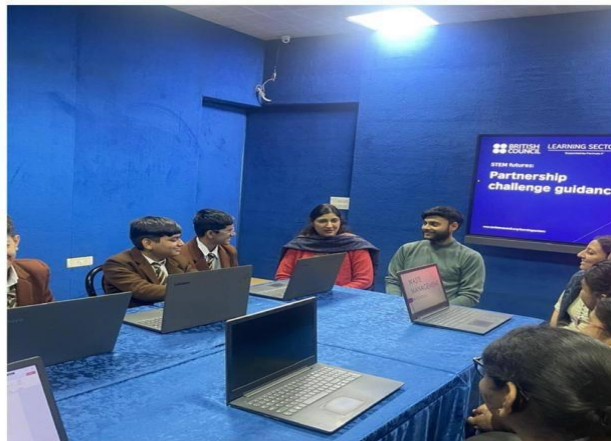

The school joins the British Council’s prestigious Learning Sectors Program in collaboration with Formula 1—an inspiring initiative that places students at the heart of learning. This program offers young learners a unique opportunity to think creatively, explore new ideas, research real-world challenges, and grow through meaningful international collaboration.

Schools from India, the UK, and South Africa have been grouped into cohorts, MVN 17 partners with Ellesmere Port Catholic High School, UK. Together, the students exchange country-specific challenges, take the lead, and design impactful solutions.

Our students are currently working on the challenge “How to reduce waste as a school community”, and they are already brimming with ideas—driving the process with enthusiasm, curiosity, and leadership.

A truly enriching journey of global learning and student empowerment has begun!

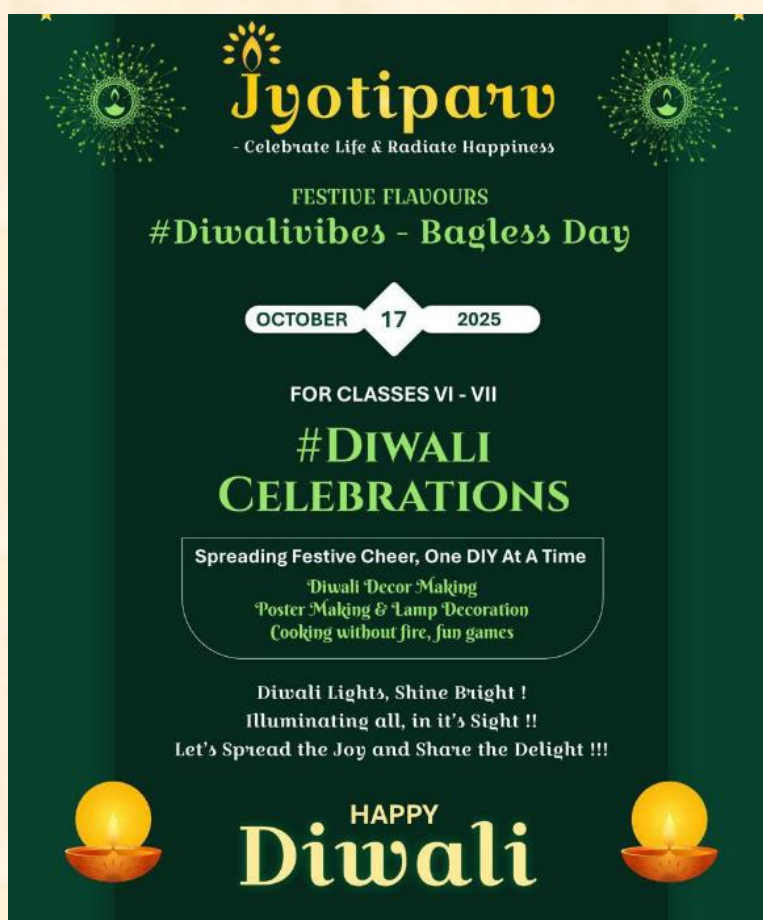

DIWALI CELEBRATIONS

The Diwali celebrations were marked by the vibrant event "Jyotiparv – Celebrate Life & Radiate Happiness" organized for classes IX and X. Under the theme "Festive Flavours @ Diwali vibes," students participated in a variety of eco-friendly activities on October 17, 2025, such as creating radiant rangolis and themed display boards.

A special highlight of this year's celebration was the diverse range of thought-provoking board decorations inspired by topics such as "Science Behind the Sparkle," "Eco-Friendly Diwali," "From Darkness to Light," and "Rangoli of Cultures, Unity in Diversity." These themes encouraged students to explore Diwali's scientific, cultural, historical and ethical dimensions, promoting values like innovation, environmental awareness, compassion and unity.

The event promoted the idea of celebrating Diwali the eco-friendly way, bringing together students in a joyful, educational atmosphere imbued with the essence of togetherness and responsible festivity.

MUG AND T-SHIRT PAINTING

Creativity Unleashed!

Students from Grades VI to VIII dazzled us with their artistic flair in the Mug and T-shirt Painting Activity held on November 6th!

With acrylic colours in hand, our young Picassos transformed plain mugs and tees into masterpieces, reflecting their unique style and creativity! The energy was electric as they explored colours, patterns, and themes, making art a part of their own story!

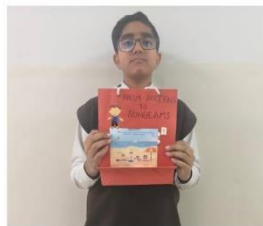

GREEN QUEST DRIVE: ECO-FRIENDLY BAG-MAKING & SLOGAN WRITING

Green Quest Drive: Eco-Friendly Bag-Making & Slogan Writing Activity

As part of the Green Quest Drive Initiative, students of Classes VI to VIII enthusiastically participated in a combined Eco-Friendly Bag-Making and Slogan Writing Activity held on 4th December, 2025. The activity aimed to instill environmental awareness, encourage sustainable practices, and promote mindful living among young learners. Students prepared paper bags and cloth patch bags—using cloth patches thoughtfully sewn at home—to highlight the importance of reducing plastic waste and shifting towards eco-friendly alternatives. Each student wrote a meaningful slogan on their bag itself, based on their class themes: Heal the Earth, Heal Ourselves for Class VI, Healthy Mind, Healthy Body for Class VII, and Digital Detox / Digital Wellness / Screen Balance for Class VIII. These creative bags, now displayed in classrooms, will serve as eco-friendly collectors for trash, misplaced objects, and lost items, helping maintain a clean and organized environment. Through this thoughtful initiative, students demonstrated that even simple acts can contribute significantly to building a greener, cleaner, and more mindful world.

VISIT TO THE OLD AGE HOME

"Shining a Light on Compassion: MVN Students Spread Joy at the Old Age Home this Diwali!"

Diwali, the Festival of Lights, is a time of celebration, joy, and togetherness. It also provides an opportunity to express gratitude, particularly towards the elderly, who hold a wealth of wisdom and life experiences. With the aim to inculcate the value of gratitude, our school organised a visit to the Old Age Home for the students of Classes VI. This initiative aimed to instill the value of gratitude and compassion in young minds.

The children began by singing a devotional song and presenting a graceful dance, filling the atmosphere with warmth and positivity. They interacted with the residents with their innocent queries about their daily routines, lifestyle and the care facilities provided. The interaction helped the students gain a deeper understanding of the lives and challenges of the elderly and seek their blessings.

Students enthusiastically shared dry fruits and groceries with the residents as a gesture of respect and affection. Highlight of the visit was a video call with Mr. Arun Mehra, the founder of the Old Age Home, who shared an inspiring message about empathy, respect, and service towards elders. The visit was a transformative experience for both the students and the elderly, fostering a bond of love and gratitude that highlighted the true spirit of Diwali.

Diwali is about the triumph of light over darkness, and honouring the elders who have guided families with wisdom as a way of embracing that light.

This visit created lasting memories, inspiring MVNites to become more compassionate and socially responsible individuals.

The day echoed,

"Their wrinkles tell stories of strength, their smiles whisper lessons of love — our elders are the living treasures of time."

VISIT TO MVN KHAMBI

“Sharing joy is the essence of every celebration.”

To celebrate the spirit of Diwali, the Festival of Lights, the students of Class VIII visited Shri Gopal Sharma Modern Vidya Niketan School, Khambi with hearts full of warmth and generosity. The visit aimed to share happiness, compassion, and the message that true celebration lies in bringing smiles to others. The atmosphere was filled with love and laughter as students interacted cheerfully with the children, sharing stories and festive cheer.

As a gesture of affection, the students distributed fruits, colours, biscuits, chocolates and stationery items, making the day brighter for the young learners at Khambi. The visit was not only an act of kindness but also a valuable lesson in empathy and gratitude. The school echoed with joy as both groups celebrated the essence of Diwali together—spreading light, friendship, and happiness. The experience left an enduring impression on the students, inspiring them to embrace generosity and compassion in their everyday lives.

VISIT TO GOONJ NGO

The students of Classes XI and XII visited Goonj NGO on Tuesday, 25th November, as part of an educational initiative aimed at enhancing social awareness. The visit began with an introduction session where the team introduced the organisation's objectives, operational model, and nationwide impact. This provided students with a clear understanding of Goonj's role in addressing social challenges through responsible resource utilisation.

During the tour, students observed the systematic process of sorting, segregating, and packaging donated materials. They were introduced to key initiatives such as Rahat, which supports disaster-affected regions, and Green by Goonj, which promotes sustainability and mindful waste management. The detailed demonstration helped students understand how organised efforts can transform contributions into meaningful support for communities.

A significant highlight of the visit was Goonj's emphasis on preserving the dignity of individuals receiving aid. Rather than treating donations as charity, the organisation encourages community involvement and respectful engagement. This perspective left a strong impact on the students, making the visit both informative and insightful, and fostering a deeper sense of social responsibility.

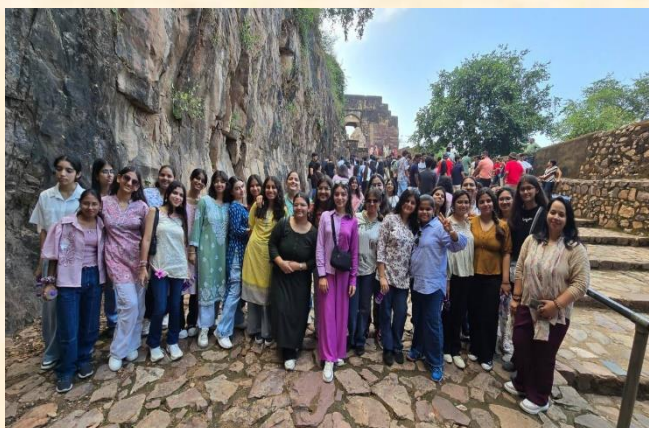

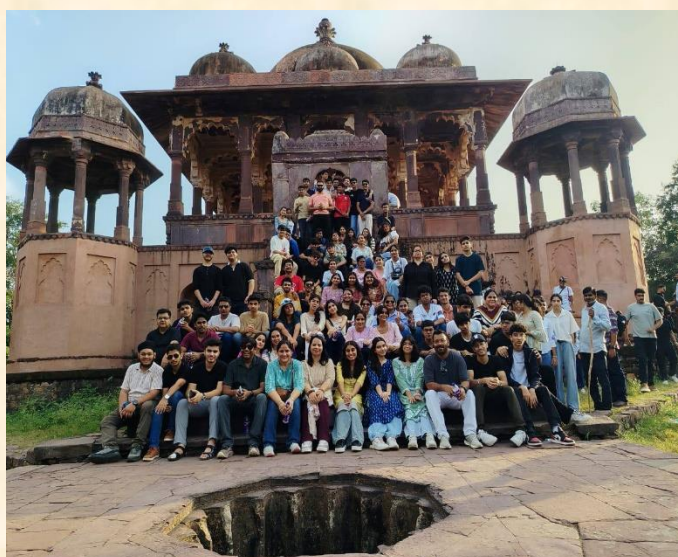

✦ RANTHAMBORE EDUCATIONAL EXCURSION ✦

A perfect blend of wildlife wonder and historical discovery.

CLASS -XI

The students of Class XI recently embarked on an unforgettable trip to the Ranthambore Tiger Reserve. The journey began with excitement and laughter as the comfortable travel arrangements made the long route enjoyable. Upon arrival, the group was welcomed with warm hospitality and excellent accommodation surrounded by nature's tranquility. Delicious and hygienic meals were served throughout the stay, offering both local and continental dishes. The highlight of the trip was the thrilling wildlife safari through the dense forests of Ranthambore. Students witnessed majestic animals like deer, peacocks, wild boars, mongoose chinkara and various exotic birds in their natural habitat, creating memories to cherish forever. The experience not only ignited a sense of adventure but also deepened the students' respect for wildlife conservation. The trip combined learning, fun, and exploration, making it one of the most memorable educational excursions of the academic year.

Students of Classes IX and X embarked on an enriching two-day educational trip to Ranthambore on 15th and 16th November, where learning blended beautifully with adventure.

The visit began with an exhilarating jungle safari, offering students a rare opportunity to witness the diverse wildlife of Ranthambore National Park in its natural habitat. The majestic landscapes, vibrant birdlife, and the excitement of spotting animals in the wild left everyone truly mesmerized.

Students also explored the historic Ranthambore Fort, a UNESCO World Heritage Site, where they learned about its rich architectural legacy and the stories that echo through its ancient walls. A peaceful and spiritually uplifting visit to the revered Ganesh Temple within the fort added to the experience.

The group then visited the Rajiv Gandhi Regional Museum of Natural History, gaining insightful knowledge about the biodiversity, ecology, and conservation efforts in the region.

The trip was a perfect blend of history, nature, and learning—broadening horizons, building memories, and strengthening bonds among students.

AN EDUCATIONAL TRIP TO AKSHARDHAM TEMPLE

“When we learn good values, we grow into better human beings.”

The Akshardham Temple is a famous spiritual and cultural place located in New Delhi. It is known for its beautiful carvings, peaceful surroundings and strong message of Indian culture and values. The word Akshardham means the eternal home of God.

An educational trip to the Akshardham Temple was organised for the students of Grades IV -VII on 23rd December, 2025. The students were very excited as it was a day full of learning and enjoyment.

During the visit, the children watched an interesting show that depicted the life and teachings of Shri Swaminarayan. They also enjoyed a wonderful boat ride, which took them through India's rich history, traditions and achievements. The boat ride was the most exciting part of the visit and left the students amazed.

The students were mesmerised by the grand architecture of the temple and the beautiful displays of animals, plants and figures that taught lessons of kindness, honesty and respect. The calm and clean environment helped the children understand the importance of peace and good values.

The trip was both educational and enjoyable. The students returned with happy memories, new knowledge and a deeper respect for India's culture and heritage. It was truly an enriching and memorable experience for everyone.

WORKSHOPS

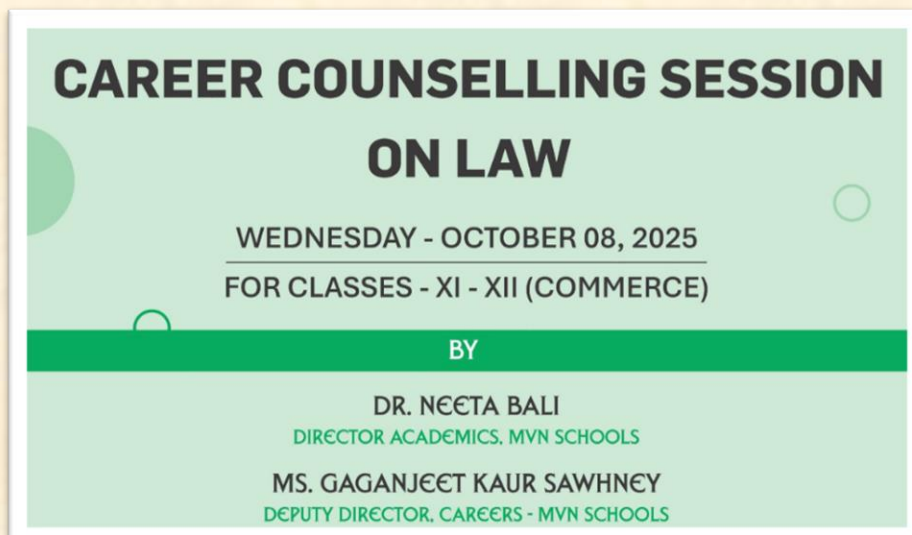

CAREER COUNSELLING SESSION ON LAW CLASSES XI & XII

In today's fast-paced world, having expertise in every domain carries immense significance, be it politics, sociology, economics, or even law. Considering the role of law in every field, from corporates to politics, institutions that influence day-to-day lives, from courtrooms to corporates.

The school conducted a workshop on Career options in the field of law for students of classes XI and XII. This session was conducted by Director Academics, Dr. Neeta Bali and Deputy Director Ms. Gaganjeet Kaur Sawhney. The highly resourceful session emphasized on emerging fields like corporate law, taxation law, sustainability laws, Tech & cyber laws, Intellectual Property laws, sports laws and labour law.

Students were also made aware about the various law examinations like CLAT (Common Law Admission Test), AILET (NLU Delhi), MHCET-Law, SLAT (Symbiosis Law Admission Test) so as to pursue integrated programmes like BA-LLB in the field of law and admissions in top-notch institutions like NLUs. Students were also made aware about the examination pattern of these and the possibilities to pursue LLB-M.

Therefore, this session was highly enlightening for students of Class XI and XII (Commerce), who are in the midst of their career building years. Such sessions are highly insightful as they help students to explore new trends in their careers and break pre-conceived notions.

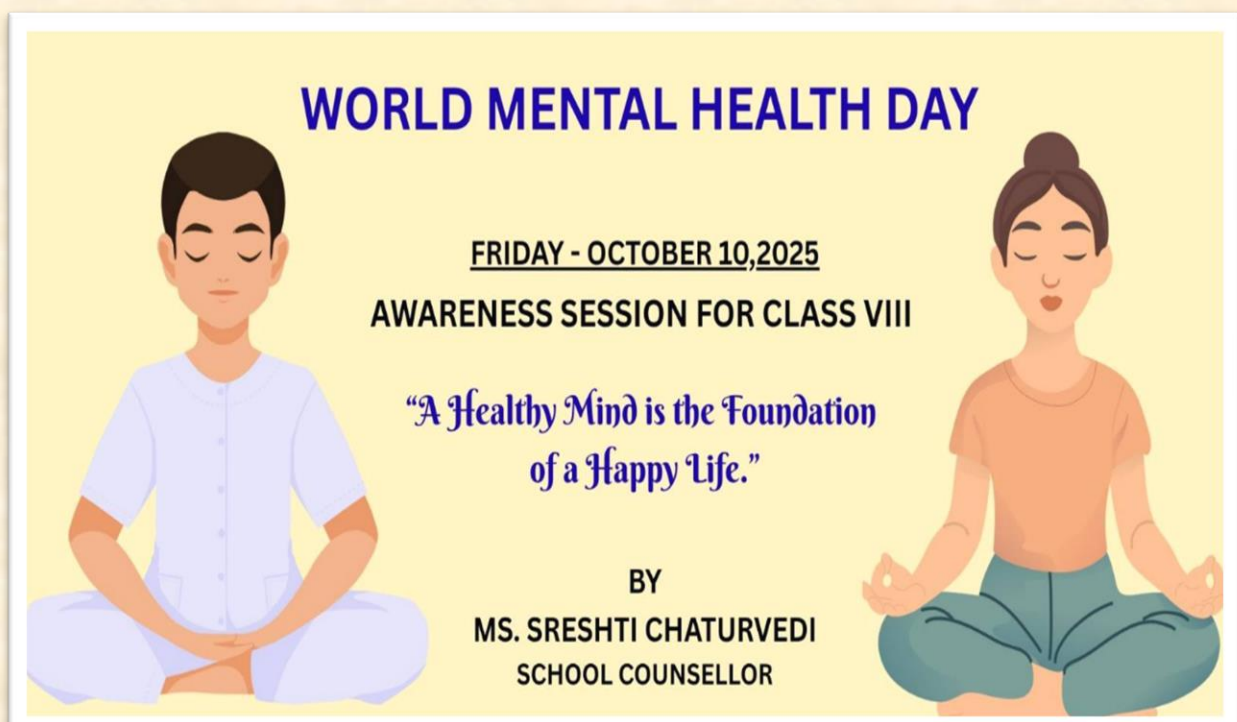

MIND MATTERS: AN OPEN TALK WITH CLASS VIII

“A healthy mind is the foundation of a happy life.”

On the occasion of World Mental Health Day celebrated on 10th October 2025, our school counsellor, Ms. Sreshti Chaturvedi, conducted an engaging open discussion session for the students of Class VIII. The session began with a warm introduction on the significance of this day to spread awareness, break the stigma around mental health and encourage open conversations. Students were reminded that mental well-being is as vital as physical health and each one of us plays a role in creating a supportive community.

A short video featuring a celebrity message on prioritizing mental health was shown, emphasizing that even successful people face challenges and seek help. Students then participated in a lively discussion on healthy and unhealthy coping mechanisms, learning that while it's normal to feel emotions like anger or sadness, managing them positively is a true sign of strength.

In the reflection activity, students wrote about what they would do when they feel angry or agitated identifying their own healthy coping mechanisms like deep breathing, talking to someone they trust or engaging in hobbies and pasted them on a “Coping Board.” The activity encouraged self-awareness and served as a gentle reminder that emotions are valid and managing them mindfully leads to a healthier, happier self.

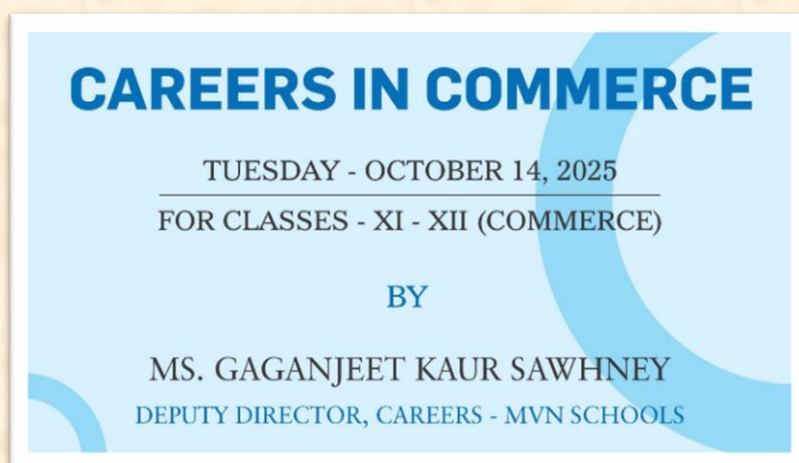

CAREERS IN COMMERCE

A special session on “Careers in Commerce” was conducted, under the guidance of Ms. Gagandeep Kaur Sawhney, Deputy Director Careers , MVN Schools.

The session began with a warm welcome address, setting the tone for an insightful exploration of career opportunities in the Commerce stream. Ms. Sawhney shared her vast knowledge and experience, guiding students about the various professional avenues available beyond traditional options. She emphasized the importance of self-awareness, skill development, and timely decision-making in choosing the right career path. The interactive session highlighted emerging fields such as finance, entrepreneurship, business analytics, digital marketing, law, economics and management, encouraging students to explore their interests with confidence. Ms. Sawhney also addressed students’ queries and motivated them to make informed choices based on their aptitude and passion.

The assembly concluded with a vote of thanks to the resource person for her valuable insights and inspiration. The session proved to be highly enriching, leaving students better informed and inspired to shape their future careers in commerce.

MASTERING TIME, MASTERING SUCCESS

“The way we spend our time defines who we are.”

The school conducted an insightful and interactive session on Time Management for Class X students on Thursday, November 6, 2025.

The session was led by Ms. Gaganjeet Kaur Sawhney, Deputy Director, Careers – MVN Schools, who enlightened students on how to prioritize tasks, balance academics with personal goals, and use every minute wisely to achieve excellence.

Students gained valuable strategies to manage their schedules effectively, overcome procrastination, and make the most of their study time as they prepare for board examinations.

✨A session that truly inspired our young learners to plan smarter, stay focused, and turn every moment into an opportunity for growth!

TIME MANAGEMENT

THURSDAY - NOVEMBER 6, 2025

FOR CLASS - X

BY

MS. GAGANJEET KAUR SAWHNEY

DEPUTY DIRECTOR, CAREERS - MVN SCHOOLS

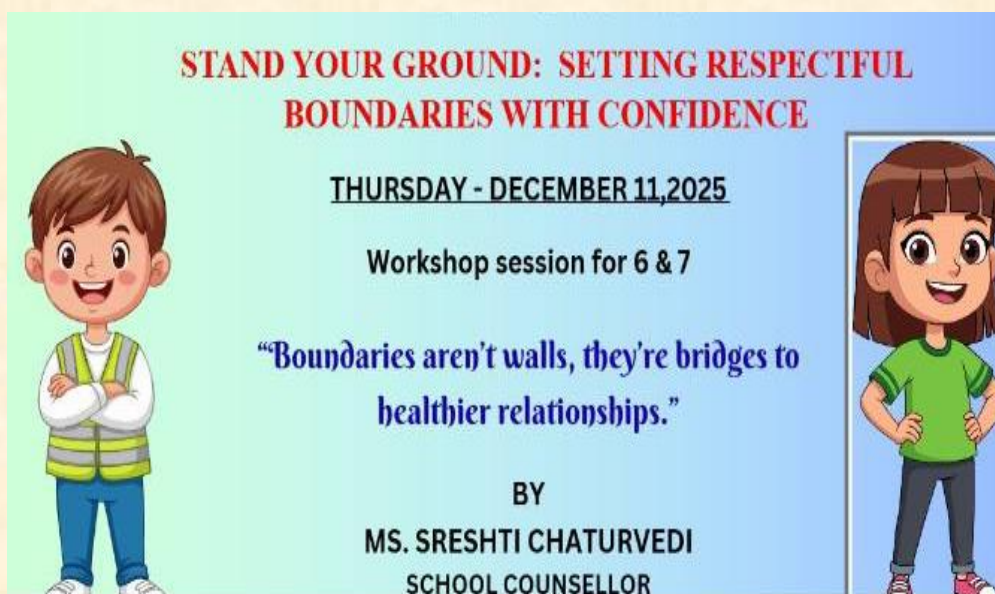

HOW TO SET RESPECTFUL BOUNDARIES WITH CONFIDENCE

“Boundaries are not walls, they are bridges to self-respect and healthy relationships.”

With this message, the school counsellor Ms. Sreshti Chaturvedi conducted an engaging workshop titled “Stand Your Ground: How to Set Respectful Boundaries with Confidence” for students of Classes VI and VII on 11th Dec’25. The session began with an interactive discussion highlighting that boundaries are important not only for protecting oneself but also for respecting others’ feelings, space and choices. Through relatable school-based examples of friendships, group work and playtime, students explored how healthy boundaries help build trust, safety and mutual respect.

Before moving into activities, the counsellor introduced practical confidence tips to help students express boundaries calmly and respectfully. Students learned the importance of using a clear voice, maintaining eye contact, using “I feel” statements, listening carefully and accepting a “no” from others without argument. Emphasis was placed on managing emotions, thinking before responding and understanding that respecting someone else’s boundary is just as important as setting one’s own.

The workshop concluded with interactive role-plays based on real-life situations such as peer pressure, teasing and personal space concerns. Students practiced both roles like setting boundaries and respecting them by using the confidence tools shared earlier. The session ended on a positive and empowering note, encouraging students to carry these skills into their daily lives.

ACHIEVEMENTS

CBSE REGIONAL SCIENCE EXHIBITION 2025

TEAM MVN 17 QUALIFIES FOR NATIONALS IN CBSE REGIONAL SCIENCE EXHIBITION

Our senior-category project, “Waste to Watts,” presented by Class IX students Moksh Sharma and Krishna Thakral, impressed the jury with its creativity, scientific temperament, and sustainable vision. The project earned a well-deserved spot in the national round under the theme “STEM for Viksit & Atmanirbhar Bharat” and the sub-theme “Green Energy.”

This remarkable achievement highlights the dedication, innovation, and problem-solving brilliance of our students and their mentors. Team MVN continues to shine as a hub where ideas grow, minds innovate, and future scientists take shape.

A hearty congratulations to our young achievers—wishing them the very best as they move forward to represent MVN at the national stage!

**TEAM MVN 17 SHINES & QUALIFIES FOR NATIONALS
IN
CBSE REGIONAL SCIENCE EXHIBITION (2025–26)**

Heartiest Congratulations ! God Bless !!

CLAT 2025

We proudly celebrate the remarkable success of our students in the CLAT 2025 (Common Law Admission Test).

Heartiest congratulations to our star achievers:

✦ Yatika Agrawal (Class XII) – AIR 644

✦ Sweta (Class XII) – AIR 1136

Your dedication, perseverance, and academic excellence have brought great honour to the MVN family. This achievement reflects not only your hard work but also the constant guidance of our teachers and the unwavering support of your parents.

We wish you continued success as you step confidently into the world of law and leadership.

MRMUN 2025

MVNites participated in MRMUN, held at the Manav Rachna University campus on 19th and 20th December. The conference provided an enriching platform for students to deliberate upon international agendas and global issues through structured debate and discussion.

We are pleased to announce that:

- Tanvi Chauhan (Class VIII) was awarded High Commendation in the ILC Committee.
- Paavani Bhatnagar (Class VIII) received a Special Mention in the UNICEF Committee.

The objective of sending school delegations to such conferences is to empower students with global exposure while nurturing brainstorming abilities, critical thinking, empathy, collaboration, and diplomatic skills. These experiences play a vital role in shaping socially aware, confident, and responsible global citizens.

The school congratulates the entire delegation, with special appreciation for the awardees, and looks forward to many more such achievements in the future.

HEARTIEST CONGRATULATIONS!

ABHIVYAKTI 2025

Ganika Shekhawat and Aarna Sood of Class V brought laurels to MVN School, Sector-17 by securing 3rd position in the inter-school art competition on the theme “Palette on a Coaster”, held at DAV Public School, NTPC, Faridabad.

Their artwork stood out for its creativity, refined color palette, and artistic finesse, earning high appreciation from the judges. This achievement reflects the students’ dedication and the school’s commitment to nurturing artistic excellence.

ROSCOSMOS 2025

Gaurik Verma of Grade V, got the incredible opportunity to present his innovations—a mechanical robotic hand and a robotic bow for deorbiting space debris—at The Russian House, New Delhi.

He showcased his ideas to Mr. Dmitry Bakanov, General Director of Roscosmos, who was in India to speak about space sector development and international cooperation.

His concept was highly appreciated by the Director of the Russian Science Center, the Director of Roscosmos, and the entire audience. To top it all, Russian TV representatives also interviewed him! So proud of this milestone—may this be the beginning of many more achievements

13TH SHRI HARI INTERSCHOOL SCI-SPECTACLE

Our students delivered remarkable performances at the Inter School event hosted by Vidya Mandir Public School, Sector 15A, where 25 schools and over 300 students competed with great enthusiasm.

First Prize – TED Talk

- Gauri Khatter
- Ikshita Gupta

Their compelling ideas and eloquent presentation captivated the audience and set a new benchmark for excellence.

First Prize – Science Quiz

- Gagandeep Jagar
- Aashna Khurana
- Anjali Singh

This brilliant team showcased exceptional scientific aptitude, quick thinking, and teamwork to secure the top spot. The achievements of these young learners reflect their hard work, confidence, and commitment to growth. Heartiest congratulations to all the winners for this outstanding accomplishment!

STATE LEVEL ABACUS & MENTAL ARITHMETIC COMPETITION 2025

*"Victory isn't just about winning a position, it's about proving to yourself
that dedication and hard work always pay off."*

Rachit Pandey secured the 3rd Runner-Up position in Level 5 at the State Level Abacus & Mental Arithmetic Competition 2025 conducted by Wonder Education. This achievement reflects his excellent skill, outstanding accuracy, and strong determination.

BAL MAHOTSAV-2025

We are proud to announce the remarkable achievements of our talented students who brought laurels to Modern Vidya Niketan, Sector-17, at the District Level Competition of Children's Day organised by the Haryana State Council for Child Welfare.

🌟 Kritika Gakher secured 2nd position in the Classical Solo Dance category, showcasing grace, discipline, and exceptional dedication to her art.

🌟 Unnati Gupta earned a Consolation Award in the same category, impressing everyone with her elegance and expressive performance.

Both students displayed outstanding talent and confidence, making the school proud with their commitment and passion.

THE QUEEN'S COMMONWEALTH ESSAY COMPETITION 2025

The Queen's Commonwealth Essay Competition, proudly conducted by the Royal Commonwealth Society since 1883, is the world's oldest international writing competition for schools. The 2025 edition, held under the theme "Our Commonwealth Journey," marks the 75th anniversary of the Commonwealth and encourages young writers across member nations to share their ideas, dreams, and experiences through creative expression.

This year, the competition received an astounding 53,434 entries, showcasing the remarkable creativity and diversity of young voices from around the world. It continues to inspire students to explore themes of identity, belonging, unity, and shared humanity across the Commonwealth's rich cultural tapestry.

The outstanding success of our MVNites stands as a true reflection of their creativity, discipline, passion for storytelling, and expressive writing. It also highlights the unwavering guidance of teachers and the wholehearted support of families.

Congratulations to all our award-winning students!

THE COLUMBIAN ACCORD 1.0

Our students showcased exceptional diplomatic skills and confidence at GCIS MUN – The Columbian Accord 1.0, hosted by Grand Columbus International School.

Their outstanding performance brought laurels to the school as they bagged multiple awards across committees:

🏆 UNCSW Committee

🌟 Special Mention – Ojas Sharma (8D)

🏆 High Commendation – Riddhi Gupta (10A)

🏆 Best Delegate – Drishana (9A)

🏆 Honourable Mention – Aadya Katyayan (9C) and Sidhi Goel (XI)

🏆 AIPPM

🏆 High Commendation – Kritika Gakher (9A)

🏆 Best School Delegation: MVN Sector 17

The awards were presented by Mr. Pankaj Poojan Rampal, District President, BJP, adding great pride and motivation to the event.

🌟 The participation reflected the students' knowledge, leadership, and eloquence — truly embodying the MVN spirit of excellence and innovation.
