# From COORDINATOR'S DESK

**It is very rightly said that Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations.**

**At MVN, we strive to give every student the opportunity to express themselves through a carefully planned curriculum. Each child has his own unique quality and as an educator, it is our responsibility to nurture and develop every learner in their formative years.**

**MVN opens its gates every morning to the non-stop chatter, giggles and happy feet of children eagerly rushing into the school, looking forward to a day of fun and action.**

**Our dedicated teachers are equipped with reservoirs of love and warmth to help nurture the young minds to think out of the box and awaken a thirst and a healthy curiosity to know more.**

**Children at MVN Kindergarten, Sec-17 are exposed to a holistic play way method. Learning may be expressed in a variety of ways through language, play, drama, art, music and movement. We help children to develop their innate curiosity about the world around them. Children are involved in in-depth thinking, lateral thinking and hands-on experience to retain knowledge which helps them in their growing years. Children are motivated to move from known to unknown, concrete to abstract and local to global. The holistic and joyful learning that happens here brings the children back to their roots even after they have moved to other sections.**

**I conclude with a message: We, as parents and teachers are responsible in laying the foundation for their success, both academically and personally throughout life. Let us always remember that every child is unique, limitless and ready to shine!**

**I am excited and look forward to working with you as a team to help each little child have an identity and a successful school year!**

# **CUMULATION OF ACTIVITIES**

# MY FIRST DAY AT SCHOOL

**See me smile**

**See me work**

**See me play**

**I am at school on my first day**

**Hip Hip Hooray!!**

**Our tiny tots of the Kindergarten stepped into their first day of school with super excitement. The day was filled with lots of fun wherein a big surprise was waiting for them. "Kids Zone" was spruced up with fun games. The little munchkins expressed their excitement by showing different emotions. The tiny tots also chanted Shloka and made the environment spiritual.**

**The "Exclusion to Inclusion" game was conducted wherein kids played "Musical Chair" in a unique way to instill the art of inclusiveness. Furthermore, the Kindergarteners decorated their first day craft by doing thumb impression activity. Their energy and enthusiasm were the testimony to the fun they had on Day 1 of the session 2023-24.**

**Keep up the spirits high!!**

# WORLD HEALTH DAY

**7 April is World Health Day. It is celebrated annually under the sponsorship of the World Health Organization (WHO) as well as other related organisations and each year draws attention to a specific health topic of concern to people all over the world. The theme of this year is "Health For All."**

**It was celebrated in the pre-primary wing wherein the little munchkins were sensitized to remain healthy by eating nutritious food, fruits, vegetables and avoid junk food. The kids were made aware about the importance of physical exercises like Yoga, Dancing and Aerobics to remain fit & active. Furthermore, they played jigsaw puzzle of healthy fruits and vegetables to cement their learning.**

**Overall, it was a fun-filled day with lots of learning!!**

# **ENHANCING THE READING SKILLS**

**"Tell me and I forget, Teach me and I may remember, Involve me and I learn."**

**Striding ahead with confidence and enthusiasm, the inquisitive learners of MVN Kindergarten commenced their educational journey into learning "Vowels"- the foundation for reading and writing the English language. Vowels are the glue that holds words together.**

**At MVN, we believe our kids to become good at reading from a tender age. The curriculum lays emphasis on exposing children to the vowels from the earliest stage of their reading development We nurture the innate potential of our students into perfection by involving them into fun-filled learning activities. Keeping this in mind, little Kindergarteners were introduced to 5 vowels 'a,e,i,ou' through vowel story, vowel song and hands-on activity which helped them to understand the difference between vowels and consonants.**

**In a bid to strengthen their learning, the children did colouring in vowels. They cemented their learning by practicing Vowel formation with the help of Clay- Dough. They had a great time doing this integrated activity.**

**Happy Learning!!**

# **BAISAKHI CELEBRATION**

**We, at MVN sector-17, believe that learning is not restricted to books and instructions. We aim to imbibe in our children the values and ethos of very culture and community. To make our children aware of the spring harvest festival in all its essence, a special circle time was taken by the mentors wherein they discussed and showed various power point presentations and videos related to Baisakhi. Children enjoyed the thumping beat of dhol and also enjoyed colouring activity in the class. The objective of this celebration was to apprise the students of their rich culture and heritage.**

# NUMBER RECOGNITION<sub>S</sub>

## **Fun with number- “1”**

**Number recognition is a vital skill to understand all the maths concepts. To identify number “1”, an interesting number recognition activity was organized, where in our tiny tots of Grade Nursery started their Maths journey by pasting ice cream sticks to form the number “1”. This helped them to strengthen number recognition and fine-tune their hand-eye coordination and fine motor skills.**

# **HERE COMES THE MOON-EID CELEBRATION**

**Festivals are perceived as an important part of education as they help to create a sense of national and cultural community among the students. The celebration of festivals brings the students closer to traditional beliefs.**

**'Eid ul fitr' or 'Meethi Eid' marks the end of the holy month of Ramadan during which Muslims hold Roza (fast) from dawn to dusk for a month and engage in acts of worship and spiritual reflection. It is a joyous occasion and one of the most significant festivals in the Islamic religion.**

**People wear new clothes, prepare special delicacies, do charity and get together with their loved ones. The festival is usually celebrated on the first day of Shawwal, the tenth month of the Islamic calendar, after the sighting of the new moon.**

**The festival of Eid ul fitr was celebrated by the Kindergarteners and the purpose was to enlighten the students about the spirit of festival, spreading the message of love and brotherhood in the young minds. The mentors discussed the importance of the festival and the students were involved in card making activity. The Little MVNites greeted each other Eid Mubarak with love and affection.**

# **EARTH DAY CELEBRATION**

**As long as life,**

**As dear as free,**

**I am the Earth**

**And the Earth is me.**

**Earth day is an annual event observed on April 22 to demonstrate support for environmental protection.**

**The day is celebrated every year to create awareness about protecting our planet and preserving the environment.**

**The preschool children joyfully engaged in activities to conserve Earth and Mother Nature. Our creative tiny tots made craft and with great enthusiasm participated in the Speak On Session and visited Nursery where they learnt about plants.**

**The celebration helped students assimilate the simple yet clear message that we should keep our environment clean, stop using single- use plastic, plant more trees to heal Earth, and save, love and respect Mother Nature with all their hearts and soul.**

**Thus, our little ones actively participated and pledged to take care of the Mother Earth and cherish the pale blue dot, the only home we have ever known.**

# **IT'S MY DAY, HAPPY KINDERGARTEN DAY**

**“Every child is a different kind of flower, and all together, make this world a beautiful garden.”**

**National Kindergarten Day is celebrated on April 21st every year to honour the birthday of Friedrich Wilhelm August Froebel who laid the foundation for Kindergarten which means the garden of children, based on the recognition that children have unique needs and capabilities.**

**MVN Kindergarten provides numerous opportunities to learn and practice the essential social, emotional, problem-solving, and study skills that will be vital throughout his or her schooling.**

**To develop these pivotal skills, MVN Kindergarteners were involved in a fun game where they crawled and crossed the tunnel and developed their motor skills. They also enjoyed fun races and were super excited hopping and waddling as frogs and ducks. The excitement of the jovial spirits rose high when they shared muffins and cakes with their friends. They felt special, valued and important being the centre of attention. Overall, it was a fun filled day with unparalleled enthusiasm, exhilaration and learning.**

TUNNEL PLAY TO  
ENCOURAGE CRAWLING

# **LETTER RECOGNITION- FUN WITH CLAY DOUGH**

**Letter recognition is an important skill for children to develop as, it forms the foundation for learning to read and write. In order to learn the correct formation of the letter 'i', the children learned to make letter 'i' with clay. It allowed children to interact with the alphabet through hands-on play and offered a tactile and visual sensory learning experience. This activity also developed eye and hand coordination along with fine motor skills.**

**The tiny tots were also able to recognize the letter name, its sound and formation.**

**The activity was immensely enjoyed by all.**

# **29<sup>TH</sup> APRIL – INTERNATIONAL DANCE DAY**

**"There are shortcuts to happiness and dancing is one of them."**

**Keeping this in mind, MVN Primary and Pre-primary celebrated International Dance Day. It is a global celebration of dance, created by the Dance Committee of the International Theatre Institute. The event takes place every year on 29th April, which is the birth anniversary of Jean- Georges Noverre-The father of Modern Ballet. This day strives to encourage participation in dance through events and festivals and the school organised a special dancing session for children who participated in it with great vigour and vitality.**

**Little munchkins dressed up beautifully according to their dance forms i.e. Hip-Hop, Contemporary, Freestyle Western, Disco and tapped their feet on related rhythm. The session culminated with the Indian Twist to the modern ballet by performing Bharatnatyam on western beats.**

**The invigorating songs and dance performances infused energy and positivity in the students, who were found enjoying every performance on stage.**

# BOOK WEEK CELEBRATION

1<sup>ST</sup> – 5<sup>TH</sup> MAY,

2023

**MVN**  
Satyameva Jayate

# MVN KINDERGARTEN

SECTOR-17, FARIDABAD

*"There are many little ways to enlarge your world.  
Love of books is the best of all."*

With an aim of appreciating the value of books and enriching their treasure trove of vocabulary, MVN Pre-Primary Wing is organizing a Book Week from 1<sup>st</sup> May 2023 to 5<sup>th</sup> May 2023 : 'A Week full of myriad activities for the students to enhance the literary skills and discover the world of portable magic called books.'

**TODAY A READER TOMORROW A LEADER....**

## TIME LINE OF ACTIVITIES

### DAY 1

#### Read it and Reap

The enthusiastic learners will witness how books act as a gateway to powerful imagination & will have fun listening a story by their mentors.

### DAY 2

#### Readers' Paradise

The jubilant learners will visit the nerve centre of academic learning - 'library': a serene place to check out books and flip through them.

### DAY 3

#### Razzle Dazzle

The little munchkins will dress up and demonstrate their favourite character from stories.

### DAY 4

#### Get Crafty

Inspired by books, the joyful hearts will indulge in bookmark making activity.

### DAY 5

#### Flights of Fantasy

A fascinating story telling session for the kindergartners by an eminent story teller.

The habit of reading is nurtured from childhood, which moulds and enriches the growing minds, shapes their nascent values and develops the right perspectives. Reading is timeless and is recognized as an art, capable of transforming an individual. Reading books aloud to children stimulates their imagination and expands their understanding of the world. It helps them develop language and listening skills and facilitate writing skills. When the rhythm and melody of language become a part of a child's life, learning to read will be as natural as learning to walk and talk.

# **BOOK WEEK CELEBRATION DAY 1, DAY 2 & DAY 3**

**"The more that you read,  
The more things you will know!  
The more that you learn,  
The more places you will go!"**

**It's book week here at MVN and our Early Years students have been getting stuck in a variety of different books, enjoying stories about animals and superheroes.**

**Immersing the minds in the treasure trove of tales, the young scholars of MVN engaged in stimulating book activities. The gaiety, excitement and love for the books was shown by the children while participating in these activities.**

**\*Day 1\***

**Imagination is an enormous part of what makes childhood so magical.**

**A fascinating story session for the kindergarteners was organized in School campus, which was presented by master storyteller, Ms. Simmi Srivastva, who unleashed the imagination of kids into the fantasy world.**

**They immensely enjoyed the story session.  
It was a pleasure watching our tiny tots learning  
the importance of books and enabling them to  
express themselves.  
Overall, it was an engrossing as well as a great  
learning experience for the students.**

# WORKSHOP ON SAFE TOUCH

**Preparedness is the only way we can make our children safe and hence MVN school, sector 17 organized a workshop on Safe touch for classes Nur to V by school counsellor Ms. Shweta Jhamb. It's important to teach children how to take ownership of their own body? What should he/she do if someone touches them inappropriately? Helping children identify their trusted circle of family members allows them to be confident about sharing any unpleasant incidences. Through lots of questioning, understanding was assured. Students equally participated in all the activities enthusiastically.**

# **IDENTIFICATION OF LIVING & NON-LIVING THINGS**

**Environmental Studies at the primary stage envisages exposing children to the real situations and help them connect to their surroundings. Keeping this in mind, the students of MVN kindergarten learnt about Living and Non-Living Things.**

**To encourage and make them aware, little kindergarteners were taken for a Nature walk. It was a great opportunity to teach them about the characteristics of living and non- living things. The children were asked to bring toys to learn that living things can grow, eat, breathe and reproduce whereas Non-living things cannot.**

**The kids were really excited to see butterflies fluttering over the flowers. They enjoyed and learnt to articulate the differences they observed.**

# MOTHER'S DAY CELEBRATION

## MOM & ME

### AN EVERLASTING MOTHER -CHILD BOND

"Of all the special joys in life,  
The big ones and the small,  
A mother's love and tenderness,  
Is greatest of them all."

The ebullient hearts of kindergarten expressed their gratitude to their mothers whose unconditional love and support motivates them to deliver the best in all walks of life. The children exhibited their creativity by preparing "Tiara" for their beautiful family queen who tirelessly works to provide best for their children.

To make the day memorable, the mother and child got involved in fun filled games organised by their mentors like Let us step up together, Hippety Hopping, Match the Batch, Hopscotch Ramble, Toss the Hoopla, Blind-fold Challenge, Memory Game.

The celebration was indeed a roller coaster of emotions wherein amalgamation of all the efforts definitely paved a sweet mark on everyone and left no stones unturned to secure the happiness of mothers and their children.

Happy Mother's Day

# YOUNG EXPLORERS WEEK

## DAY 1, DAY 2 & DAY 3

The tiny tots of kindergarten strengthened their learning curve by delving into the Young Explorers week. A plethora of enriching activities were planned to highlight the importance of science in our daily lives and also to usher the scientific temperament in our students.

### Day 1 Hands on Experiment

**Sink or Float:** To promote scientific thinking such as cause and effect, observation, reasoning, experimentation and evaluation, the tiny tots were made aware of various objects that can sink or float in water.

**Heavy or Light:** To have a better understanding and idea about different types of objects, the kindergarteners indulged in experimenting the objects that are heavy and light with the help of weighing scale. The little munchkins enhanced their knowledge and enjoyed hands on experience.

### Day 2 Role Play

Empowering the kids to be confident and articulate in their expression, a Role play activity was organized for the kids. They were dressed up as their favourite fruit, healthy food and junk food and showcased their oratory prowess. The overwhelming participation in the Role play bore testimony to how the kids participate in collaborative learning environment.

### Day 3 Model Making

**Sensory Station-** The young learners were introduced to Sense Organs and their importance through a wide variety of engaging activities. From identifying different sounds and smell, watching an array of visual cues to employing the tactile experiences to distinguish between hard, soft, smooth and rough objects and learning various tastes like sweet, sour, salty and bitter; the little munchkins had oodles of fun.

**A Visit to Animal Kingdom-** The joy of kindergarteners was unparalleled when they visited animal kingdom and learnt the habitat of farm, water and wild animals. The fascinating world of animals piqued the curiosity of the inquisitive learners to explore the world of animals.

Day 1,2 and 3 activities has boosted great enthusiasm in the kindergarteners that they are looking forward to adopt scientific method as a way of living.

# **YOUNG EXPLORERS WEEK DAY 4 & DAY 5**

**'Like learning to count or to read, learning how to "do" Science is a lifelong process.'**  
**In the continuation of the Science Week celebration, our little ones explored and learned about the world around them by making new discoveries.**

**Day -4**

**\* Best out of Waste**

**Innovative best out of waste develops the ability to create and inculcate waste management habits in children, Keeping this in view, our little MVNites created planters by upcycling the old plastic bottles. They learned about the importance of 4R's- REDUCE, REUSE, RECYCLE and RECOVER and sworn to take great care of their plants.**

**Day-5**

**\* Science Bingo**

**On the last day of the week, students were quickly assessed and inspired to delve connection between what they have observed and learned. They enjoyed playing bingo on fruits and sense organs.**

The young explorer's week culminated with scientific approach that helped children in improving weighing and measuring skills, their hand-eye coordination, fine motor skills and developed a love for learning and science.

# **EVERYDAY IS ENVIRONMENT DAY**

**World Environment Day is an important day celebrated on June 5th every year to raise awareness about the importance of protecting our planet. It is a day for us to reflect on our actions and think about how we can take care of our environment.**

**This year's theme for World Environment Day is "Ecosystem Restoration". Ecosystem restoration means taking action to improve our environment by returning damaged ecosystems to their original state. The kindergarten students played a significant role in restoring the environment. They practiced simple things like recycling and reducing the energy consumption. They also planted trees and participated in community clean-up events to reduce the amount of litter in our communities. The kids also took pledge to make changes to their lifestyles that will contribute to the restoration of our planet. The little Earth saviours spread the message that while we may be small individually, our actions as a group can make a big difference. We must understand that a healthy environment means a healthy future for all of us. Therefore, we must work together to protect our planet, not just on World Environment Day, but every day.**

# **CELEBRATING FATHER'S DAY**

## **Celebrating Fatherhood: Honouring Our Everyday Heroes on Father's Day**

**Father's Day is a special occasion that provides us with an opportunity to express our gratitude and appreciation for the incredible role fathers play in our lives. It is a day to celebrate fatherhood, honour the remarkable men who have dedicated themselves to raising their children, and acknowledge their immense impact on shaping our society.**

**Father's Day serves as a reminder to express our heartfelt thanks for their selflessness, sacrifices, and the boundless love they shower upon us. Our kindergarteners commemorated this day by giving a special thanks by making yummy watermelon popsicles and showcased their artistry talent by creating beautiful Father's Day greeting cards for their dads to make this day more special.**

**This small gesture from kiddos stole the hearts of all dads and helped them to generate affection and respect for their dads.**

**Happy Father's Day!!**

# **INTERNATIONAL YOGA DAY**

**International Yoga Day is celebrated every year on June 21st and it serves as an opportunity to promote the physical, mental and spiritual benefits of practicing yoga.**

**This year theme of Yoga-- "Vasudhaiva Kutumbakam" aptly describes our aspiration for - 'One Earth, One Family, One Future'. Yoga is a great practice for people of all ages, including children.**

**The little munchkins of kindergarten took the initiative to celebrate Yoga Day and engaged themselves in various yoga postures and breathing exercises which are helpful for numerous benefits such as improving flexibility, strength, coordination as well as enhancing focus and concentration. It was delightful that the little ones shared their candid pictures while performing various yoga asanas.**

**"Happy International Yoga Day to all."**

## **CBSE RESULT 2022-23 - CLASSES X &**

**"Excellence Personified: Class X & XII Students Ace CBSE Board Exams".**

*"Success is not Magic with MVN. It's key is Hardwork, Preparation & Perseverance."*

**Achieving academic excellence is at the heart of the endeavors of Modern Vidya Niketan Sr. Sec. School, Sector-17. Hence, over the years it has become a trendsetter in imparting quality education in the Delhi-NCR region. An important measure of this academic excellence is the outstanding performance of the students in the yearly assessments conducted by CBSE in both Class X & Class XII Board Exam 2023.**

**The students, along with their dedicated teachers and supportive parents, have achieved remarkable success, leaving an indelible mark on the academic landscape. The school not only celebrates the success of the students but also reaffirms its position as a leading educational institution. MVNites have proved that all they need is a blend of 3 D's - Dedication, Determination & Diligence for the accomplishment of the goal. Heartiest Congratulations to all the effervescent students, the strong team of diligent Faculty Members & the ever-supportive Parents for the outstanding result.**
