FROM CO-ORDINATOR'S DESK

Dear Parent

A vibrant and engaging academic year now gracefully draws to a close, giving us the opportunity to pause, reflect and celebrate the beautiful journey we have shared together. It has truly been a year filled with discovery, laughter, creativity and meaningful learning experiences. Watching our young learners grow, explore and blossom has been both a privilege and a joy for all of us.

It gives me immense pleasure to present to you the final edition of our Pre-Primary Newsletter—a heartfelt compilation that captures the essence of the many joyful moments and memorable milestones that have defined this concluding term. Each page reflects the enthusiasm, curiosity and boundless energy of our children as they engaged in a variety of enriching activities.

Within these pages, you will discover a vibrant kaleidoscope of experiences each activity representing a brushstroke on the beautiful canvas of early childhood. From imaginative classroom explorations and thematic celebrations to the quiet yet significant achievements of everyday learning, this edition stands as a tribute to the spirit, wonder and growth that every child has embodied.

This remarkable journey would not have been possible without the unwavering dedication, creativity and care of our educators. Their passion has transformed classrooms into nurturing spaces of exploration, where each child is encouraged to learn with confidence, express freely and grow holistically. Their tireless efforts have truly sown the seeds of lifelong curiosity and a love for learning.

As we prepare to turn the page and embrace new beginnings, I would like to extend my heartfelt gratitude to you, our valued parents and your constant support, trust and collaboration have been the pillars of our success. Your encouragement at home and active participation in school initiatives have greatly contributed to building a strong, vibrant and inclusive learning community.

Thank you for allowing us the honour of being a part of your child's foundational years. Together, we have witnessed the magic of childhood unfold and together, we will continue to nurture it in the years to come.

Warm Regards

Vandana Laul

A decorative border of various colored pencils (orange, pink, red, purple, blue, green, brown, black) arranged in two vertical columns on the left and right sides of the page, framing the central text.

Classroom Activities

INTRODUCTION TO HINDI VYANJAN 'ट'

Early Years 1 students were introduced to the Hindi vyanjan 'ट' through engaging stories, flashcards, PPT presentations and lively songs, following the Cambridge Early Years approach. To reinforce vocabulary in a meaningful and creative manner, children participated in a colour-shaving activity on 'ट से टमाटर', enhancing language development, fine motor skills and experiential learning in their second language—Hindi.

CONCEPT OF 'TY' NUMBERS

"Numbers were not just symbols; they became the first language of logic, rhythm and understanding."

With hearts full of curiosity and minds eager to explore, our UKG children confidently explored the concept of 'ty numbers' — 20, 30, 40, 50, 60, 70, 80 & 90. Each number unfolded like a meaningful learning milestone, steadily strengthening their numerical awareness and confidence.

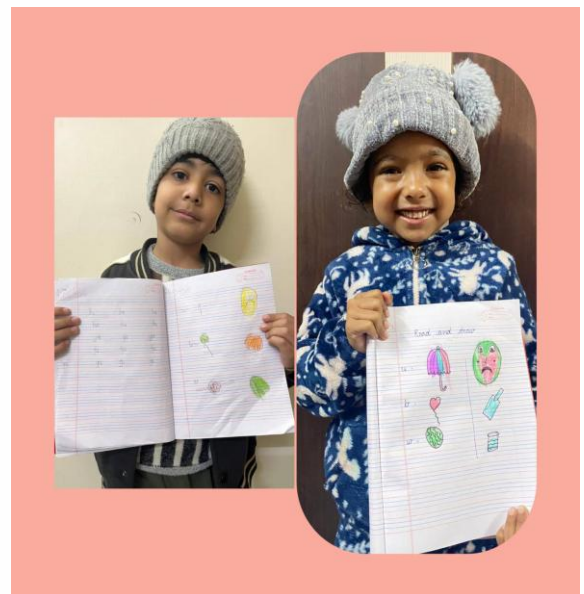

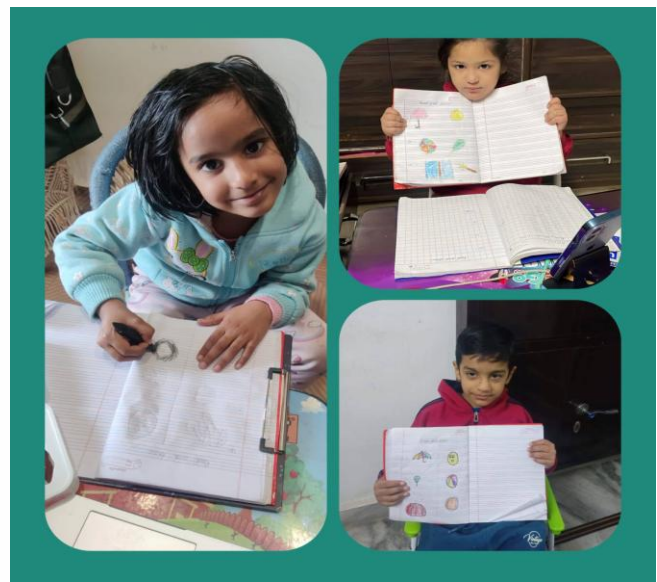

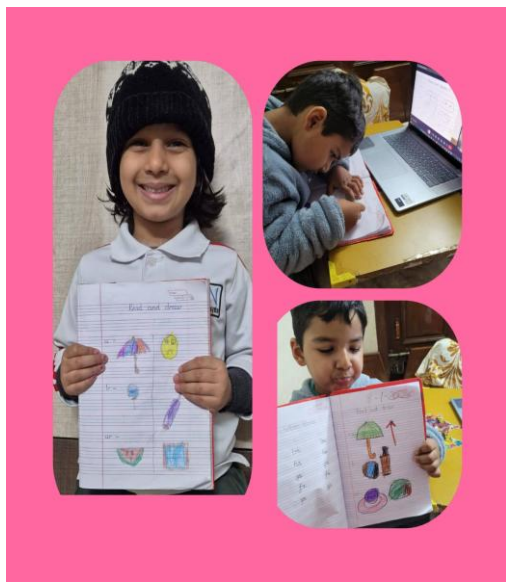

Through cheerful voices, structured counting and engaging activities, learning transformed into an active and joyful process. Little fingers traced numbers, bright eyes reflected comprehension and every correct response reinforced a sense of achievement.

This enriching numeracy experience reflected how early education flourished when guided by thoughtful instruction, creativity and encouragement.

SOUND TO PICTURE- PHONICS IN ACTION

In online class, children participated in a joyful phonics activity where they independently drew pictures for each sound they heard. This engaging task encouraged creativity while strengthening their ability to identify beginning sounds and connect phonics with meaningful pictures. It was wonderful to see our young learners confidently expressing their understanding through drawings and ideas of their own. Such activities helped build a strong foundation in early reading skills while making learning fun and interactive.

LOHRI CELEBRATION

“Festivals teach us to share joy, express gratitude and celebrate together.”

The festival of Lohri was celebrated with great enthusiasm and joy by the young learners. Dressed in traditional attire, the children actively participated in a variety of fun-filled and meaningful activities that brought the festive spirit alive. The celebration included enjoying traditional festive treats like popcorn, peanuts, sweets and revri, helping children understand the customs associated with the festival. Through engaging activities such as craft work, games, storytelling and creative expression, the children explored the cultural significance of Lohri and learned about harvest festivals like Makar Sankranti. The students also participated in symbolic bonfire rituals, where they expressed gratitude to the Sun, the Earth and Nature for their blessings and abundance. These experiences helped instill values of sharing, thankfulness and respect for natural resources. Overall, the Lohri celebration was a joyful and enriching experience that fostered creativity, cultural awareness and social-emotional development, leaving the children with happy memories and meaningful learning

EY-1

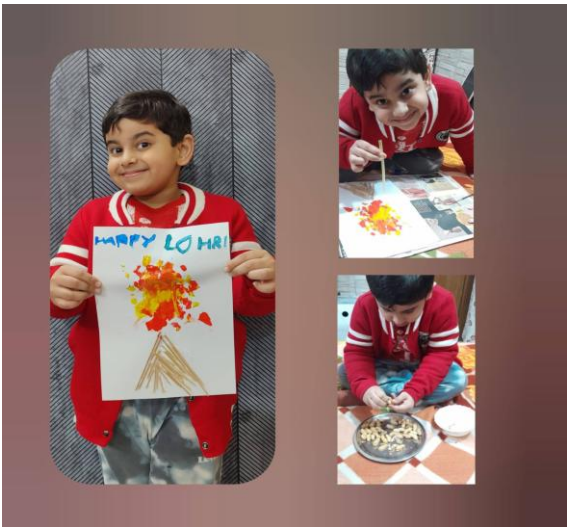

The EY-1 children enthusiastically participated in the Lohri celebration by dressing up in traditional attire and sharing their festive moments. They enjoyed relishing popcorn, peanuts and sweets while learning about the significance of the festival and the tradition of offering these items. Through these activities, they developed an understanding of sharing and expressing gratitude towards nature.

LKG

The LKG children celebrated Lohri through creative and engaging activities conducted during the online class. They created a Lohri bonfire craft using the blow painting technique with straws, colours and twigs, which helped enhance their creativity, fine motor and breathing skills. The children also participated in an exciting peanut-peeling game within a time limit, making the celebration interactive, fun and full of energy.

UKG

The UKG children took part in a meaningful Lohri celebration in their virtual classrooms, bringing festive cheer into their homes with traditional items like popcorn, revri and groundnuts. They watched interesting stories about harvest festivals such as Lohri and Makar Sankranti, which helped them understand their cultural importance. The children also participated in a symbolic bonfire activity and expressed gratitude to nature, while engaging in discussions that reinforced the values of thankfulness, sharing and respect for natural resources.

LETTER 'P' FUN ACTIVITY

Early Years 1 learners had a joyful Fun Day while being introduced to the Letter P through a hands-on pasta pasting activity. Children happily pasted pasta on the drawing of the letter P, improving their fine motor skills.

Through this activity, they understood the initial sound of "P" as in Pasta. The activity also helped in vocabulary building and made learning more engaging and memorable. Learning through play made the session exciting and meaningful for the children.

MEANS OF TRANSPORT

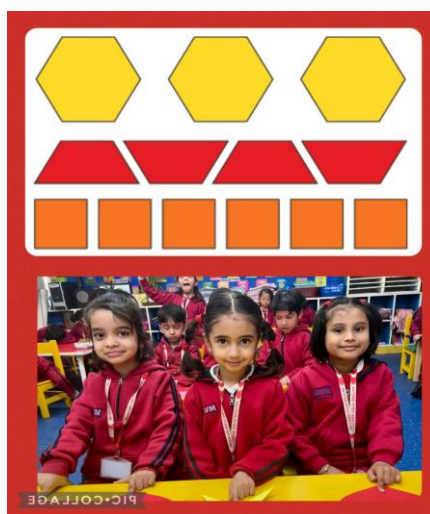

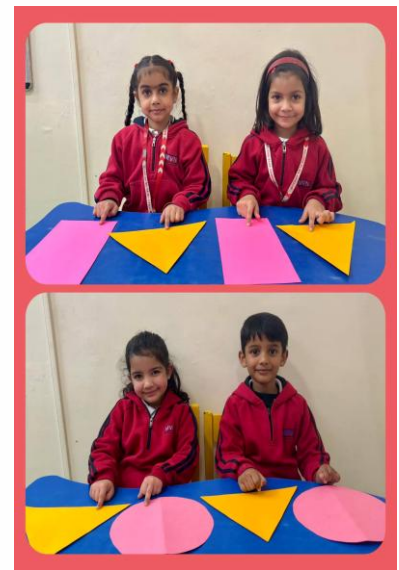

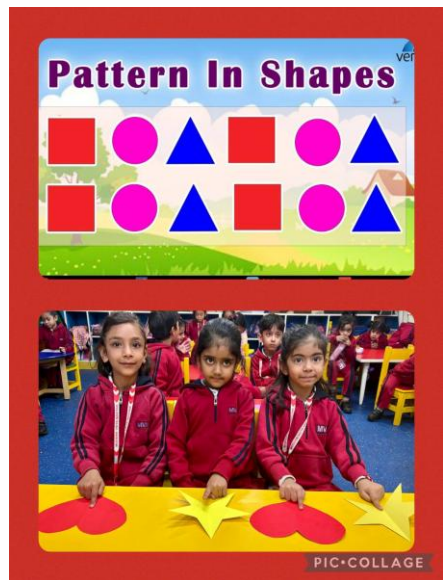

Our little learners enjoyed an engaging Means of Transport activity. The children actively participated by identifying different modes of transport and placing them on the board under Land, Water and Air. Through this hands-on activity, they learned to sort and classify vehicles correctly while enhancing their thinking and observation skills. The activity was fun, interactive and helped the children understand how we travel in different ways.

PATTERNS

Our young learners explored the concept of patterns through a joyful hands-on activity using different shapes, sizes and colours. The children arranged the materials to create simple repeating sequences, learning to observe order and repetition in a fun and meaningful way.

While working on the patterns, children developed logical thinking and sequencing skills. The activity also encouraged creativity, concentration and fine motor development.

ADDITION

Early Years 1 students were introduced to the concept of addition through an engaging, play-based approach aligned with the Cambridge Early Years framework. Children first explored the meaning of addition as putting together, followed by recognition of the addition sign. Using hands-on activities and concrete objects, learners added groups in a joyful and interactive manner, strengthening their early numeracy skills while building curiosity, confidence and conceptual understanding through purposeful play.

VASANT PANCHAMI CELEBRATION

Basant Panchami Celebration – Common Write-Up “Festivals inspire us to learn, grow and celebrate knowledge with joy.” The festival of Basant Panchami was celebrated with great enthusiasm and devotion by the young learners. Dressed beautifully in yellow attire, the children welcomed the spirit of spring and participated in a variety of meaningful and engaging activities. The celebration helped children understand the significance of the festival and its association with Goddess Saraswati, the symbol of knowledge, wisdom and arts. They learned about the importance of respecting books, learning materials and the value of education. Through interactive discussions and creative expressions, the children explored the essence of the festival and its message of new beginnings, positivity and enlightenment. Overall, the celebration was a joyful blend of tradition and learning, fostering creativity, cultural awareness and a love for knowledge among the children.

EY-1

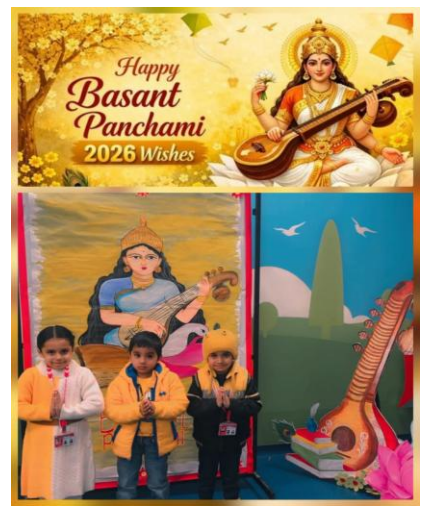

The EY-1 children celebrated Basant Panchami with great excitement by dressing in yellow attire and observing the picture of Goddess Saraswati. They were introduced to her symbols, such as the veena and lotus and learned about their significance. The children also developed an understanding of respecting books and learning materials, making the celebration both meaningful and informative.

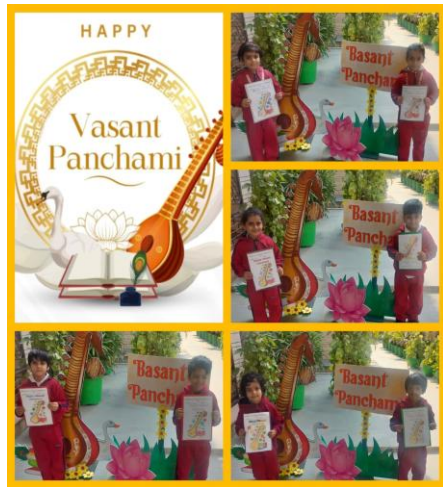

LKG

The LKG children celebrated the festival through a fun-filled colouring activity, where they coloured Basant Panchami-themed worksheets featuring the veena and flowers. Using bright and cheerful colours, they enhanced their creativity, fine motor skills and colour recognition while enjoying the festive spirit in an engaging way.

UKG

The UKG children marked the occasion with creativity and devotion by colouring activity sheets using their imagination and artistic expression. Their vibrant and thoughtful creations reflected originality and enthusiasm, encouraging them to explore art as a medium of learning. The activity reinforced the importance of creativity, cultural values and joyful learning, making the celebration inspiring and memorable.

REPUBLIC DAY CELEBRATION

“Little Hands, Big Pride – Celebrating Republic Day with Joy and Patriotism”

EY1

Early Years 1 children celebrated Republic Day with great enthusiasm through a fun-filled and meaningful learning experience. The little learners participated in a tearing and pasting activity using the three colours of our national flag to decorate the India Gate, beautifully representing our country. Through this hands-on activity, children were introduced to the significance of Republic Day and learned why we celebrate this important day in India's history. The celebration was a perfect blend of creativity, enjoyment and age-appropriate learning. This engaging experience helped children develop their Personal, Social and Emotional Development (PSED) as they shared materials, expressed pride in their nation and participated confidently with their peers. It was truly a joyful and informative celebration for our young learners.

LKG

To celebrate Republic Day, our LKG kids enthusiastically shared their thoughts about the day. They were introduced to the Constitution of India and learnt about Fundamental Rights and Duties in a simple and child-friendly way. The children also learnt about Dr. B.R. Ambedkar, the chief architect of the Indian Constitution. The celebration concluded with the song “We Shall Overcome,” spreading the message of unity, equality and hope.

UKG

“The future of a nation is shaped in the voices of its children.”

As part of the 77th Republic Day celebrations, the UKG students of MVN Kindergarten, Sector-17 participated in a beautifully curated “Speak on Session” based on the inspiring theme- Self Reliant India, Atmanirbhar Bharat. Our young learners spoke with remarkable confidence and clarity, expressing their thoughts on themes such as Digital India, Make in India, Swachh Bharat, ISRO, Skill India, Smart Cities and India's growth. Each child participated enthusiastically, dressed gracefully according to their chosen topic and used simple props that added charm and meaning to their presentations. The session unfolded as a celebration of patriotism, self-expression and youthful zeal, nurturing communication skills, confidence and a deep sense of national pride in our little citizens. We extend our heartfelt gratitude to our parents for their unwavering support and cooperation, which made this event a memorable success. Together, we continue to sow the seeds of responsibility, confidence and love for the nation in young hearts.

Happy Republic Day 2026

Happy Republic Day 2026

SOLAR SYSTEM

A journey through the Solar System

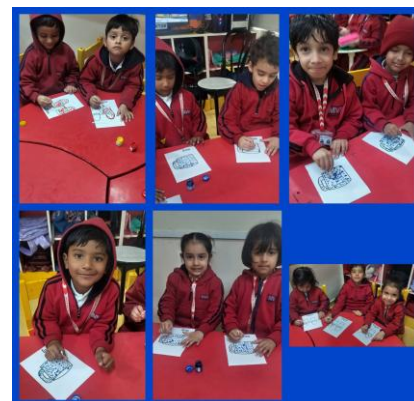

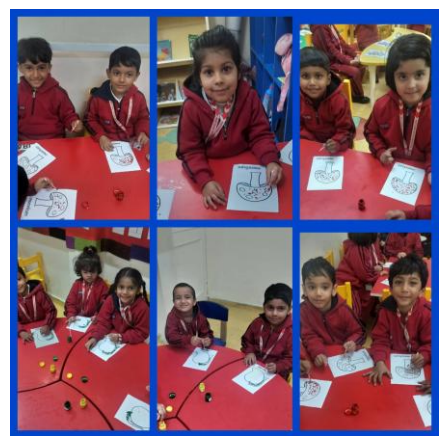

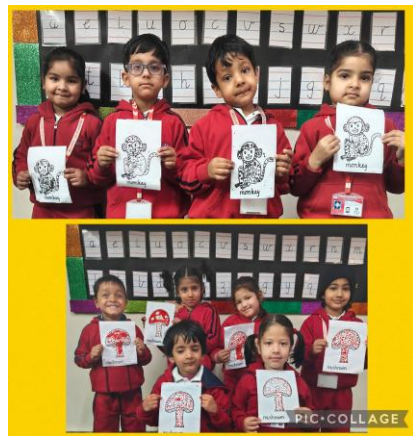

The UKG children were introduced to the exciting world of the solar system through a joyful and interactive session. They learned about the Sun and the eight planets, their names and basic features using colourful visuals and simple explanations. The children eagerly sang a solar system song, which helped them remember the planets in the correct order while enjoying the learning process.

Through this activity, they developed better listening skills, improved their vocabulary and enhanced their general awareness about space. Concepts like the importance of the Sun, Earth as our home and day and night were also discussed in a child-friendly manner. The session sparked curiosity and interest in science, making learning meaningful, fun and memorable for the young learners.

LEARNING LETTER WITH DOTS

Our little learners of LKG enjoyed a fun ear-bud painting activity as they explored the letter 'M'. Children used ear buds to paint and decorate M words like mango, monkey, mittens, monster, mushroom and mug. This activity helped strengthen fine motor skills, improved hand-eye coordination, and reinforced letter-sound association in a joyful, hands-on way. Learning truly became magical when creativity met literacy!

‘त’ से ‘तरबूज’

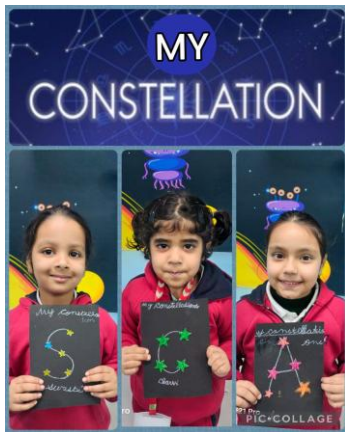

EY1 kids were joyfully introduced to ‘त से तरबूज’, where learning met creativity in a hands-on way! Children explored the letter ‘त’ through a delightful earbud impression activity on a watermelon picture. As they dipped and dotted, little hands worked hard, strengthening their fine motor skills, while young minds blossomed with creativity and imagination.

This engaging activity also helped children enhance their letter recognition, focus and hand-eye coordination, making learning meaningful and fun!

MY CONSTELLATION

The universe has always been full of wonders, and constellations have helped people understand patterns made by stars in the night sky. Our UKG children were introduced to the concept of constellations and learned how stars appear close together to form meaningful patterns. Taking this learning forward, the children joined stars to form the first initial of their own names, imagining their letters shining brightly in the sky. Through this activity, they also understood that constellations are formed when stars are connected in a particular pattern to help us recognize them. This joyful experience enhanced their imagination, fine motor skills and curiosity about space in a meaningful way.

HEALTHY EATING, HEALTHY LIVING

LKG children participated in an engaging hands-on activity using real fruits, vegetables, chips, chocolates and sweets. They explored each item by seeing, touching and naming it, before sorting them into healthy and unhealthy food groups. Fresh fruits and vegetables were recognised as foods that help our bodies grow strong and stay active, while chips, chocolates and sweets were identified as unhealthy foods to be eaten only sometimes. This fun and interactive activity helped children understand the importance of making healthy food choices in a meaningful way.

WHEELS, WINGS AND WAVES

Day 1

Our Early Years 1 learners began the celebration with an exciting sound-and-movement challenge. As the steering wheel spun and music played, children stayed alert and when the music stopped, they identified the vehicle horn sound, picked a matching vehicle from the mystery box and placed it correctly on the land, air or water transport platform. This playful, hands-on activity strengthened listening skills, thinking ability and concept understanding beautifully aligned with the Cambridge Early Years approach, where learning is active, joyful and meaningful. A day full of sound, movement and smart little explorers!

Day 2

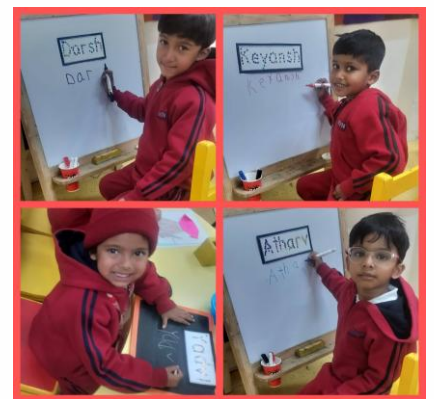

The Shadow Detective Challenge Our Early Years 1 learners turned into little detectives as they explored the fascinating concept of shadows through a fun transport-themed challenge. Children created shadows of different vehicles and worked with partners to match each shadow to the correct transport picture. This engaging hands-on experience encouraged observation, thinking skills and teamwork — key elements of the Cambridge Early Years approach, where learning happens through exploration and play. A joyful day of discovery, curiosity and happy learning!

NAME DECORATION

LKG children participated in an engaging and joyful learning activity where they decorated their names with colourful stars. This hands-on experience encouraged creativity, focus and fine motor development.

After completing the decoration, each child placed their name card and carefully observed the letters one by one. With guided support, they looked at the letter shapes, identified familiar sounds and then tried to write their names on the board.

VYANJAN FLASHCARDS

Tiny hands, big learning moments.

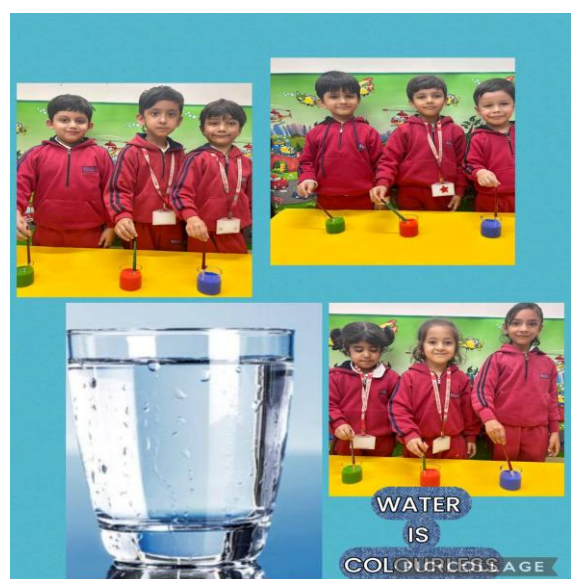

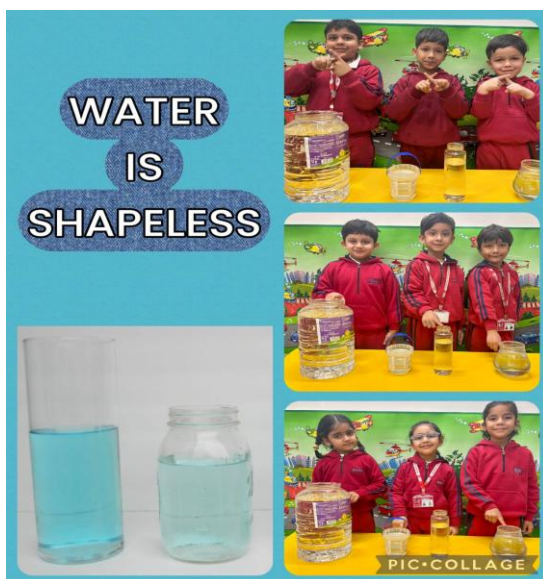

Our cheerful UKG stars had a joyful time exploring Hindi learning through a fun and interactive classroom activity. The children enthusiastically joined Vyanjan flashcards to form four-letter Hindi words, turning the learning process into an enjoyable and meaningful experience. This engaging activity helped enhance their Hindi vocabulary, strengthened letter recognition and improved their word-formation skills. It also built confidence in using the Hindi language while making learning lively and child-centric. Watching our little learners connect sounds and letters with such enthusiasm was truly heart-warming. Learning becomes most effective when it is joyful, hands-on and filled with curiosity.

WATER : LEARNING THROUGH EXPLORATION

Our curious UKG learners had a wonderful hands-on exploration while discovering the properties of water. Through simple and engaging activities, they observed that water has no shape of its own and takes the shape of the container it is poured into. They carefully looked at water in transparent glasses and understood that it is colourless. By adding a few drops of colour, they excitedly noticed the change and clearly understood that water itself has no colour. When they tasted plain water, they confidently shared that it has no taste.

This experiential activity strengthened their observation skills, scientific thinking and vocabulary. The children explored, experimented and expressed their understanding with confidence—truly reflecting meaningful learning by doing.

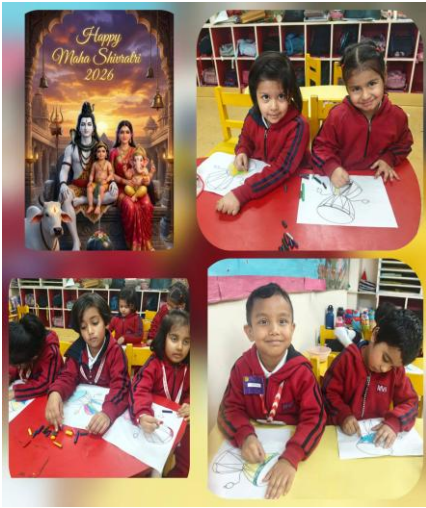

EARLY READING SKILLS

Our LKG learners enthusiastically explored early reading skills through engaging three letter word reading sheets. Children carefully looked at each letter, blended the sounds and tried to read simple words like cat, bat, pin and dog. With guidance and encouragement, they practiced sounding out letters and recognizing familiar word patterns. This activity helped strengthen their phonics awareness, improve letter recognition and build confidence in early reading. Through regular practice, our young learners took small but meaningful steps towards becoming independent readers while enjoying the joy of learning new words.

SHIVRATRI CELEBRATION

The EY 1 children joyfully celebrated Maha Shivaratri with a meaningful and engaging activity. They beautifully coloured the picture of the Damru, the sacred musical instrument of Shiva and learned about its importance. Through an interesting story session, the children understood why we celebrate Maha Shivaratri and the significance of visiting the temple on this auspicious day. They discovered that the Damru symbolizes positive energy and rhythm in the universe. The celebration helped the little ones connect with our traditions in a simple and joyful way, making the learning experience both spiritual and memorable.

A HEALTHY MIND LIVES IN A HEALTHY BODY

The little UKG learners enjoyed an energetic and joyful fitness session filled with fun exercises and movement activities. The session emphasized the timeless thought, “A Healthy Mind lives in a Healthy Body.” Through stretching, jumping, balancing and simple workout routines, children experienced how physical activity keeps the body strong and the mind fresh.

The children participated enthusiastically, followed instructions with excitement and learned the importance of staying active every day. They discovered that exercise not only builds strength and stamina but also improves focus, confidence and happiness.

It was heartwarming to see their smiling faces and lively spirit. The session reinforced the value of healthy habits and encouraged our young learners to stay active, energetic and cheerful.

LET'S DOUBLE THE NUMBER

EY1 children learned how to double numbers through a fun picture activity. They carefully counted the given pictures and pasted the same number on the ladybug to understand the concept of doubles. This hands-on activity helped them strengthen their counting skills and number recognition skills. The children showed great enthusiasm and confidence while completing the task. It was a joyful and engaging learning experience for everyone.

SIGHT WORDS ACTIVITY

"Today a reader, tomorrow a leader." – Margaret Fuller

In our UKG classroom, sight words form an essential part of learning under the domain Communication, Language and Literacy. Sight words are high-frequency words that children learn to recognize instantly without decoding letter by letter. Mastering these words helps children move from slow, word-by-word reading to smooth and confident reading. During our classroom activities, children practised speaking sight words clearly, identifying them through flashcards and board exercises, recognizing them in simple sentences and writing them independently. This consistent practice strengthens pronunciation, listening skills, word recognition and early writing abilities. Learning sight words improves reading fluency and comprehension because children can focus on understanding the meaning rather than struggling with common words. It also builds vocabulary and encourages correct sentence formation in both speaking and writing. We are proud to see our young learners becoming more confident each day. With regular exposure and guided practice, they are developing a strong foundation that will support their future reading, writing and overall communication skills.

EARLY DATA ANALYSIS IN ACTION

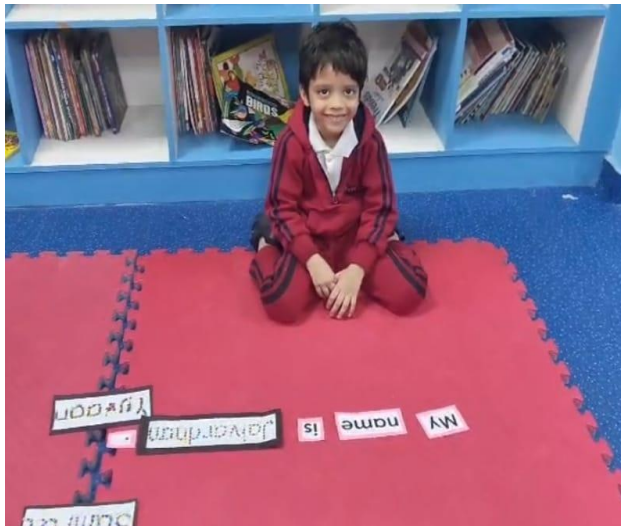

Which is your favourite pet? Our little learners analysed and answered this question through a fun and engaging activity. Each child observed the pictures, made a thoughtful choice and placed their vote on the chart. Through this hands-on experience, children were introduced to early data analysis skills — collecting information, counting, comparing and discovering which choice had more or less. Learning becomes exciting when curiosity meets exploration!

NAME PUZZLE ACTIVITY

Children participated in a joyful Name Puzzle activity where they arranged the words

“My name is _____.” in the correct order. The words were given in a mixed sequence, and the children carefully arranged them to form a meaningful sentence. Through this activity, they learned sentence formation and improved their reading skills the correct order of words. It also helped them build confidence as they proudly read their sentence aloud in class.

CONCEPT OF MONEY

Our UKG children had a wonderful learning experience while exploring the concept of money and coins. They learned to recognize different coins and understood their values through engaging classroom discussions and hands-on activities.

The young learners enthusiastically participated in an activity where they identified and traced coins of ₹1, ₹2, ₹5, ₹10 and ₹20 using colours, which made the learning process joyful and interactive. They also completed a worksheet that helped reinforce their understanding in a fun and meaningful way.

The activity filled the classroom with excitement and happiness, as the children felt confident recognizing coins and using them correctly. This playful yet purposeful experience helped them build early financial awareness and practical life skills.

MY FAVOURITE ANIMAL

Our little stars of LKG confidently stepped forward for a joyful “Speak on My Favourite Animal” session! Dressed in adorable animal costumes and holding their favourite animal props, our young learners spoke a few simple sentences about the animals they love the most. From roaring lions and gentle elephants to cute rabbits and playful tigers — every child expressed their thoughts with excitement and confidence. This activity helped our children build confidence in public speaking. Enhance vocabulary and sentence formation Develop stage presence and expression Overcome hesitation and speak fearlessly.

It was heartwarming to see their bright smiles, expressive actions and enthusiastic participation. Each child truly roared, chirped and hopped their way into our hearts.

SOUND ACTIVITY

Our little learners joyfully explored the fascinating world of Sound through a vibrant and hands-on classroom experience. The room echoed with curiosity as a variety of everyday objects were used to discover how different sounds are produced. From gentle taps to cheerful jingles, students observed the difference between loud and soft sounds and eagerly shared their findings with confidence. They learned that sound is a form of energy created when objects vibrate and they experienced this concept in a simple yet meaningful way. The activity strengthened their listening skills, observation skills and expressive abilities. It also nurtured teamwork, curiosity and scientific thinking.

The session beautifully blended fun with learning, turning abstract concepts into tangible experiences. Smiles, excitement and thoughtful discussions filled the air as young minds connected theory with real life. It was truly an enriching journey that deepened their understanding and made learning both memorable and melodious.

HOLI CELEBRATION

Holi Celebration – Embracing the Spirit of Colours & Togetherness Holi, the vibrant festival of colours, signifies the triumph of good over evil and the arrival of spring filled with hope, joy and new beginnings. It teaches the beautiful values of love, unity, forgiveness and togetherness — filling hearts with warmth and positivity.

LKG

Our little stars had a magical and joyful Holi celebration. From cotton dabbing on colourful clowns to carefully extracting petals from fresh flowers, every activity was filled with excitement and curiosity. Tiny hands were busy, creative minds were sparkling and happy giggles filled the air! The highlight of the day was playing safe Flower Holi — showering petals on friends and celebrating togetherness with bright smiles. And of course, no Holi is complete without sweetness! The children enjoyed delicious gujiyas and shared happy festive moments with their friends. It was truly a day of colours, creativity, laughter and love. Memories were made, friendships grew stronger and hearts were filled with joy.

UKG

Keeping this spirit alive, the UKG children celebrated Holi with immense excitement and creativity. Little hands eagerly explored flower dabbing and flower pasting activities, turning soft petals into colourful masterpieces. The classroom bloomed with imagination as each child expressed festive joy through art. The most delightful moment was the gentle and safe Flower Holi, where children showered petals on one another, sharing smiles and laughter in the purest form. This meaningful celebration highlighted the importance of spreading happiness and strengthening bonds of friendship. Adding sweetness to the festivities, the little ones relished delicious gujiyas, making the day even more memorable. A celebration filled with colours, culture, creativity and cheerful giggles — truly a day that reflected the essence of Holi in its most innocent and beautiful form.

BALLOON BRUSH CELEBRATION

Our Early Years 1 learners enjoyed a fun and engaging sensory painting activity using brushes and colourful paints on balloons. They explored textures, experimented with colours and discovered how different brush strokes create unique patterns. This activity strengthened fine motor skills, hand-eye coordination, creativity and confidence while encouraging communication and joyful exploration.

INTRODUCTION TO LETTER X

To introduce the letter X, our EY-1 students engaged in a creative and hands-on activity where they made their very own “X-ray” of a hand by carefully pasting earbuds onto paper. This innovative approach transformed a simple classroom concept into an exciting and memorable learning experience. The children enthusiastically arranged the earbuds to resemble the bones of a hand, sparking their curiosity and imagination. As they worked, they not only reinforced their understanding of the letter X—associating it with “X-ray”—but also explored how objects can represent real-life ideas in a fun and meaningful way. This activity also played a significant role in developing their fine motor skills, as they practiced picking, placing and pasting the earbuds with precision and care. It encouraged focus, hand-eye coordination and creativity, all while making learning joyful and engaging. Overall, it was a delightful blend of art and literacy, where learning the letter X became an interactive experience filled with curiosity, creativity and skill-building.

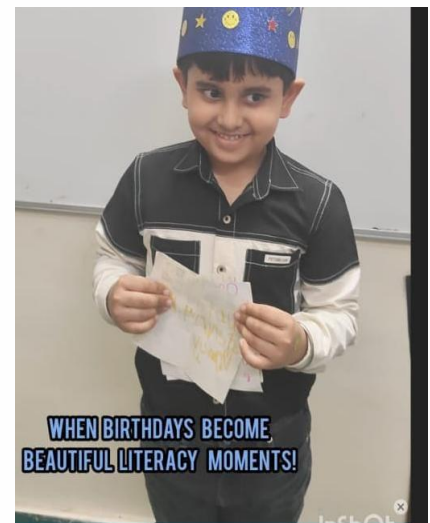

LET'S DOUBLE THE NUMBER

Early Years 1 children explored the fun concept of “Doubles” using colourful dominoes. Through this engaging hands-on activity, the children observed and matched the same number of dots on both sides of the domino tiles, helping them understand the idea of doubling in a playful way. As they counted and compared the dots, they strengthened their early numeracy skills, number recognition and logical thinking. The activity also encouraged focus, observation and collaborative learning, making mathematics an enjoyable and meaningful experience for our young learners.

BIRTHDAY CELEBRATION

Turning a special moment into a learning experience! Our little learners celebrated their classmate's birthday in a joyful and meaningful way by creating beautiful birthday cards. The children wrote "Happy Birthday", drew colourful pictures of birthday caps, cakes, candles and gifts and expressed their love through art and words. This activity helped them connect real-life experiences with literacy learning—practising spellings, understanding how spoken words turn into written words and learning that writing can help us share our feelings. A perfect blend of celebration, creativity and learning!

PULL AND BALANCE AND TUNNEL ROLL

Our EY1 little learners celebrated their last day with great excitement and joy!

To make the day special, the children enjoyed two fun activities — Pull & Balance and Tunnel Roll. These activities filled the classroom with laughter and excitement as the kids happily participated and supported each other. The last working day in EY1 was truly full of joy, fun and beautiful memories for our little stars. All the very best, dear children, as you step into your new journey in EY2!

LISTEN, LOOK AND LEAP

Learning was brought to life through an engaging and energetic activity titled “Listen, Look and Leap.”- UKG The young learners enthusiastically participated in this joyful movement-based game that encouraged them to listen attentively, observe carefully and respond with confidence. The children were divided into groups, and as different colours were called out, they quickly identified the correct colour and leaped onto it with great excitement. This playful experience not only filled the space with laughter and enthusiasm but also helped strengthen listening skills, colour recognition and quick decision-making. Through such interactive activities, children learned to connect movement with thinking, transforming learning into a delightful and meaningful experience. Happy Learning!

HEART CARD ACTIVITY

On the last day of school, our little learners engaged in a delightful Heart Card Activity. The children created and decorated beautiful heart-shaped cards for their friends using colours and creative designs. This activity encouraged them to express love, kindness and gratitude towards their peers. It also helped in developing their fine motor skills, creativity and social bonding. The smiles and excitement on their faces made the day truly special as they exchanged cards and celebrated friendship with joy. Our little stars beautifully captured their special moments on the last day of school as they posed with their friends in a colourful photo frame. Smiles, laughter and friendships filled the air, making it a day full of joy and cherished memories. This activity celebrated togetherness and marked the end of a wonderful learning journey for our LKG Batch 2025–2026. A day to remember and a bond to treasure forever!

LITTLE FOOTPRINTS, BIG STEPS

"Little hearts with big dreams are ready to paint their own rainbow of possibilities." With immense pride and a touch of heartfelt emotion, we celebrate a beautiful milestone in the lives of our little learners. Our Kindergarten children are now stepping into Grade 1, carrying with them joyful memories, sparkling curiosity and the beautiful camaraderie they have built with their friends. Their Kindergarten journey has been filled with laughter, discovery, creativity and friendship. Every day brought new questions, bright ideas and joyful learning moments that helped their minds grow wiser and their hearts grow kinder.

In a special and meaningful gesture, our little stars printed and coloured their vibrant footprints, symbolising a beautiful message — "Take memories and leave only footprints." These colourful prints reflect the joyful paths they have walked together and the memories they will always carry in their hearts. As they step forward into Grade 1, they take along not only knowledge but also confidence, imagination and friendships that will continue to blossom. Their curiosity will guide them and the camaraderie they share will remind them that every journey is brighter when walked together.

We celebrate these shining stars who are ready to spread their wings and explore new horizons. Keep dreaming, keep exploring and keep leaving beautiful footprints wherever you go.

PORTFOLIO DAY

Portfolio Day at MVN School, Sector-17 was a magnificent celebration of learning, gratitude, and togetherness. The campus radiated the freshness of spring and the vibrance of festivity, as parents were accorded a warm and heartfelt welcome. Beautifully curated Spring and Holi special selfie booths added colour and charm to the atmosphere, while the corridors transformed into inspiring galleries showcasing students' work — a proud display of creativity, effort and continuous growth. Every corner of the school reflected dedication and joy.

The Opening Ceremony began on an auspicious note with the traditional Lamp Lighting and a soulful prayer, invoking wisdom and positivity for the young learners. The spirit of unity echoed through the air as the MVN Anthem was sung with pride, strengthening the sense of belonging among all present. A graceful dance performance further elevated the ceremony, symbolizing enthusiasm, expression and the vibrant energy of our students.

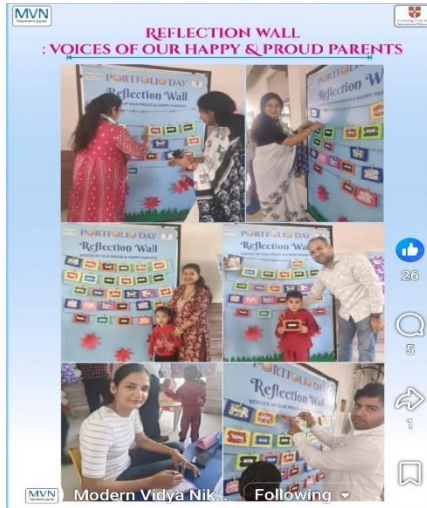

The occasion was enriched by the inspiring address of our esteemed Director Academics, Dr. Neeta Bali, MVN Schools, who emphasized that true education lies beyond academics — in nurturing confidence, resilience, and character. She beautifully described the portfolio as a reflection of a child's evolving journey, capturing not only achievements but growth, perseverance and potential. Her powerful words deeply resonated with parents and educators alike.

Our respected Principal, Ms. Agalya Venkatesh, shared her thoughtful insights on the invaluable partnership between school and home. She highlighted that every page of the portfolio narrates a story of effort and excellence and she applauded the students for their confidence and the parents for their unwavering support in shaping responsible global citizens.

The Portfolio Presentation stood as the heart of the event, where young learners proudly showcased their accomplishments and reflections. The Felicitation Ceremony further added to the joyous spirit, recognizing dedication and celebrating milestones. Truly, as beautifully expressed, "A Father Knows, A Mother Feels – The Eyes of the Child Say It All." The sparkle of pride in the children's eyes and the warmth in parents' smiles created unforgettable moments of connection — from eyes to heart, one look, one bond.

The Reflection Wall echoed with heartfelt messages from our happy and proud parents, reaffirming the school's commitment to holistic development. The vibrant celebration of Holi infused the day with colours of unity, happiness and new beginnings, making the occasion even more memorable.

Portfolio Day was not merely an event; it was a celebration of growth, gratitude and shared dreams — a powerful reminder that at MVN School, every child's journey is valued, every effort is appreciated and every achievement is a stepping stone toward a brighter tomorrow.

GRADUATION DAY

Kindergarten Graduation Day 2026– UKG Aster

With sparkling smiles and hearts filled with pride, our little graduates of UKG Aster celebrated a beautiful milestone on their Kindergarten Graduation Day. Dressed in their adorable graduation robes, the young learners walked onto the stage with confidence, receiving their scrolls and celebrating a year filled with learning, laughter and joyful discoveries. One of the most delightful moments of the day was their wonderful dance performance, where the children not only danced with enthusiasm but also sang along with the song, filling the atmosphere with energy, innocence and pure happiness. Their vibrant performance truly reflected their confidence and growing talents. The celebration was a heartwarming blend of music, movement, and smiles, creating memories that will always be cherished. As these young learners take their next step forward, they carry with them the values, curiosity and confidence nurtured during their kindergarten journey.

Kindergarten Graduation Day 2026- UKG Bluebells

“Small steps in Kindergarten today become giant leaps for tomorrow.” A magical wave of pride, joy and wonder filled the air as the little stars of UKG Bluebells celebrated their much-awaited Graduation Day Ceremony. It was not just a celebration; it was a beautiful milestone marking the beginning of a new chapter in their learning journey. Dressed gracefully in their graduation caps and gowns, the young graduates looked absolutely radiant. Their bright smiles, sparkling eyes and confident presence created a delightful sight. The ceremony reached a truly enchanting moment when the children stood together to present their beautiful graduation song. Their innocent voices, perfectly blended with graceful expressions, created a mesmerizing performance that filled the hall with warmth and pride. Every note carried their happiness, and every word reflected the memories of their kindergarten journey. It was a performance that touched hearts and left the audience spellbound. The UKG Bluebells truly turned the ceremony into a beautiful memory — a moment where laughter, learning, friendship and dreams came together. Their enthusiasm, their sparkling energy, and their joyful presence made the day unforgettable for teachers, parents, and everyone present. And as the little graduates of UKG Bluebells waved their scrolls with excitement, one thing became certain — *their journey has just begun and their future shines brighter than ever.

ORIENTATION DAY

The Orientation Day for our Cambridge Early Years students (EY1, EY2 and EY3) was a vibrant and heartwarming occasion, marking the beginning of a new academic journey for our young learners and their families. The event was uniquely hosted by our confident little stars themselves, whose cheerful compering added a special charm and delight to the entire programme. The ceremony commenced on an auspicious note with the traditional lamp lighting, symbolising the dispelling of darkness and the beginning of knowledge and wisdom. This was followed by a serene prayer, creating a calm and positive atmosphere and invoking blessings for a successful and joyful year ahead.

The audience was then treated to a lively and captivating dance performance by our talented children. Their enthusiasm, rhythm, and joyful expressions truly lit up the stage and reflected the spirit of early learning—full of energy, creativity and confidence. The event was further enriched by the inspiring words of our respected Principal Ma'am, who warmly welcomed the parents and students. In her address, she emphasised the importance of a strong foundation in the early years and highlighted the school's commitment to nurturing curiosity, creativity and holistic development in every child.

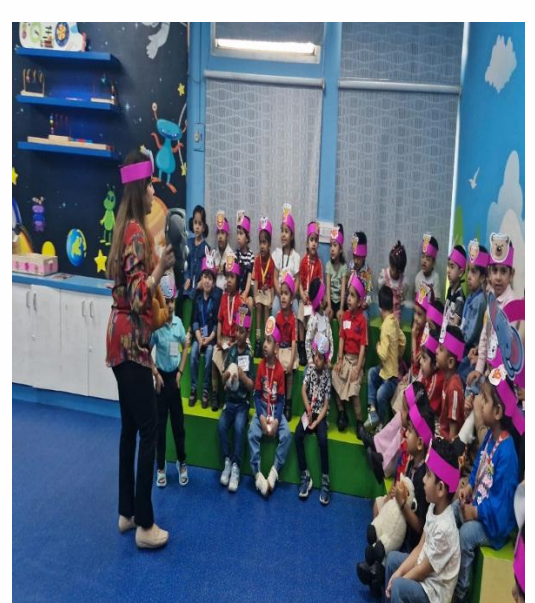

We were also honoured to hear from our Academic Director, Dr. Neeta Bali, whose insightful speech provided a deeper understanding of the Cambridge Early Years programme. She spoke about the significance of experiential learning, child-centric approaches and the role of collaboration between school and parents in shaping a child's future. Her words were both encouraging and enlightening, setting a positive tone for the year ahead. A special segment of the programme was dedicated to the introduction of our staff members, where parents were introduced to the dedicated team of educators who will guide and support the children throughout their learning journey. This helped build a sense of trust, connection and reassurance among the parent community.

The programme concluded on a proud and patriotic note with the singing of the MVN Anthem, bringing everyone together in a spirit of unity and belonging. Overall, the Orientation Day was a beautiful blend of tradition, celebration and meaningful interaction. It not only welcomed our young learners into the school community but also strengthened the bond between parents and educators, laying the foundation for a successful and enriching academic year ahead.

DEMO DAY

Demo Day 1 was a delightful beginning for our young learners as they stepped into a warm, safe and engaging environment. The day was thoughtfully designed to help children feel comfortable and confident in their new surroundings. The children began by exploring their classroom and interacting with peers, taking their first steps towards building friendships. They showed enthusiasm and curiosity while engaging in various learning activities, reflecting their readiness to discover new things. A special highlight of the day was the story session- "The Best Buddy", where imagination came alive and children found joy in listening and connecting. The dance session further enriched their experience, allowing them to express themselves freely through movement and rhythm. As they headed home, the children carried with them smiles, confidence and a bundle of meaningful experiences—marking a positive start to their learning journey and a readiness to shine.

DEMO DAY

EY1 children had a wonderful time filled with joy, laughter and excitement. The day was beautifully planned with a blend of fun activities and meaningful learning experiences. Children actively participated in an engaging game where they passed the ball from one place to another, promoting teamwork, coordination and enthusiasm. Their smiling faces truly reflected how much they enjoyed the activity. Along with fun, the children were also introduced to the importance of healthy eating habits. Through a delightful apple-themed activity, they learned the valuable message, “An apple a day keeps the doctor away.” It was heartwarming to see our little learners understand and express the idea of “Eat Healthy, Stay Happy.” The day was not just about enjoyment, but also about building good habits in a playful and memorable way. Overall, it was a perfect combination of fun, learning and happy moments that made Demo Day truly special for our young stars.

ACHIEVEMENTS

JEE MAIN 2026

A proud moment of excellence and dedication!

Our students have once again proven their mettle in JEE Main 2026 (January), achieving outstanding Percentiles and continuing a legacy of consistent success. With remarkable performances across all ranges, this achievement reflects hard work, perseverance and the unwavering guidance of our mentors. Congratulations to all achievers for making us proud and setting new benchmarks!"

OUR ILLUSTRIOUS ALUMNUS

A journey of grit, brilliance, and unwavering determination—making MVN proud!

With immense pride and admiration, we celebrate the remarkable achievement of our illustrious alumnus, Dr. Adhyayan Bajpai (Batch of 2014), who has secured an outstanding All India Rank 414 in UPSC CSE 2025.

An MBBS graduate from Maulana Azad Medical College, New Delhi, his journey stands as a shining testament to perseverance, dedication, and an unwavering commitment to excellence. His success is not just a personal milestone, but a moment of pride and inspiration for the entire MVN family.

Your achievement reflects the power of determination and the spirit of dreaming big. You have truly set a benchmark for aspiring minds and made your alma mater proud.

Heartiest Congratulations, Dr. Bajpai!

May you continue to rise, inspire, and serve the nation with distinction.

NSTSE 2025-26

“The future belongs to those who believe in the beauty of their dreams.”

We are thrilled to celebrate Harshit Singh from Class X for his stellar academic excellence, who has secured National Rank 6 in the NSTSE 2025–26. His achievement reflects sincere effort, strong determination and a deep understanding of scientific concepts. His success has further strengthened the academic reputation of Modern Vidya Niketan Sr. Sec. School, Sector-17 and stands as a source of motivation for fellow students.

This milestone has been made possible through his consistent hard work, focused preparation and the valuable guidance of his teachers and mentors. His accomplishment encourages the entire student community to pursue excellence with dedication and confidence. The school fraternity extends its heartfelt congratulations to him and wishes him continued success and many more achievements in the years to come.

We are delighted to share that our students have delivered an outstanding performance in the NSTSE 2025–26, with 17 students securing positions among the Top 1000 ranks at the national level. This remarkable performance reflects the academic strength, dedication and perseverance of our students. It further reinforces the strong learning culture nurtured at MVN Sector-17, where students are encouraged to strive for excellence.

This success stands as a testament to the students' sustained efforts, disciplined study habits and the structured academic guidance provided by their mentors. It highlights the importance of perseverance, clarity of concepts and a focused approach towards learning. The school extends its heartfelt appreciation and congratulations to all achievers and wishes them continued progress and success in their future academic pursuits.

ASIAN PHYSICS OLYMPIAD 2026

We are delighted to share that Harshit Singh of Class X has been selected to represent the Indian Team at the Asian Physics Olympiad (APhO) 2026, to be held in Busan, South Korea. Harshit is among the top eight students in the country, chosen through the highly prestigious National Standard Examination in Physics (NSEP) conducted by IAPT. His remarkable achievement is a testament to his dedication, perseverance and exceptional talent in physics.

This milestone not only brings glory to himself but also fills our entire school community with pride and inspiration.

Wishing Harshit the very best as he steps onto the global stage to shine and make the nation proud!

NSO 2025-26

A proud moment for MVN as our students achieve remarkable success in the SOF National Science Olympiad (NSO) 2025–26.

50 MVNites were awarded the Gold Medal of Excellence, 7 students secured the Gold Medal of Distinction and 47 students qualified for the Second Level, showcasing outstanding scientific aptitude, analytical thinking and determination.

These achievements reflect disciplined preparation, curiosity beyond the classroom and the constant support of teachers and parents.

The banner is blue with white and yellow text. It features the SOF logo on the top left and the NSO logo on the top right. The main title 'NSO - 2025-26' is in large white letters. Below it, 'NATIONAL SCIENCE OLYMPIAD' is in yellow letters inside a white oval. Underneath, 'GOLD MEDAL OF DISTINCTION' and 'INTERNATIONAL ACHIEVERS' are in white letters. The banner displays seven student portraits in white rounded rectangles. Each portrait is accompanied by the student's name, class, and rank in yellow text. The students are arranged in two rows: three in the top row and four in the bottom row. The first student, Dhary Goel, is highlighted with a larger portrait and 'RANK 1' in large yellow letters. The other students are Achintya Sagar (Rank 10), Rudr Gupta (Rank 10), Tanuj Bansal (Rank 17), Rachit Pandey (Rank 19), Maahir Pahuja (Rank 29), and Hridyansh Sapra (Rank 53). There are three white dots in the bottom left and bottom right corners.

IHO 2025-26

“When language becomes strength, expression turns into excellence.”

Students of Modern Vidya Niketan Sr. Sec. School, Sector-17, Faridabad have once again brought immense pride to the school with their exceptional performance in the International Hindi Olympiad (IHO) 2025–26, conducted by the Science Olympiad Foundation.

A special round of applause to Dharv Goel (Class III) for achieving the International Rank 1, an extraordinary accomplishment that shines as a beacon of dedication and excellence. Adding to this proud moment, 16 students secured positions in the International Top 100, while many others earned Gold Medals of Distinction and Gold Medals of Excellence, reflecting their strong command over the Hindi language and literary skills.

These achievements are a testament to the hard work of our students, the guidance of dedicated teachers, and the unwavering support of parents.

Heartiest congratulations to all our young achievers for illuminating the path of success and making the MVN family proud.

The certificate is for the International Hindi Olympiad (IHO) 2025-26, organized by the Science Olympiad Foundation (SOF). It features a portrait of a young boy, Dharv Goel, in a red jacket. The text on the certificate includes 'OUR LUMINOUS STAR' in a blue box, 'INTERNATIONAL HINDI OLYMPIAD' in red, and 'INTERNATIONAL RANK 1' in blue with a large red number 1. Below this, it says 'DHARV GOEL' and 'CLASS - III' in red. The SOF logo is in the top left, and the IHO logo is in the top right.

ICSO 2025-26

“Young minds powered by curiosity today will shape the technology of tomorrow.”

We are immensely proud to celebrate the outstanding achievement of our students in the International Computer Science Olympiad (ICSO) 2025–26, conducted by the Science Olympiad Foundation.

Bringing laurels to the school on the international stage, four of our brilliant students secured positions in the International Top 100 ranks:

Achintya Sagar – Rank 14

Takshvi Tripathi – Rank 24

Dhruv Pandit – Rank 61

Hridyansh Sapra – Rank 100

In addition, our students also earned Gold Medals of Distinction and Gold Medals of Excellence, reflecting their exceptional analytical thinking and strong foundation in computer science.

Heartiest congratulations to all our achievers, their mentors, and proud parents. At Modern Vidya Niketan Sr. Sec. School, we remain committed to nurturing young innovators who are ready to excel on global platforms.

ISSO 2025-26

"Knowledge is the most powerful weapon which you can use to change the world." — Nelson Mandela

We are absolutely thrilled to announce the stellar performance of our students in the International Social Science Olympiad (ISSO) 2025-26.

The Hall of Fame:

29 International Achievers: A massive round of applause for our students who secured ranks in the Top 100 internationally!

Gold Medals of Distinction: 10 of our brilliant scholars earned this prestigious honor for their exceptional scores.

Gold Medals of Excellence: 16 dedicated students were awarded for their mastery of the subject and outstanding performance.

From the complexities of global history to the nuances of civics, these young minds have proven that their understanding of the world is truly world-class. A huge congratulations to the students, their proud parents, and our dedicated faculty who guided them toward this pinnacle of success.

INDIAN NATIONAL OLYMPIAD 2026

Harshit Singh (Class X) has delivered a spectacular performance at the Indian National Olympiad 2026, proving that with grit and genius, the stars are well within reach.

By securing a spot in the Top 24 for the Indian Physics Olympiad and the Top 60 for the Astronomy & Astrophysics Olympiad, Harshit has solidified his place among the elite vanguard of India's young scientists.

This isn't just a certificate of merit; it is a gateway to the global stage. Harshit is now one step closer to donning the India colors at the International Olympiads.

We are witnessing the rise of a true visionary. Join us in celebrating this monumental milestone!

NOF'S INTERNATIONAL JUNIOR OLYMPIAD

Pride and joy filled the MVN family as Liana Goel of UKG created a remarkable milestone through her outstanding performance in prestigious international Olympiads. Liana secured ****Rank 273 in the NOF International Junior Phonics Olympiad****, ****Rank 288 in the International Junior Math Olympiad**** and ***Rank 1688 in the International Junior English Olympiad****. This commendable achievement reflects her curiosity, perseverance and growing love for learning. Such early accomplishments inspire young learners and reaffirm the importance of nurturing strong academic foundations from the very beginning.

Heartiest congratulations to Liana for this wonderful success. May her journey of learning continue to reach new heights!

43RD ARYABHATTA INTER-SCHOOL MATHEMATICS COMPETITION 2026

Triumph of Excellence : MVN Students Shine in Aryabhata Examination

Savya Chopra, Aashwik Jha, Devang Bindhani, Rudransh Dixit, Ekansh Aggarwal and Dhruv Sharma, the students of class XI have brought immense pride and honor by securing merit positions in the prestigious Aryabhata Exam. Their remarkable achievement reflects not only their intellectual brilliance but also their dedication, perseverance and passion for excellence in mathematics. This success is a testament to their hard work, consistent practice and the unwavering guidance of their teachers.

The Aryabhata Exam, known for testing analytical ability and conceptual clarity, provides a platform for young minds to showcase their problem-solving skills. Our students demonstrated exceptional competence and confidence while tackling challenging questions, earning well-deserved merit ranks.

The School extends heartfelt congratulations to the achievers and wish them continued success in their future endeavors. May they keep striving for excellence and inspire others to aim high and achieve their dreams.

ARTSCAPE

Modern Vidya Niketan Sr. Sec. School, Sector-17, Faridabad proudly celebrates the remarkable achievement of our talented young artist Lavyaa Gupta of Class III.

Lavyaa has secured Second Position in the art competition organised by FLCC and has also earned a Special Mention at the prestigious Artscape event organised by MRIS. Her creativity, imagination, and dedication truly reflect the spirit of artistic excellence we nurture at MVN.

At such a young age, her vibrant strokes and expressive artwork speak volumes about her passion and perseverance. These accolades are a testament to her hard work and the continuous encouragement from her mentors and parents.

We are immensely proud of you, Lavyaa!

May you continue to paint your dreams with confidence and colour the world with your talent.

Heartiest Congratulations!

SPACE EXPERIENTIAL LEARNING CENTER VALEDICTORY CEREMONY

Modern Vidya Niketan Sr. Sec. School, Sector-17, Faridabad proudly celebrates the Space Experiential Learning Center (SELC) Valedictory Ceremony 2026, organised in collaboration with the U.S. Embassy New Delhi, IUSSTF, and Genex Space.

Our bright MVNites were awarded certificates for successfully completing the SELC program—an inspiring journey that nurtured scientific curiosity, innovation, and a deep understanding of space science.

Heartiest congratulations to Akshi Bhatia (Class X), Shlok Maurya (Class XI), Taanisah Srivastava (Class IX), Kabir Manhas (Class IX), and Piyush Das (Class IX) for this remarkable achievement.

A proud highlight of the event was the enriching interaction of MVNites with former NASA Astronaut Ms. Sunita Williams, an experience that truly ignited young minds to dream beyond the stars.

At MVN, we continue to empower learners to explore, innovate, and reach for the cosmos. The sky is not the limit—it's just the beginning!

INTER SCHOOL SPELL BEE COMPETITION

“Words shape our thoughts, and mastery over words builds confident minds.”

We are delighted to share the proud achievement of our young learners at the Inter-School Spell Bee Competition held on 21st January 2026. Our students from Grade IV and Class VII showcased commendable spelling skills, confidence, and presence of mind while competing with great enthusiasm.

From Grade IV, Samarth Pratap Singh, Yuvaan Ranjan, Tanuj Bansal, Advitiya Bhardwaj, and Saurish Jain secured the First Runner-Up position, bringing pride and honour to the school.

From Class VII, Ankit L., Saarthak Lamba, and Kaustubh Dobhal earned the Second Runner-Up position through their impressive performance.

The competition comprised multiple engaging rounds designed to test varied language abilities. The Lightning Round – Spell It Right assessed quick thinking and teamwork. The Buzzer Round tested alertness, speed, and accuracy. In the Visual Round, words were presented through images to encourage visual association and deeper understanding. The Jumbled Words Round enhanced word recognition and logical thinking, while the Missing Letters Round strengthened spelling patterns and attention to detail.

This achievement reflects the students’ dedication, consistent efforts, and the valuable guidance of their mentors. The event proved to be a rewarding academic experience, reinforcing language skills and the joy of learning through active participation.

We congratulate our learners for their disciplined performance and academic enthusiasm, and hope this success inspires them to continue striving for excellence and achieving greater milestones in the future.

TED-ED STUDENT TALKS PROGRAM

Shivay Jain of Class -III participated in the TED-Ed Student Talks Program, a global platform that empowers students (ages 6–18) to discover, develop, and confidently share their big ideas with the world.

For his talk, Shivay chose a thought-provoking topic: “Wax on Fruits and Vegetables – Making Them Look Good but Not Always Good to Eat.”

Through this insightful presentation, he raised awareness about food safety, consumer choices, and the importance of being informed about what we eat—showcasing critical thinking, research, and confident communication.

Kudos to Shivay for questioning everyday practices, speaking with clarity, and spreading an idea that truly matters.

Ideas worth spreading, voices worth celebrating!

3RD ALL INDIA SHOTOKAN KARATE CHAMPIONSHIP 2026

Modern Vidya Niketan Sr. Sec. School, Sector-17, Faridabad, proudly congratulates Lakshya Mathur (Class VII) for winning the Gold Medal in Kata at the 3rd All India Shotokan Karate Championship 2026 in the Under-14 category. His achievement reflects hard work, discipline, and a strong sporting spirit. The entire MVN family applauds Lakshya for this remarkable success and wishes him many more milestones ahead.

**3RD ALL INDIA SHOTOKAN KARATE

**LAKSHYA MATHUR
CLASS - VII**

Heartiest Congratulations !

“Champions are shaped by discipline, sharpened by perseverance, and defined by excellence.” MVN applauds the exceptional accomplishment of Dhruv Pandit of Class VI at the 3rd All India Shotokan Karate Championship 2026. Competing in the Under-12 category, Dhruv displayed remarkable focus, precision, and competitive spirit, securing a Gold Medal in Kata and a Silver Medal in Kumite.

This noteworthy achievement reflects Dhruv’s dedicated training, resilience, and commitment to excellence. It also highlights MVN’s continued emphasis on holistic development by encouraging students to excel in sports alongside academics. Dhruv’s success serves as a source of inspiration for young learners to pursue their goals with confidence and determination.

Heartiest congratulations to Dhruv Pandit on this commendable achievement and best wishes for his future endeavours.

Congratulations!

100TH ASMITA KHELO INDIA WOMEN'S KICKBOXING CHAMPIONSHIP 2025-26

Lakshita of Grade 2, MVN School, Sector-17, recently participated in the Asmita Khelo India Women's Kickboxing Championship 2025-26, hosted by the Wako India Kickboxing Federation, and secured a Silver medal in the Point Fight -33 Kgs category at the District Level. The tournament, held on December 21, 2025, witnessed participation from multiple districts across North India. Lakshita's achievement is a testament to her hard work, dedication, and passion for kickboxing. Her remarkable performance has brought pride to her school and family and is an inspiration to her peers.

The Wako India Kickboxing Federation is recognized by the Ministry of Youth Affairs & Sports, Government of India and is a member of the World Association of Kickboxing Organisations (WAKO), which is recognized by the International Olympic Committee (IOC).

Lakshita's achievement is a shining example of the talent and potential that Indian youth possess, and we look forward to seeing her future successes in the world of kickboxing.

We congratulate Lakshita on her achievement and wish her all the best for her future endeavours!

1ST KGA MOTIVATIONAL GYMNASTICS CHAMPIONSHIP 2026

We are proud to celebrate the wonderful performance of our young gymnasts. Both achievers are enthusiastic students of Class UKG, who showcased remarkable confidence, discipline and talent at a very young age.

The 1st KGA Motivational Gymnastics Competition, organized by KIDS Gymnastics and Yoga Centre, was held at Sector 16, Faridabad, where children from various gymnastics academies participated with great enthusiasm.

Liana Goel delivered an outstanding performance and brought laurels to the school by securing Gold Medal in Floor Exercise and Silver Medal in Balancing Activities

Ziyana Dua competed in the U-6 Boys & Girls Category and performed exceptionally well, securing Silver Medal in Floor Gymnastics and Silver Medal in Beam Balance

With over 40 participants in the U-6 category, both our young gymnasts stood out with their determination, grace and sportsmanship.
