

MVN TIMES KINDERGARTEN

***NEWSLETTER EDITION III
OCTOBER - NOVEMBER, 2025***

FROM CO-ORDINATOR'S DESK

Dear Parent

As the school year continued its gentle journey, our campus remained alive with the laughter, curiosity, and enthusiasm of our young learners. Each day unfolded like a new page in a storybook—filled with exploration, imagination and joyful learning. Our classrooms echoed with cheerful conversations, small accomplishments, and the excitement of discovering something new.

This term was a tapestry of enriching experiences and meaningful celebrations that nurtured both the hearts and minds of our children. Through the observance of Gandhi Jayanti, our little ones were introduced to values of truth, peace, and kindness in a simple and age-appropriate manner. The vibrant celebration of Dussehra brought alive the message that goodness always triumphs, helping children understand moral values through stories, activities and creative expressions.

The sparkle of Diwali filled our school with warmth and joy as children engaged in colourful art activities, learned the importance of sharing happiness, and embraced the spirit of togetherness. Children's Day was celebrated with great enthusiasm, reminding us that every child is unique and deserving of love and encouragement. The term concluded on a heartwarming note with the festive cheer of Christmas, spreading messages of generosity, compassion and gratitude.

At MVN, we remain deeply committed to providing a nurturing environment where learning is joyful and meaningful. We encourage curiosity, build confidence, and foster creativity, while gently guiding children to develop values such as empathy, respect, and responsibility. Each small step—whether learning a new word, forming friendships, or expressing ideas—is celebrated as part of their beautiful growth.

With your continued support and partnership, we look forward to many more opportunities to inspire, encourage, and celebrate our children.

With Warm Regards
Vandana Laul

DANDIYA DANCE

The vibrant colours of Navratri came alive as our little EY1 stars twinkled with joy, celebrating the festive spirit with a lively Dandiya dance! Dressed in dazzling traditional attire, they twirled and tapped their Dandiya sticks to the rhythmic beats of music. Their laughter, claps, and cheerful smiles filled the air with happiness. The children thoroughly enjoyed every moment, moving with energy and excitement, making the celebration truly magical and memorable.

NAVRATRI CELEBRATIONS

Our EY1 children joyfully celebrated the 7th, 8th, and 9th days of Navratri with immense devotion, enthusiasm, and meaningful learning. Through engaging role play, the children beautifully conveyed how the divine energies of Maa Durga guide us to be courageous, kind-hearted, wise, and spiritually strong. The fearless spirit of courage was reflected through a portrayal inspired by Rani Lakshmi Bai, while young Pandits shared wisdom by explaining the deeper meaning of each day. Compassion, purity, and humility came alive through a representation inspired by Sudha Murthy, reminding everyone that true strength lies in kindness. The importance of learning, determination, and inner power was highlighted through a portrayal inspired by Kalpana Chawla, along with a child depicting the divine form of Maa Durga, helping everyone understand the value of knowledge and perseverance.

Adding to this enriching celebration, one child thoughtfully summarized all nine days of Navratri, beautifully connecting the nine forms of Maa Durga with nine inspiring female personalities. The celebration deepened the children's understanding of Navratri and inspired them to imbibe values of bravery, compassion, wisdom, and self-belief, making the experience both meaningful and joyful.

GANDHI JAYANTI

In a spirit of respect and curiosity, our UKG children joyfully celebrated Gandhi Jayanti, remembering the life and values of Mahatma Gandhi. The celebration included engaging colouring activities through which the children learnt about Gandhiji's three wise monkeys and their powerful message of see no evil, hear no evil, and speak no evil. Through simple discussions and creative expression, the little ones understood how Bapuji's teachings of truth, peace, and non-violence continue to guide us even today. The day became a meaningful learning experience, leaving young minds inspired and hearts filled with respect for the Father of the Nation.

DUSSEHRA CELEBRATIONS

Dussehra, also known as Vijayadashami, is a joyous and meaningful festival celebrated across India that honours the eternal triumph of good over evil, truth over falsehood, and righteousness over wrongdoing. Rooted in ancient epics like the Ramayana and celebrated with vibrant cultural traditions, this festival inspires all of us — young and old alike — to embrace courage, kindness, and the power of goodness in our lives. Our little LKG and UKG learners joyfully embraced the spirit of Dussehra with creative and meaningful activities. The LKG children made colourful hand puppets of Lord Ram, Sita, Lakshman, Hanuman, and Ravana, while parents shared the story of the Ramayana to help them understand the message of good triumphing over evil. Our UKG learners also explored the beautiful significance of this festival, confidently sharing how Lord Rama's victory over Ravana teaches us to be kind, honest, and brave. They spoke about why we celebrate Dussehra and what it truly means — spreading the timeless message that no matter how strong evil may seem, goodness always shines brighter. These activities encouraged creativity, family bonding, and a deeper understanding of our rich cultural traditions.

**CELEBRATING
THE SPIRIT OF
DUSSEHRA**

**LITTLE FINGERS,
BIG LESSONS OF DUSSEHRA"**

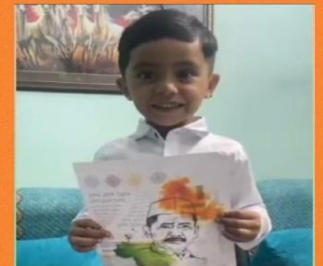

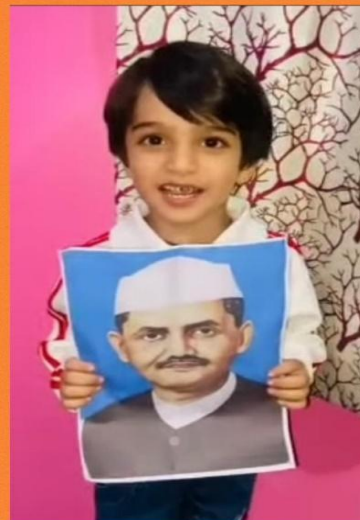

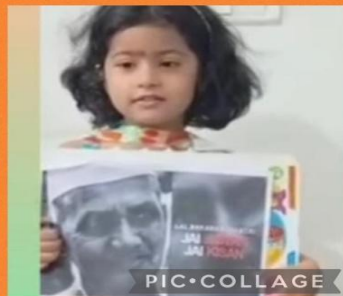

TRIBUTE TO LAL BAHADUR

Our Early Years 1 children paid a heartfelt tribute to the second Prime Minister of India, Lal Bahadur Shastri Ji, on his birth anniversary. The little ones remembered him as a great leader, a freedom fighter, and a man of simplicity who worked tirelessly for the progress of our country. Children revisited his valuable contributions and learned about his famous slogan “Jai Jawan, Jai Kisan”, which reminds us that soldiers and farmers are the two strong pillars of our nation. With their innocent voices, the children echoed his slogan, showing respect and love for the great leader. It was a day of learning and pride, where the children understood the importance of courage, honesty, and simplicity through the inspiring life of Lal Bahadur Shastri Ji.

Tribute to Lal Bahadur Shastri Ji

Tribute to Lal Bahadur Shastri Ji

WORKSHOP ON BUDDY BUILDERS

The school counsellor, Ms. Sreshti Chaturvedi conducted an engaging workshop on the theme “Buddy Builders: Making Friends Together” for the pre-primary students, where friendship and teamwork were beautifully woven into playful activities. The highlight of the session was the Parachute Together game, in which students held the edges of a large cloth and shook it in rhythm to bounce a soft toy and a ball. This joyful activity not only built arm strength and coordination but also encouraged cooperation, laughter and the joy of working as a team, helping little ones realize that friendships grow stronger when we play and support each other. The session continued with a fun hula-hoop activity, where they hopped into hoops placed on the floor. While it strengthened their gross motor skills such as balance and agility, it also gave them a chance to play side by side, cheer for one another and experience the happiness of sharing space and movement together. By blending physical play with friendship-building, the workshop nurtured both healthy bodies and kind hearts, leaving students with smiles, new bonds and the spirit of togetherness.

TEMPLE VISIT

A spiritual journey can illuminate young hearts and sow the seeds of cultural understanding. With this belief, the little learners of pre-primary wing set out on an enriching visit to Geeta Mandir, where faith, tradition, and joy came together to create a memorable experience. As the festival of Diwali approached, the children also learned about Lord Ram, Maa Sita, Lakshman, and Hanuman Ji, who symbolized love, courage, devotion, and the victory of good over evil. Listening to stories from the Ramayan made the visit even more meaningful, helping them understand why Diwali was celebrated as the return of Lord Ram to Ayodhya after triumphing over Ravana. The experience became even more special when the children joined together to chant the Gayatri Mantra, filling the air with devotion. The priest blessed the little ones and offered them prasad, which they received with happy smiles and deep respect. It was truly a peaceful and enriching experience that helped our young minds connect with India's spiritual heritage, culture and values.

PARENTING INSIGHT-EARLY YEARS

At MVN, we believe that a child's first classroom is their home and the first teachers are their parents. Nurturing values, habits, and emotional intelligence begins within the warmth of the family. A loving environment, consistent routines, gratitude practices, and shared family moments together form the foundation of a happy, confident, and compassionate child. As a part of our ongoing Parent Connect initiative, many insightful videos were shared by our own MVN parents who are actively embracing and implementing these parenting practices in their daily lives. Their dedication and conscious efforts have not only enriched their child's personality but have also made parenting a more joyful and fulfilling journey. By taking these small yet impactful steps each day maintaining consistency, showing empathy, and creating meaningful family traditions —these parents have observed remarkable growth in their children. The little ones are becoming more confident, responsible, self-aware, and emotionally balanced, reflecting the beautiful blend of home and school partnership. We truly appreciate our parents for walking hand in hand with us in this journey of nurturing young hearts.

DIWALI CELEBRATIONS

“Diwali Celebration by children reflects the Responsible attribute of learning from the Cambridge Early Years programme. Through worshipping Goddess Lakshmi and Lord Ganesha, children understood the significance of gratitude, goodness, and positive actions. They learned to appreciate the blessings around them, respect traditions, and recognize the importance of doing the right thing. By taking part in Diwali activities, the children developed a sense of responsibility, both towards themselves and others, while celebrating the victory of light over darkness and good over evil. The tiny tots of MVN Sector 17 celebrated Diwali with boundless joy and excitement. Their day was filled with laughter, festive cheer, and creative expression.

The youngest learners of EY 1 took part in simple, joyful activities that introduced them to the spirit of Diwali. With twinkling eyes and happy hearts, they decorated Diyas, which they were excited to take home as special gifts for their families. Their bright smiles and cheerful participation truly reflected the festival’s message of spreading light and happiness.

Our LKG stars added their own sparkle to the festivities by making colourful wall hangings and chandeliers. Through these fun and engaging craft activities, the children expressed their creativity and enthusiasm for the season. The vibrant decorations they created brought a festive glow to their surroundings and filled the day with excitement.

The little stars of UKG celebrated Diwali with great zeal as they participated in a vibrant Diwali craft activity. With enthusiasm and focus, they made beautiful paper Rangolis using tearing and pasting techniques. They then embellished their artwork with sparkling sequins and mirrors, reflecting their festive spirit. The joy on their faces was heartwarming as they lovingly prepared a special take-away gift to surprise their parents with warm Diwali wishes. Each creation was a reflection of their imagination, innocence, and happiness.

The celebration truly embodied the spirit of Diwali—spreading light, love, and positivity all around. It was truly a peaceful and enriching experience that helped our young minds connect with India’s spiritual heritage, culture, and values.

DIWALI ASSEMBLY - UKG ASTER

The little shining stars of UKG Aster spread the glow of happiness and knowledge through a heartwarming Diwali Assembly that filled the morning with festive cheer and positivity. The celebration began with a prayer to the Almighty, filling the atmosphere with positivity and devotion. Our tiny tots confidently took charge of the stage, extending a warm welcome to all and sharing the Thought of the Day — reminding everyone to light the lamp of knowledge, spread the glow of happiness and remove the darkness of sadness. The children confidently spoke about the significance of Diwali, narrating how Lord Rama's return to Ayodhya marked the victory of good over evil and light over darkness. Their sweet voices filled the air with devotion and warmth as they beautifully explained the customs, traditions and the deeper meaning behind the festival. Through their well-articulated lines on Dos and Don'ts, our little environmentalists reminded everyone to celebrate Diwali safely and responsibly with diyas, rangolis, and smiles instead of loud crackers. Their Green Diwali message resonated with the spirit of care and compassion for our planet, as they pledged to celebrate with love, laughter, and light, not noise or pollution. The celebration concluded with a vibrant dance performance, where the tiny tots twirled and beamed with joy, truly bringing alive the sparkle of Diwali on stage.

VIRTUES OF LORD RAMA

Our little ones of UKG beautifully echoed the timeless truth — “राम से बड़ा राम का नाम” With innocence in their voices and devotion in their hearts, they spoke about the virtues of Lord Rama — his truth, compassion, humility and righteousness — reminding us that true Diwali shines not through lights alone, but through the light of virtues within us. May the divine name of Lord Rama continue to illuminate our hearts with peace, love and goodness.

RAM STUTI

At MVN Kindergarten, Sector 17, education goes far beyond books. Here, children not only learn academics but also embrace the rich values and traditions of our culture. The school provides an environment that nurtures confidence, curiosity, and creativity — helping every child blossom holistically. It filled our hearts with pride to see our young learners reciting Ram Stuti with devotion, understanding the meaning of respect, faith, and goodness from such a young age. MVN truly believes in shaping children who grow with knowledge in their minds, purity in their hearts, and culture in their souls.

HOP SCOTCH FUN

Our Early Years 1 learners had a wonderful time revisiting numbers 1 to 10 through a fun-filled Hopscotch game. The children enthusiastically read each number aloud and jumped onto it with excitement and joy! This playful activity not only helped them reinforce number recognition but also promoted physical coordination, balance, and motor skills. It was a perfect blend of learning and movement, turning number recapitulation into a joyful experience of active play and discovery!

100 DAYS OF KINDERGARTEN

MVN Kindergarten joyfully celebrated the completion of 100 days of school with great enthusiasm and excitement! The entire corridor was beautifully decorated, setting the stage for a memorable celebration. The event began with a cake-cutting ceremony graced by our Director Academics, Dr Neeta Bali & our school Principal Ms. Agalya Venkatesh. Marking the milestone with cheer and pride the little learners sang and danced to the lively "100 Days Song," filling the atmosphere with happiness and energy. The highlight of the day was the 100 Days Parade, where our tiny MVNites proudly marched wearing yellow, green, and orange T-shirts, symbolizing joy, growth, and creativity. Holding vibrant banners that read "I am 100 Days Smarter," "I am Confident," "I am Responsible," "I am Engaged," "I am Innovative," and "I am Reflective," the children beautifully represented the Cambridge Learner Attributes in action. It was indeed a day filled with laughter, learning, and celebration, marking 100 days of growth, discovery, and togetherness at MVN Kindergarten!

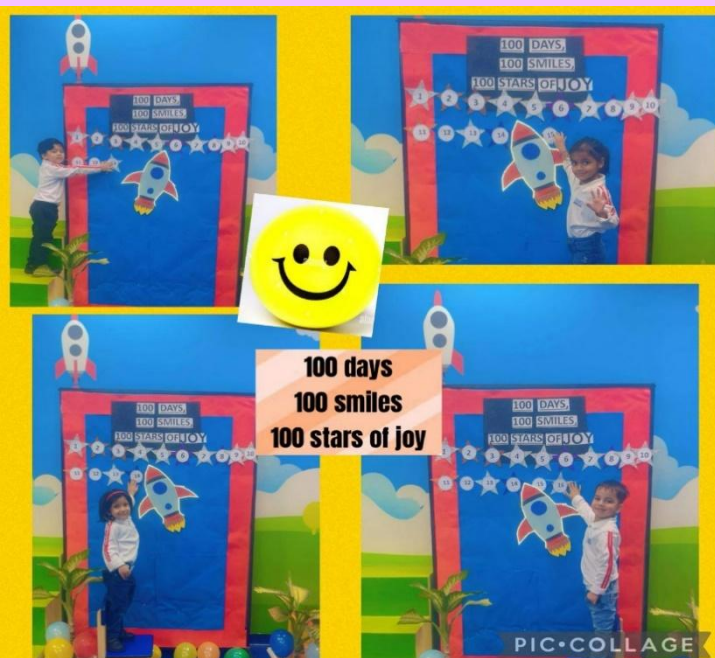

100 STARS OF JOY

Early Years 1 celebrated the completion of 100 days of school with great excitement and cheer! To mark this special milestone, our little learners pasted 100 stars of joy, learning, happiness, and growth on the “100 Days Board.” Each star symbolized their journey of curiosity, creativity, and togetherness. It was a joyful reminder of how far they have come — 100 days smarter, happier, and brighter!

I am 100 days brighter

100 DAYS PARACHUTE

To celebrate the milestone of 100 days of learning and laughter, EY1 kids enjoyed a colourful parachute activity! They lifted the parachute high, watched the number 100 fly above, and jumped and danced with excitement beneath its bright colours. The giggles, cheers, and teamwork made this day truly memorable-a perfect way to mark 100 days of fun, friendship and growth!

100 DAYS OF JOY AND FUN

Our tiny tots of LKG marked a special milestone as they joyfully celebrated 100 days of school—a journey filled with learning, laughter, and growth! The celebration was brimming with smiles and excitement as each child proudly pasted a colourful balloon on the board, coming together to create a vibrant collage of 100 balloons, symbolizing Soaring High with Hundred Days of Joy. The activity beautifully reflected teamwork, creativity, and the happiness of being part of a cheerful classroom. Adding to the fun, the children danced enthusiastically to the lively song “100 Days of Learning and 100 Days of Fun...”, lighting up the atmosphere with their energy and delight. Their bright eyes, cheerful giggles, and confident moves said it all—every day has been a meaningful step toward curiosity, confidence, and discovery, making this milestone truly heartwarming and memorable.

GRATITUDE JAR

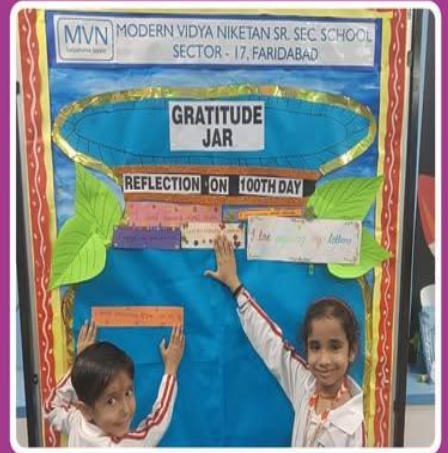

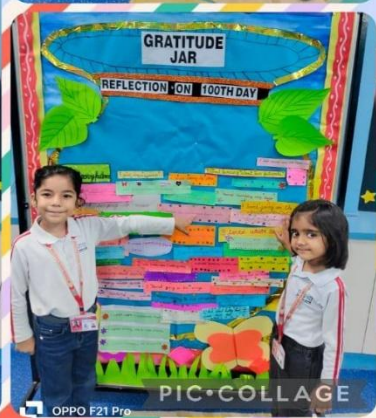

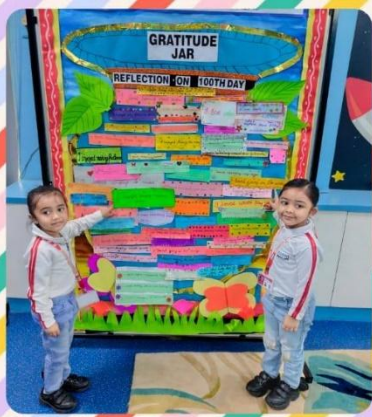

REFLECTION ON THE 100TH DAY

In a vibrant confluence of celebration and reflection, the UKG children of MVN School embraced the completion of 100 learning-rich days with sprightly hearts and creative flourish. Together, they penned their discoveries and delights on shimmering, decorated strips—from mastering CVC words and Vyanjan, to the rhythm of pattern-dances, the sparkle of the annual function, the quiet magic of reading-time, and countless more luminous moments.

Each child placed their strip into the communal Gratitude Jar, a radiant vessel that now holds a kaleidoscope of shared accomplishments and sweet reminiscences.

Under the banner “We Have Bloomed in Hundred Days,” they gathered at the selfie-point—smiling, twinkling, proud of how far they have journeyed and excited for the path ahead. Heartfelt thanks to our supportive parents, dedicated teachers, and our joyful learners—may the coming days continue to unfold with wonder, growth and togetherness.

100 DAYS BRIGHTER

LITTLE VOICES, BIG CONFIDENCE

The vibrant student of UKG shone bright as they confidently shared their experiences from their 100 days of learning journey. With cheerful smiles and sparkling eyes, they spoke about what they loved, what they learned and how beautifully they grew each day. It was truly heartwarming to see our young learners express themselves with such confidence and enthusiasm — a reflection of their happy classrooms and nurturing environment.

GURDWARA VISIT

In celebration of Guru Nanak Jayanti, our little MVNites from Kindergarten visited the Gurdwara Sahib to soak in the divine and peaceful aura of this sacred festival. The visit was a beautiful blend of learning and devotion as the children listened to melodious hymns, folded their hands in prayer, and participated with innocent enthusiasm. The serene ambience and collective prayers helped them embrace the values of faith, humility, and unity. It was truly a heart-touching experience—a morning that filled young hearts with positivity, love, and gratitude, as they returned carrying the blessings and timeless teachings of Guru Nanak Dev Ji.

GURPURAB ASSEMBLY- UKG BLUEBELLS

"In the light of Guru's wisdom, hearts find peace and the world finds its path to kindness. "Gurpurab, the divine celebration of light, love, and truth, was observed with deep reverence and joy at MVN Kindergarten, Sector-17. The young learners of UKG Bluebells came together to celebrate Gurpurab, marking the birth anniversary of Guru Nanak Dev Ji. The celebration beautifully reflected the spirit of devotion, discipline, and compassion that Guru Nanak Dev Ji shared with the world. The assembly began with the Thought of the Day, reminding everyone that true faith lies in selfless service and love for all beings. The children then presented the birth history of Guru Nanak Dev Ji, narrating how his life was a beacon of enlightenment that guided humanity towards equality and peace. Through heartfelt lines, they expressed the teachings and learnings of the revered Guru — Kirat Karo (earn by honest means), Vand Chakho (share with others) and Naam Japo (remember God always) — messages that continue to inspire generations. The tiny speakers also spoke about the five sacred articles of faith-Kesh, Kara, Kanga, Kachera and Kirpan-each carrying deep spiritual meaning and representing purity, strength, and commitment. The audience was then introduced to the Panj Pyare, the five beloved ones of the Guru, symbolizing devotion, courage, and unity in faith. Dressed in radiant traditional attire, the little devotees led a Nagar Kirtan procession that filled the atmosphere with peace and devotion. The celebration culminated with a graceful dance performance by the children, beautifully portraying Guru Nanak Dev Ji's vision of a world where no one sleeps hungry and every soul radiates happiness and harmony. The soulful assembly left everyone touched with the divine message-There is but One God, and His light shines within us all.

STORY SESSION

THE LAST LEMON

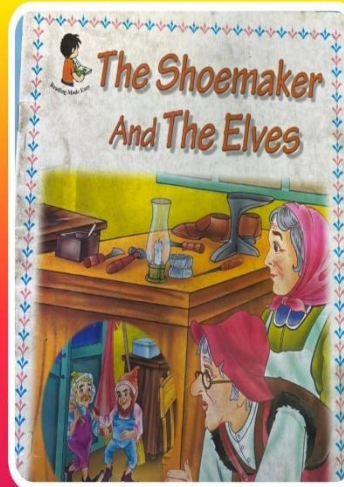

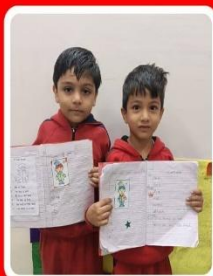

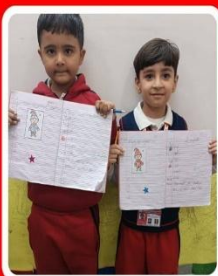

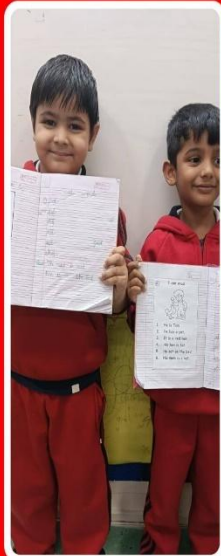

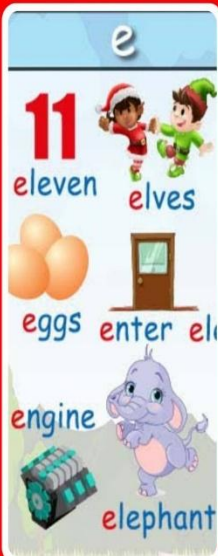

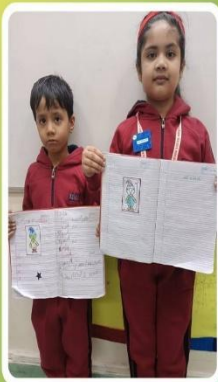

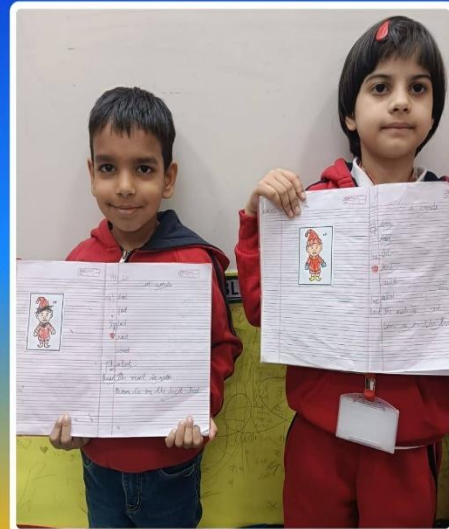

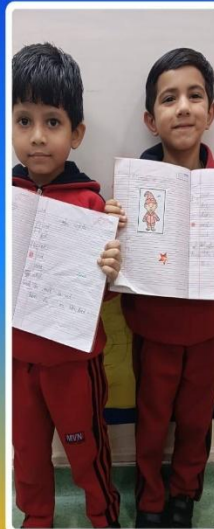

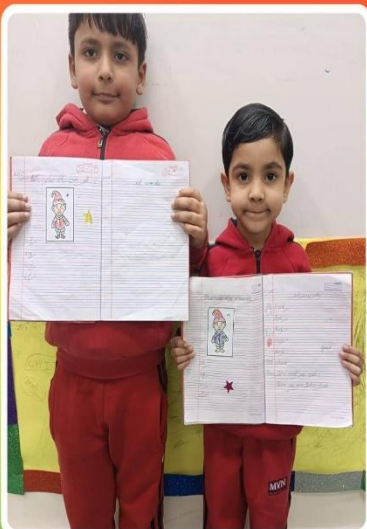

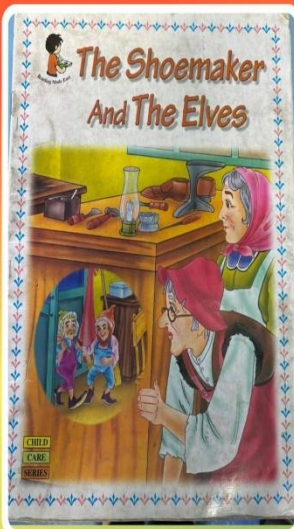

The story “The Last Lemon” was recaptured live with the Early Years 1 children. The teacher narrated the story and engaged the learners through interesting questions. In the story, the elephant wanted to pluck the last lemon from the tree but could not reach it. The goat came forward to help, but even together they couldn’t reach the lemon. Then, the monkey tried to lend a hand but also failed to get the fruit. Finally, the squirrel joined them, and with everyone’s combined effort, they managed to pluck the last lemon. This story beautifully conveys the message of teamwork, togetherness, and helping each other. To bring the story to life, the children enacted the roles of different animals, showing empathy, kindness, and gratitude. The activity also integrated various Cambridge Early Years curriculum areas. It enhanced Communication and Language as children listened carefully and expressed their ideas. Through Personal, Social and Emotional Development, they learned the values of cooperation and friendship. The enactment encouraged Creative Expression as they used gestures, voice modulation, and imagination to play their parts. Overall, the session helped children understand that great things can be achieved when we work together.

INTRODUCTION TO VOWEL 'E'

Our UKG children had a delightful learning experience as they explored the concept of vowels through the story “The Shoemaker and the Elves.” The enchanting tale captured their imagination and helped them understand how vowels give words their special sounds—just like the elves brought magic and life to the shoemaker’s work. Through the story, the little learners identified vowel sounds and excitedly shared words beginning with the vowel ‘E’. They joyfully came up with words like engine, envelope, egg, elbow and elephant displaying their growing confidence and vocabulary. The story not only enhanced their phonetic awareness but also nurtured their love for reading and storytelling. It was truly a joyful experience to see our tiny tots learning through imagination and fun—making vowel learning a magical and memorable journey!

GOOD MANNERS

Our little LKG stars had a joyful time learning about good manners through a fun and lively reel. They learnt how to greet others with a smile, say “thank you” to show gratitude, share toys and things with friends, and clean up after playtime. They also understood the importance of saying “sorry” when they make a mistake, showing kindness and respect towards others. The activity helped children realize that these small acts of politeness make the classroom a happy and caring place for everyone.

InShot

INTRODUCTION TO LETTER 'W'

The LKG kids enthusiastically participated in the Letter W Tearing and Pasting Activity. They enjoyed identifying words beginning with the letter W such as watermelon and whale. Using bits of coloured paper, the children beautifully decorated the watermelon and whale, enhancing their fine motor skills, focus, and creativity. The activity made learning both fun and engaging for our young learners

ROSE BLOOM PUZZLE

EY1 children celebrated Children's Day with great enthusiasm. They happily completed the Rose Bloom Puzzle activity. Children carefully joined the puzzle pieces to create a beautiful rose. The activity supported their focus, coordination, and thinking skills. They joyfully displayed their completed rose puzzles. Through this activity, children offered a heartfelt tribute to Pandit Jawaharlal Nehru (Chacha Nehru). They also learned that Chacha Nehru loved children and roses. The classroom was filled with smiles, excitement, and a festive spirit. The day became special and memorable for all the little learners.

SCOOP-A-DROP DASH

Early Years 1 children celebrated Children's Day with boundless joy and infectious enthusiasm. A set of imaginative and energizing games was thoughtfully curated to channel their lively spirits. The highlight of the day was the exciting "Scoop-a-Drop Dash," where little champions balanced a ball on a cone and confidently made their way across the balancing rings. Their bright smiles, focused steps, and cheerful determination lit up the entire playground. Each child gave their best shot, turning the celebration into a delightful blend of fun, teamwork, and joyful memories that will be cherished for days to come

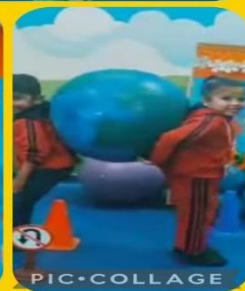

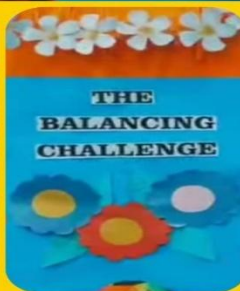

EXCLUSION TO INCLUSION

The Early Years 1 children participated in a heart-warming activity titled “Exclusion to Inclusion” designed to highlight the value of togetherness and the belief that every child matters. Inspired by the idea of a child-centric learning space, the game resembled a musical-chair activity—but with a meaningful twist. Each time a chair was removed, instead of any child being ‘out,’ the others made space, shared their seat, and adjusted to include everyone. Little by little, the children came closer, giggling, supporting one another, and discovering the joy of teamwork. By the end of the game, all the children were seated together—forming a beautiful ‘Garden of Learning,’ where every child bloomed with a sense of belonging.

BALANCING THE BALL CHALLENGE

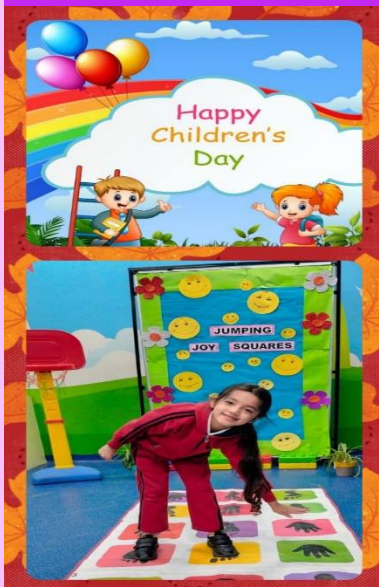

Our little LKG champs celebrated Children's Day with excitement and joy. The day began with a fun Balancing the Ball Challenge, where children worked in pairs, showed great teamwork, and carefully balanced the ball till the finishing line. This was followed by an energetic *Zumba* session with hula hoops, where the kids danced, moved freely, and enjoyed spinning the hoops while grooving to lively music. Their smiles and enthusiasm made the activity even more joyful. It was a wonderful day of fun, fitness, and happy moments, making Children's Day truly special for our little learners!

PIC•COLLAGE

JUMPING JOYFUL SQUARES

Children's Day had been a delightful blend of joy, excitement and cheerful participation. The UKG children were filled with enthusiasm as they gathered together for a day specially crafted to celebrate their innocence and vibrant spirit. One of the most heart-warming highlights of the celebration was the playful activity Jumping Joyful Squares. A bright and cheerful mat laid on the floor, its colourful squares invited the children into the world of rhythm and movement. As soon as the patterns were called out, the toddlers sprung to life—hopping, skipping, and leaping with carefree happiness.

TEAM TANGLE TRAIL

Every child is a little spark of hope—lighting up the world with imagination, innocence, and endless possibility. Children's Day reminds us of the wonder, innocence and boundless potential that every child carries within them. It is a day to celebrate their curiosity, their laughter and the joy they sprinkle into every corner of our lives. In this spirit, our UKG children enjoyed a delightful Team Tangle Trail! Cones were arranged along the path and the little ones excitedly weaved their way in a zigzag pattern, crossing each cone with enthusiasm and cheerful determination. What began as a fun activity soon became a beautiful learning experience. The children strengthened their coordination, improved balance, built confidence and discovered the joy of teamwork as they encouraged and supported one another. Their giggles filled the room, turning the activity into a heartwarming celebration of movement and togetherness.

HOOPLA FUN RACE

Children carry the magic of joy in their hearts—turning every moment into a celebration of play, laughter, and learning. This Children’s Day, our UKG little champs enjoyed an exciting Hoopla Fun Race, a playful blend of energy, coordination, and cheerful challenge! The race began with our tiny athletes lined up at the start, waiting eagerly for the whistle. As soon as the race began, the children slipped the hoopla over their bodies, dropped it, and dashed ahead with bright smiles. Reaching the cone, they formed a quick circle around it, showing perfect balance and focus. Off they went again—another hoopla over their little bodies, another burst of joyful running—until they crossed the finishing line with hearts full of pride! What looked like a simple race turned into a wonderful learning experience. The activity helped children build gross motor skills, sharpen coordination, develop agility and most importantly, enjoy the spirit of healthy competition and pure childhood fun. Their laughter, their spark, their enthusiasm—everything made this Children’s Day truly unforgettable!

STORY SESSION

AN ELEPHANT AND HIS FRIENDS

LKG kids enjoyed a wonderful Children's Day filled with fun and learning. They began their day with an engaging story session where they listened to a delightful tale about an Elephant and his Friends. The story kept them curious and happy as they learnt about friendship and kindness. In the classroom, the children also had a great time playing with puzzles and clay. They solved picture puzzles with excitement and used colourful clay to create different shapes and objects, letting their creativity shine. It was a joyful day packed with imagination, creativity, and cheerful moments for our little learners

STORY SESSION

THE CAT AND THE MOUSE

Tiny ears, big lessons — hard work + kindness = magic!”

Children’s Day at MVN became even more magical as our little MVNites of UKG gathered for a heartwarming Story Session led by their teacher. The story, woven with the timeless values of hard work and kindness, taught our young learners that true success comes not just from effort, but from a good heart that helps others along the way. With glowing eyes, eager smiles and curious questions, the children immersed themselves in a world where determination wins challenges and kindness creates miracles. Such storytelling moments not only ignite imagination but also plant values that stay for life — reminding every child that when we work hard and remain kind, beautiful things happen. Celebrating the joy, innocence, and endless possibilities of childhood

FLOWER OF KINDNESS

Early years-1 kids celebrated World Kindness Day by creating a “Flower of Kindness.” Each petal showed how they are kind—to friends, family, animals, birds, community helpers, and our Earth. A simple and sweet way to spread gratitude! This activity helped in developing the child’s Personal, Social, and Emotional Development area by encouraging confidence, kindness and positive interactions with others and an understanding of the importance of caring for people and the world around them.

DISCOVERY-BASED LEARNING

The EY-1 student engaged in meaningful discovery-based learning on International Children's Day as part of the Cambridge Early Years approach. The children explored nature, participated in a simple science exploration activity and enjoyed an early fun reading experience. The students also enjoyed scribbling and mark-making on the working wall to express creative thinking. The child took part in calming yoga movements, used Cambridge manipulatives for hands-on, active learning and completed an early number activity that supported thinking and problem-solving skills. Throughout these experiences, the student demonstrated the Cambridge Learner Attributes by showing curiosity, confidence and active engagement in the learning environment.

I AM READY TO DISCOVER

I AM CURIOUS

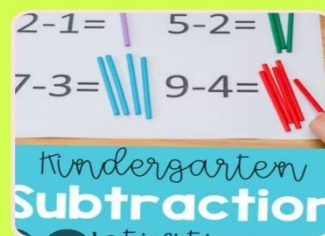

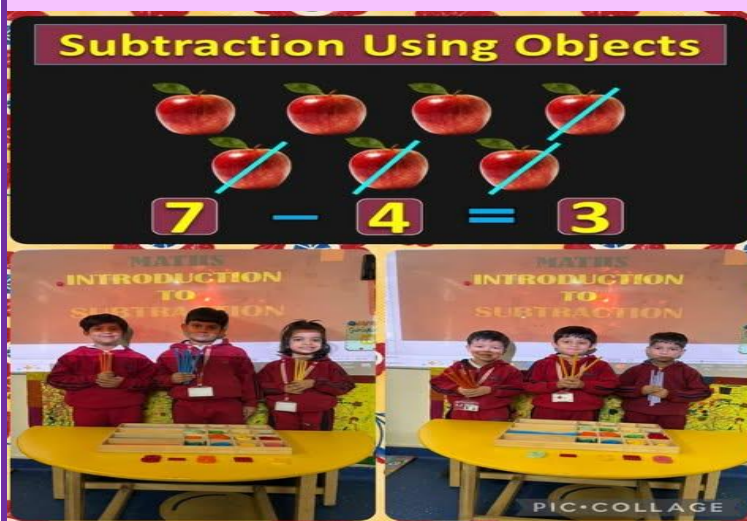

WOW SHADOW

SUBTRACTION COMES ALIVE

The little UKG learners stepped into the world of subtraction through joyful exploration and hands-on experiences. Using Interactive PowerPoint presentations, colourful manipulatives, and a story-based picture subtraction activity, children discovered how taking away is not just a math concept, but a meaningful real-world skill. As they counted, removed, and observed what remained, their participation, curiosity, and smiles lit up the classroom. Each child learned by doing—making the journey of subtraction engaging, memorable, and fun. Learning becomes magic when children are actively involved—and today, our young achievers proved it beautifully!

THE ART OF ETIQUETTE

A GUIDE TO GOOD MANNERS

"Good manners are the footprints of a kind heart."

The school counsellor Ms. Sreshti Chaturvedi conducted an engaging and joyful workshop for the pre-primary students on the theme "The Art of Etiquette: A Guide to Good Manners." The session began with a calming Om chanting activity, helping students settle their thoughts and enter a peaceful, focused state. The workshop was conducted on 17th November 2025. For the L.K.G students, an interactive "Red Light, Green Light - Manners Edition" game was introduced to build self-regulation and awareness of appropriate classroom behaviour. Whenever the counsellor called out a correct behaviour-such as "Sharing your toys" or "Speaking politely" students moved one step forward, accompanied by a green light signal. When an incorrect behaviour was announced like "Shouting" or "Snatching" students moved one step backward with a red-light signal. The yellow light encouraged them to pause, think and ask for permission before acting. This playful approach made understanding right and wrong simple, visual and memorable for the little learners. For the U.K.G students, a reflective and heart-warming Mirror Talk activity was introduced. Each child stood in front of a mirror and stated one correct behaviour they promised to follow, for example, "I will help my friends" or "I will keep my hands to myself." If a child mentioned an incorrect behaviour, the 'mirror' was shown to feel sad, prompting them to rethink and correct their response. This activity helped children practice positive self-talk, manifest good behaviour, and train their minds to choose the right actions. Overall, the workshop successfully blended fun, reflection and learning, empowering young students to practice etiquette with joy and confidence.

LETTER 'L' LEARNING EXPERIENCE

To make learning fun and meaningful, Early Years 1 children were introduced to the letter 'L' through a variety of phonics-based activities. They enjoyed singing lively phonic songs and listening to engaging stories, which helped them recognize the sound and formation of the letter. As part of hands-on reinforcement, the children created a colourful ladybug and a ladder craft, enhancing their fine motor skills while strengthening the connection with the letter 'L'. Throughout the activity, the young learners explored and practised new vocabulary words beginning with 'L' and confidently related them to objects from their everyday world. The experience was joyful and interactive, laying a strong foundation for their early literacy skills.

EXPLORING MATERIALS

The UKG children learnt about different materials such as plastic, rubber, metal, glass and wood through a fun and hands-on activity. They explored various objects, touched them, observed them closely, and identified which material each item was made of. Children were excited to discover that bottles, toys, utensils, tools, furniture, and many familiar things around them are made from different materials. Through this activity, they understood the unique properties of each material—plastic being light, metal being strong, glass being transparent, rubber being flexible, and wood being sturdy. The little learners enthusiastically shared examples from their surroundings and connected their learning to real life. It was a wonderful session that sparked curiosity and joyful learning.

DICE AND BLOCK COUNTING

The LKG children enjoyed an exciting hands-on activity using dice and blocks. They rolled the dice, recognized the number shown, and then counted the same number of blocks. After counting, they happily placed the blocks into the basket. This fun activity helped them strengthen number recognition, counting skills, and coordination. The children were fully engaged and had a wonderful learning experience through play.

SPEAK-ON SESSION COMMUNITY HELPERS

The LKG children enjoyed an engaging Speak-On Session on Community Helpers. The little ones came dressed as doctors, teachers, police officers, gardeners, chefs, and many more helpers who make our community safe and happy. With great confidence, each child spoke a few lines about their chosen helper and shared how they help us in our daily lives. The session helped them build speaking skills, develop confidence, and understand the importance of people who work for our well-being. It was a joyful and meaningful learning experience for our young learners.

THANKSGIVING DAY-EARLY YEARS 1

The little learners of EY 1 celebrated Thanksgiving Day by creating a colourful turkey craft and engaging in a thoughtful circle-time discussion on gratitude. This activity promoted Personal, Social, and Emotional Development (PSED)—a core focus of the Cambridge International curriculum. Children expressed thanks to their family, friends and teachers, demonstrating empathy and appreciation. This meaningful celebration nurtured kindness, respect, and thankful hearts, setting the foundation for Early Years learning.

THANKGIVING ASSEMBLY-LKG ASTER

Our LKG children enjoyed a heart-warming and engaging Thanksgiving Special Assembly. The little ones came together to celebrate the spirit of gratitude through songs, stories, and colourful performances that truly lit up the stage. With great enthusiasm, the children spoke confidently about the meaning of Thanksgiving and expressed thanks to parents, teachers, friends, helpers, nature, and everyone who fills their lives with love and care. Dressed as farmers, pumpkins, corn, fruits, and even a cheerful turkey, they beautifully presented the story of harvest and togetherness. The assembly helped our young learners understand the value of being thankful, sharing with others, and appreciating the simple blessings around us. It was a joyful and meaningful learning experience that filled every heart with warmth. A big Thank You to our wonderful children and supportive parents for making this day truly special.

THANKSGIVING DAY

Our little UKG stars celebrated Thanksgiving Day with joyful hearts and bright smiles. Children learned the story of Thanksgiving, discovering how this day reminds us to pause, appreciate and give thanks for every blessing around us. They created adorable Talking Turkeys and wrote sweet messages sharing whom they are thankful for God for His love, Mom and Dad for their care, Mother Nature for her gifts, Teachers for their guidance, Friends for laughter and fun and many more heartfelt thoughts. This meaningful activity helped our children understand the true spirit of Thanksgiving gratitude, kindness and togetherness

SHAPE FUN

To learn shapes, the EY1 kids created a Joker by using different shapes. This activity helped them understand how shapes can be combined to form meaningful pictures. They identified different shapes, learned their names, and recognized their colours. This hands-on experience strengthened their understanding of shapes within the mathematics domain of the Cambridge Curriculum, supporting early geometry skills and spatial awareness.

EXPLORING HINDI SWARS

Our UKG children learnt the Hindi Swars through an interactive and engaging session that made learning truly enjoyable. With the help of colourful flash cards and a lively PPT, the little ones were introduced to each Swar in a simple and meaningful way. They identified the Swar, repeated them confidently and matched them with related pictures. The use of visuals helped them remember the sounds clearly and the children showed great enthusiasm during the activities. It was wonderful to see how quickly their learning curve improved as they started recognizing and pronouncing the Swar with accuracy. The classroom was filled with excitement as our young learners actively participated and responded eagerly to every slide and flash card shown to them. Their growing confidence and curiosity made the session truly successful.

LEARNING TIME IN A FUN WAY

Our little time explorers dived into the magical world of “Half Past” with great excitement and curiosity. Using a bright clock in the classroom, the children joyfully learned how to tell time. They observed the moving hands, listened attentively and eagerly took turns to show half past on the clock. Laughter, wonder and tiny bursts of confidence filled the room as they understood the concept of time with sparkling eyes. This delightful activity not only strengthened their mathematical thinking but also made them more aware of daily routines. It was truly heartwarming to see them become little timekeepers, ticking their way towards learning with so much enthusiasm!

FUN WITH ORDINAL NUMBERS

Little champions of LKG took part in an exciting “Wear Your Shoes” Challenge to learn ordinal numbers in the most hands-on way! The task was simple yet super fun — whosoever wore their shoes first got to hold the 1st position card, followed by the children who finished next, and so on till the 5th position. Not only did they understand ordinal positions beautifully, but they also practiced an important life skill — wearing their shoes independently! The joy on their faces said it all! Learning becomes meaningful when it’s active, playful, and full of excitement!

PICTURE READING ACTIVITY

Early Years-1 kids explored a story about a tiger, which they enjoyed a lot! While reading, they identified different animals, learned their names, and also tried making the sounds of each animal. The tiger's roar was their favourite! The story had many animals and children loved discovering each one. They also learned how other animals sound, making the session lively and joyful. After reading, the teacher asked questions related to the story. The children listened carefully and confidently answered, showing great improvement in their communication and language skills as per the Cambridge Curriculum. They also learned to become responsible readers—holding the book properly, flipping pages gently and taking care of their books. This was a wonderful learning experience that helped them grow as early readers while having lots of fun!

I can roar 🐅

READING SESSION

Our UKG kindergarteners had a delightful and enriching reading session that truly touched young hearts and curious minds. The classroom turned into a quiet world of imagination as little readers sat with their books, turning pages with excitement and focus. It was a beautiful sight to watch them recognize letters, sound out words and eagerly attempt to read on their own. This reading time became the best part of their day, as stories opened doors to new ideas, emotions and learning. The children laughed at pictures, discussed characters and expressed their thoughts with confidence. Through this joyful session, they not only strengthened their reading skills but also developed listening, concentration and comprehension abilities. The love for books was clearly visible in their bright eyes and happy smiles. This session reminded us that when children read with joy, learning becomes natural and magical. Indeed, these little steps today are building strong readers and thinkers for tomorrow.

LEARNING THE SOUND OF LETTER 'K'

Our young learners had a joyful and engaging time exploring the sound of the letter 'K' through a fun creative art activity. As part of a group activity, children worked together on kite-shaped sheets, filling them with doodles, scribbles and colorful patterns. This open-ended activity encouraged children to freely express their imagination, develop fine motor skills and build confidence as they shared ideas with their friends. Through scribbling and doodling, learning became playful, meaningful, and full of joy—just the way early learning should be! A beautiful blend of phonics, art and collaboration, making the letter 'K' truly came alive in our classroom

A JOYFUL CHURCH VISIT

Our Kindergarten children had a heartwarming visit to the church as part of our Christmas celebrations. Filled with the joy and warmth of the season, the children experienced the true spirit of Christmas—love, peace, kindness and sharing. Through this visit, our little learners connected the story of Christmas with real-life experiences and learned about different religions and cultures in a meaningful way. The peaceful atmosphere, festive decorations and messages of goodwill helped children understand that Christmas is not just about celebrations, but about spreading happiness and caring for others. This enriching experience encouraged curiosity, respect and inclusivity while nurturing values that lie at the heart of the Christmas spirit. Moments like these help our children grow with empathy, gratitude and joy.

OPPO F21 Pro

PIC•COLLAGE

ME AS SANTA

On the occasion of Christmas, the EY-1 kids enjoyed a joyful and creative activity. They pasted their own photograph behind Santa's face and took the artwork home as a special takeaway. Seeing their own faces on Santa's body made them extremely happy and excited. The children truly felt like little Santas and enjoyed the activity with lots of smiles and laughter

Santa**

CHRISTMAS CAKE FUN

The Early Years 1 children celebrated Christmas with great excitement and cheer through a fun-filled creative activity. The children made and decorated Christmas cakes with enthusiasm, exploring colours, textures and creativity in a joyful learning environment. Dressed up as little Santas, the children added charm and festive vibes to the celebration. Laughter, smiles and happiness filled the classrooms as the children came together to celebrate the season with a joyful and positive spirit. This celebration encouraged creativity, confidence and togetherness, allowing children to experience the happiness and warmth that Christmas brings.

CHRISTMAS CLICKS

To celebrate Christmas, EY1 children enjoyed clicking pictures in a festive Christmas frame. They also learned about different things used during the Christmas festival, such as stockings, stars, snowflakes, jingle bells and Santa. Through this joyful activity, children were not only enjoying themselves but were also actively engaged, learning and celebrating Christmas in a fun and meaningful way.

A JOYFUL CHRISTMAS JOURNEY

The Early Years 1 children celebrated Christmas with joy, enthusiasm and a beautiful festive spirit. The children created a manger with creativity and care and dressed up as Mother Mary, Father Joseph, shepherds and angels, adding charm to the celebration. They sang cheerful Christmas carols while walking through the school corridors, spreading happiness, positivity and a sense of togetherness. The celebration helped children experience the values of love, kindness and sharing, making the occasion meaningful and memorable. Through music, creativity and collective participation, the children embraced the true spirit of Christmas and celebrated the festival with smiles, confidence and festive cheer.

CHRISTMAS ASSEMBLY-LKG BLUEBELLS

The LKG children joyfully presented a Christmas assembly. The program began with a sweet introduction by the little hosts, followed by a short talk on the importance of Christmas, spreading love, joy and sharing. The children then sang a cheerful Christmas song that filled the hall with happiness. This was followed by a lively dance performance on “Jingle Bells, Jingle Bells”. The highlight of the assembly was the entry of Santa Claus, who came ringing a bell and brought big smiles and excitement among everyone. The assembly ended on a happy and festive note.

CHRISTMAS TREE CREATIONS

The festive season came alive as our LKG little learners celebrated Christmas with joy, laughter and creativity! Dressed in cheerful red, the children enjoyed making beautiful Christmas tree crafts, expressing their imagination while developing fine motor skills and confidence. The vibrant décor, the appearance of Santa and the overall festive spirit made the celebration truly special and memorable, leaving everyone with smiles and cherished memories.

CREATIVE CHRISTMAS BELLS

The magic of Christmas filled our hearts and classrooms as our little ones came together to celebrate this beautiful festival with joy, creativity, and warmth. The day began with excitement and sparkle as the children crafted Christmas bells, lovingly decorating them with glittering sequins and shimmering mirrors. Each tiny touch added a glow of happiness, making the bells a true symbol of festive cheer and togetherness. Wearing their bright Santa caps, the children looked absolutely. Their innocent smiles and twinkling eyes brought the true charm of the season to life.

EVENTS

ANNUAL DAY 2025

THE MAGIC SCHOOL BUS-

WHERE LEARNING IS FUN & FUN IN LEARNING

A journey of wonder, a celebration of dreams, and a symphony of learning unfolded as our little stars took us aboard The Magic School Bus -where curiosity sparkles, imagination soars, and every step is a magical discovery. The Annual Day 2025, held on September 26, was a spectacular tapestry of colours, rhythm, and joy, woven around the enchanting theme “The Magic School Bus – Where Learning is Fun and Fun in Learning”. The function was graced by the esteemed presence of Dr Neeta Bali, Director Academics, MVN Schools, Ms. Agalya Venkatesh - Principal , MVN Sector-17, Ms. Neeta Arora, Director MVN Aravali Hills & Principal, MVN Sector-88 ,Ms. Archana Sharma – Principal, MVN Aravali Hills, MS. Manika Girdhar Senior Coordinator MVN Sector-17,Ms. Vandana Laul - Coordinator MVN Sector-17,Ms Shalini Vaid- Coordinator MVN Sec-17.The evening commenced with the Lighting of the Lamp, a radiant symbol of knowledge and wisdom, followed by a soulful Ganesh Vandana, invoking divine blessings for an auspicious beginning. An inspiring address by Dr. Neeta Bali highlighted MVN’s commitment to nurturing curiosity, creativity and holistic learning, setting the tone for the magical journey that was about to unfold. Our Principal, Ms. Agalya Venkatesh, captured the essence of “Magic” in her speech — the invisible thread that turns learning into wonder, imagination into discovery and every moment into an opportunity to grow. The celebrations sparkled further with a graceful Welcome Dance, followed by the energetic and adorable Wheels on the Bus by our Early Years 1children, perfectly capturing the joy, rhythm, and innocence of childhood. The heart of the event, our Kaleidoscopic Presentation, brought to life four mesmerizing journeys:

Spectrum of Wonders – discovering the joy of togetherness

The Jungle Safari – a journey of hope

Cosmic Carousel – a voyage to the heart of space

Incredible India – celebrating boundless beauty and timeless spirit

Each story radiated creativity, confidence, and boundless curiosity, leaving the audience enchanted and spellbound. The evening reached its most heartwarming climax with the Father–Child Dance — a performance celebrating love, connection, and memories that will last a lifetime. Ms. Vandana Laul, Coordinator – MVN Sector-17, delivered the Vote of Thanks expressing heartfelt gratitude to teachers, staff, parents, and children for their dedication in making the event a grand success. The celebrations concluded with the National Anthem, evoking pride, unity and joy in every heart.

The Annual Day was not just a function, but a spellbinding celebration of learning, culture, and dreams, leaving us all with memories that will sparkle forever.

-Where Learning is Fun and Fun in Learning

The colourful journey unfolds as a celebration of wonder, where science and values converge in radiant harmony. Guided by the ever-enchanted Ms. Frizzle, our little inquisitive explorers set forth on a simple nature walk, only to find themselves immersed in the ethereal Land of Colours - a realm where hues breathe, shades speak and stories come alive. The vibrant colours represented by inquisitive explorers soon realize that their true brilliance shines only when they come together. United, they rise as the magnificent Rainbow - an enduring emblem of harmony, inclusivity and joy. In this vibrant enactment, our children illuminate not only the science behind the rainbow but also share a profound truth: every child, like every colour is unique and precious, yet together they radiate their brightest light. With enthralling performances, melodious music and a soul-stirring message of togetherness, our young stars gift us a timeless reminder—that love, kindness and unity are the truest colours of life.

The Magic School Bus

-Where Learning is Fun and Fun in Learning

Get ready, prepare to be enchanted by "The Jungle Safari: A Journey of Hope." Our young explorers, led by their beloved teacher, embark on a magical bus journey deep into the heart of the jungle. They discover a world teeming with life, a place known as the "lungs of our Earth," but their adventure takes a turn when the jungle's vibrant sounds fade into heartbreaking silence. The animals of the forest, from King Leo the Lion to Tina the Tortoise, mourn the loss of their home, which is being slowly disappearing because of deforestation. A glimmer of hope appears with the arrival of two wise Tree Fairies, who reveal that "When forests fall, the Earth begins to cry." This powerful truth inspires the explorers and the animals to work together, planting seeds of change and restoring the jungle back to its lush, green glory.

Emblematic of boundless curiosity and imaginative discovery, The Magic School Bus continues to shine as a timeless beacon of experiential learning. Let's embark on cosmic field trips that transform abstract science into vivid adventure. From touring planets and floating in weightless wonder to witnessing nebulae and black holes, these journeys ignite boundless curiosity. The Bus springs to life as a gleaming gateway to explore, enjoy, enrich carrying eager learners skyward-first toward a stirring encounter with Group Captain Shubhanshu Shukla, whose astronaut's path sparks youthful dreams. Kids discover the power of observation and teamwork. Most profoundly, when they gaze back at the glowing blue-and-green sphere of Earth-this unique, life-sustaining sanctuary amid the vast cosmos-they are filled with awe. That sense of wonder inspires a heartfelt pledge: to protect and cherish our planet, keeping it healthy, vibrant and full of life for all who call it home.

SHRADDHANJALI DIWAS

Remembering the Visionary

On Shraddhanjali Diwas, our little learners paid a heartfelt tribute to our revered Founder Principal, Shri Gopal Sharma Sir, whose vision continues to guide and inspire generations at MVN. With folded hands, innocent prayers, and sincere expressions, our children participated in meaningful activities that reflected gratitude, respect, and remembrance. From creating colourful diya messages symbolising the eternal flame of knowledge to standing united around the “Gratitude in Every Hand” wreath made with their handprints; each gesture spoke volumes of reverence. Through these simple yet powerful acts, our children learned the value of gratitude, empathy, respect, and remembrance, nurturing the core Cambridge learner attributes from a young age. Sir, your ideals live on in every classroom, every lesson, and every young mind we nurture. You remain our guiding light—today and always.

A life sublime, a legacy everlasting

A TRIP TO KIDZANIA

The Kindergarten students enjoyed an exciting and enriching visit to KidZania, filled with fun, exploration and hands-on experiences. The children enthusiastically participated in a variety of engaging professional activities, including the nursing activity and firefighter role play, which sparked curiosity and confidence through imaginative play. The little learners were thrilled as they made doughnuts and explored creative spaces such as the DOMS Colouring World and Parle Candy and Biscuit Factory. They also enjoyed visiting the Fruity Factory, Kinder Joy Factory, Magic Academy, Dance Academy, Salon Academy, and Party Hub, each offering a unique and joyful learning experience. This visit provided children with opportunities to explore different roles, express creativity, interact socially, and learn through real-life experiences, making the day truly memorable, joyful, and meaningful.

CBSE REGIONAL SCIENCE EXHIBITION 2025

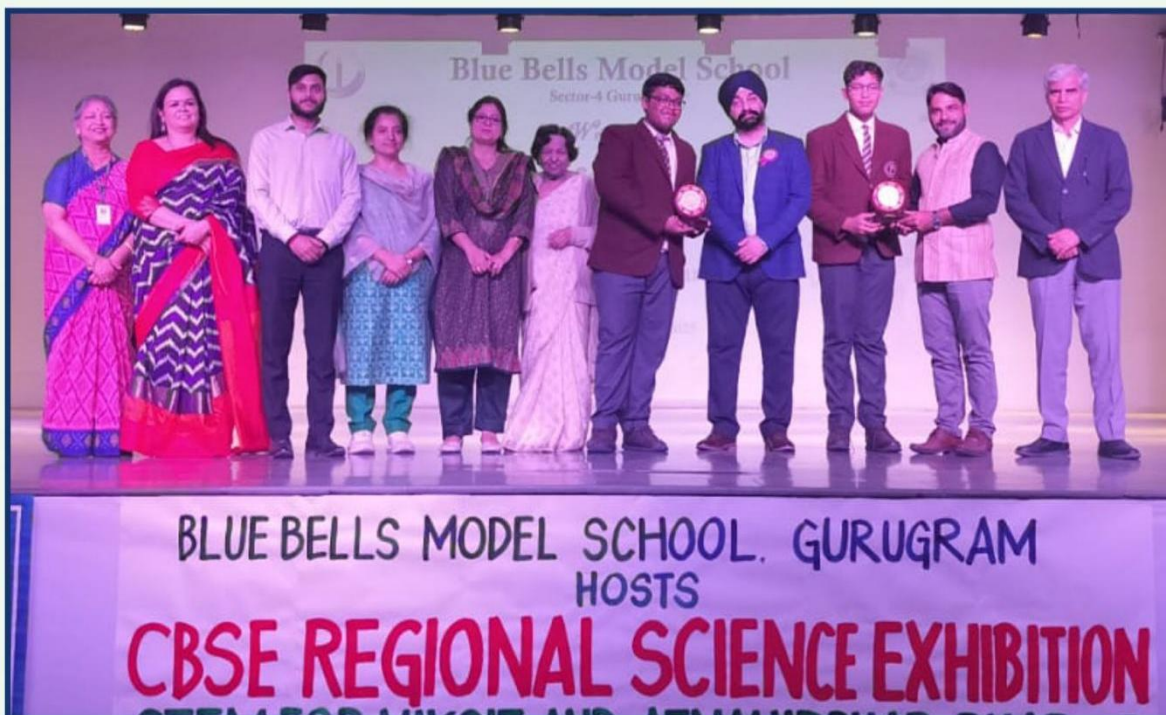

TEAM MVN 17 QUALIFIES FOR NATIONALS IN CBSE REGIONAL SCIENCE EXHIBITION

Our senior-category project, “Waste to Watts,” presented by Class IX students Moksh Sharma and Krishna Thakral, impressed the jury with its creativity, scientific temperament, and sustainable vision. The project earned a well-deserved spot in the national round under the theme “STEM for Viksit & Atmanirbhar Bharat” and the sub-theme “Green Energy.”

This remarkable achievement highlights the dedication, innovation, and problem-solving brilliance of our students and their mentors. Team MVN continues to shine as a hub where ideas grow, minds innovate, and future scientists take shape.

A hearty congratulations to our young achievers—wishing them the very best as they move forward to represent MVN at the national stage!

TEAM MVN 17 SHINES & QUALIFIES FOR NATIONALS IN CBSE REGIONAL SCIENCE EXHIBITION (2025–26)

Heartiest Congratulations ! God Bless !!

CLAT 2025

We proudly celebrate the remarkable success of our students in the CLAT 2025 (Common Law Admission Test).

Heartiest congratulations to our star achievers:

✨Yatika Agrawal (Class XII) – AIR 644

✨Sweta (Class XII) – AIR 1136

Your dedication, perseverance, and academic excellence have brought great honour to the MVN family. This achievement reflects not only your hard work but also the constant guidance of our teachers and the unwavering support of your parents.

We wish you continued success as you step confidently into the world of law and leadership.

NSE 2025

Harshit Singh, Class X, showed extraordinary performance in the Indian Association of Physics Teachers' National Standard Examination (NSE) 2025.

Harshit not only scored at the highest standards in Chemistry, Astronomy, Biology, and Physics, but has also qualified for the Indian National Olympiad 2026 in all three subjects—Astronomy, Biology, and Physics. This is a rare and remarkable achievement that showcases his deep curiosity, dedication, and excellence across the full circle of science.

From the microscopic to the galactic, Harshit has truly dominated NSE 2025—and now steps forward to compete at the next level. The entire MVN family is cheering for him as he prepares for the second stage of the Olympiad journey.

MRMUN 2025

MVNites participated in MRMUN, held at the Manav Rachna University campus on 19th and 20th December. The conference provided an enriching platform for students to deliberate upon international agendas and global issues through structured debate and discussion.

We are pleased to announce that:

- Tanvi Chauhan (Class VIII) was awarded High Commendation in the ILC Committee.
- Paavani Bhatnagar (Class VIII) received a Special Mention in the UNICEF Committee.

The objective of sending school delegations to such conferences is to empower students with global exposure while nurturing brainstorming abilities, critical thinking, empathy, collaboration, and diplomatic skills. These experiences play a vital role in shaping socially aware, confident, and responsible global citizens.

The school congratulates the entire delegation, with special appreciation for the awardees, and looks forward to many more such achievements in the future.

ABHIVYAKTI 2025

Ganika Shekhawat and Aarna Sood of Class V brought laurels to MVN School, Sector-17 by securing 3rd position in the inter-school art competition on the theme “Palette on a Coaster”, held at DAV Public School, NTPC, Faridabad.

Their artwork stood out for its creativity, refined color palette, and artistic finesse, earning high appreciation from the judges. This achievement reflects the students’ dedication and the school’s commitment to nurturing artistic excellence.

ROSCOSMOS 2025

Gaurik Verma of Grade V, got the incredible opportunity to present his innovations—a mechanical robotic hand and a robotic bow for deorbiting space debris—at The Russian House, New Delhi. He showcased his ideas to Mr. Dmitry Bakanov, General Director of Roscosmos, who was in India to speak about space sector development and international cooperation.

His concept was highly appreciated by the Director of the Russian Science Center, the Director of Roscosmos, and the entire audience. To top it all, Russian TV representatives also interviewed him!

So proud of this milestone—may this be the beginning of many more achievements

13TH SHRI HARI INTERSCHOOL SCI-SPECTACLE

Our students delivered remarkable performances at the Inter School event hosted by Vidya Mandir Public School, Sector 15A, where 25 schools and over 300 students competed with great enthusiasm.

First Prize – TED Talk

- Gauri Khatter
- Ikshita Gupta

Their compelling ideas and eloquent presentation captivated the audience and set a new benchmark for excellence.

First Prize – Science Quiz

- Gagandeep Jagar
- Aashna Khurana
- Anjali Singh

This brilliant team showcased exceptional scientific aptitude, quick thinking, and teamwork to secure the top spot. The achievements of these young learners reflect their hard work, confidence, and commitment to growth. Heartiest congratulations to all the winners for this outstanding accomplishment!

STATE LEVEL ABACUS & MENTAL ARITHMETIC COMPETITION 2025

"Victory isn't just about winning a position, it's about proving to yourself that dedication and hard work always pay off."

Rachit Pandey secured the 3rd Runner-Up position in Level 5 at the State Level Abacus & Mental Arithmetic Competition 2025 conducted by Wonder Education.

This achievement reflects his excellent skill, outstanding accuracy, and strong determination.

BAL MAHOTSAV-2025

We are proud to announce the remarkable achievements of our talented students who brought laurels to Modern Vidya Niketan, Sector-17, at the District Level Competition of Children's Day organised by the Haryana State Council for Child Welfare.

🌟 Kritika Gakher secured 2nd position in the Classical Solo Dance category, showcasing grace, discipline, and exceptional dedication to her art.

🌟 Unnati Gupta earned a Consolation Award in the same category, impressing everyone with her elegance and expressive performance.

Both students displayed outstanding talent and confidence, making the school proud with their commitment and passion.

THE QUEEN'S COMMONWEALTH ESSAY COMPETITION 2025

The Queen's Commonwealth Essay Competition, proudly conducted by the Royal Commonwealth Society since 1883, is the world's oldest international writing competition for schools. The 2025 edition, held under the theme "Our Commonwealth Journey," marks the 75th anniversary of the Commonwealth and encourages young writers across member nations to share their ideas, dreams, and experiences through creative expression.

This year, the competition received an astounding 53,434 entries, showcasing the remarkable creativity and diversity of young voices from around the world. It continues to inspire students to explore themes of identity, belonging, unity, and shared humanity across the Commonwealth's rich cultural tapestry.

The outstanding success of our MVNites stands as a true reflection of their creativity, discipline, passion for storytelling, and expressive writing. It also highlights the unwavering guidance of teachers and the wholehearted support of families.

Congratulations to all our award-winning students!

THE COLUMBIAN ACCORD 1.0

Our students showcased exceptional diplomatic skills and confidence at GCIS MUN – The Colombian Accord 1.0, hosted by Grand Columbus International School. Their outstanding performance brought laurels to the school as they bagged multiple awards across committees:

🏆 UNCSW Committee

🌟 Special Mention – Ojas Sharma (8D)

🏆 High Commendation – Riddhi Gupta (10A)

🏆 Best Delegate – Drishana (9A)

🏆 Honourable Mention – Aadya Katyayan (9C) and Sidhi Goel (XI)

🏆 AIPPM

🏆 High Commendation – Kritika Gakher (9A)

🏆 Best School Delegation: MVN Sector 17

The awards were presented by Mr. Pankaj Poojan Rampal, District President, BJP, adding great pride and motivation to the event.

🌟 The participation reflected the students' knowledge, leadership, and eloquence — truly embodying the MVN spirit of excellence and innovation.

TRINITY COLLEGE LONDON

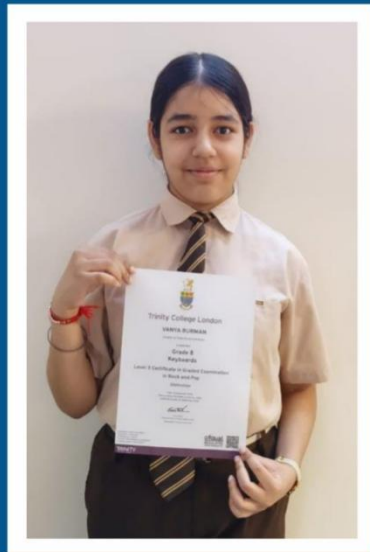

Huge congratulations to Vanya Burman of Class IX for a truly monumental achievement! Vanya's decade-long dedication to music has culminated in securing a Distinction (90%) in her final Grade 8 Trinity Examination in Keyboards (Rock and Pop) from the prestigious Trinity College London! She is now a certified keyboardist!

What makes this even more remarkable is that Vanya consistently scores above 95% in her academics. Her commitment to excellence in both studies and music is incredibly inspiring.
